THE BEAR TRUTH

PRINCIPAL'S MESSAGE

As the new Principal of Bayside High School, I am both honored and excited to once again be a member of this great school community. I come back to Bayside with 20 year of experience in education. I began my educational career in Florida, at Bayside, in 1999. I taught Economics and Government for one year before moving into the Guidance Office for the next two years. I had the pleasure of being a counselor for Bayside's first two graduating classes. Since leaving Bayside, I have been a Dean of Students at Satellite High School, a Curriculum Assistant Principal, and most recently the Principal of Hoover Middle School.

Bayside High School feels like home and I am thrilled to be back here as your new Principal. I see great things happening in Bear Country this year.

Another new face at BHS is Buster, 'Burt' Clark, our new Curriculum Assistant Principal. Mr. Clark has been a math teacher, drafting teacher, Math Coach, and Teacher on Assignment. He began his administrative career at Melbourne High School as a Dean of Students, then most recently was the Assistant Principal at Hoover Middle School.

Along with the rest of my Administration Team, our priority is to ensure that all Bayside High School students receive the best education possible. In order to have our students College and Career ready at graduation, we will approach each day with a positive attitude and an eagerness to help our students succeed.

One of the most important aspects of my job as your Principal will be to build strong, positive relationships with students, teachers, and families. You'll find me in the hallways, classrooms, and at many school events and activities. I'm looking forward to working with you and your student. Let's have a great year together.

Sincerely,

Lena Wiebelt
Principal

CALENDAR OF UPCOMING EVENTS

Period 7 2:43 – 3:33 (50 minutes)
<i>Pledge of Allegiance and any morning announcements at the beginning of Period 1</i>
<i>Regular P.A. announcements at the end of Period 7</i>

ACT TESTING

Students take the ACT college readiness test for multiple reasons, such as trying to get scholarships (including Bright Futures), trying to meet college admissions criteria, and trying to earn a high enough score on the reading section in order to meet graduation requirements in case they did not pass the state FSA reading test. The next ACT test administration date is Saturday, October 28. The test is given at Bayside High, but students must have registered for the test by the deadline of September 22. Students can register at www.actstudent.org and must be able to upload a head shot picture of themselves and print out their admissions ticket. Students in grades 11 and 12 who are on free or reduced lunch or who are in the foster care system can qualify for a fee waiver (a maximum of 2 per their high school career) which allows them to take the test with or without the writing subtest for free and allows them free access to the ACT Kaplan Online Prep live (test prep) program. Students must see their school counselor to obtain the fee waiver prior to the registration deadline. Also, students who have an IEP, 504, or who are active in an ESOL program may be eligible for certain testing accommodations. These students must indicate during the registration process that they are requesting accommodations, and then an ACT employee will contact Ms. Barbuto (Bayside counselor) to verify eligibility and complete the request process. Approval is not 100% guaranteed. For questions, please contact your student's counselor.

The next ACT will be administered at Bayside High on Saturday, December 9, 2017. For juniors and seniors who are trying to meet college admissions requirements, scholarship requirements, and high school graduation requirements, be sure to register by November 3. Students who are on free and reduced lunch and students who are in foster care can see their high school counselors about possibly taking the test for free.

BAYSIDE IS EXPANDING ITS LIBRARY COLLECTION!

BPS-Overdrive

Bayside High School is excited to announce a new way to access digital media with OverDrive. An extension of our school library, OverDrive will allow 24/7 access to a large collection of popular fiction, non-fiction, test prep books, and even audiobooks! No more boring weekends or vacations; with OverDrive you can checkout exciting new books to read on your computer, phone, or whatever device you prefer. Never worry about getting your book back to the library on time either; with OverDrive your books are returned automatically at the end of the checkout period.

Ready to get started? Follow these steps:

1. Bayside's OverDrive collection can be accessed several ways. There is a BPS OverDrive icon on your Launchpad (if you don't see it, simply add it with your plus symbol).

Select Bayside High School from the dropdown, and then type in your student (or faculty/staff) ID in the box and click Sign In.

OR

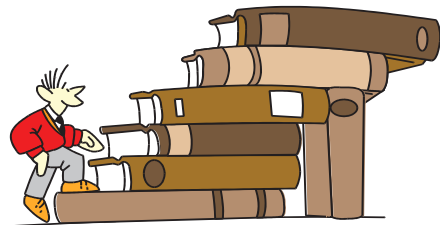

2. Go to brevardfl.libraryreserve.com, select Bayside High School from the dropdown, and again type in your student ID.

OR

3. Download the OverDrive app from your device's app store, create an account, find Brevard Public School Libraries and save it as a favorite. Again, you will be prompted to put in your student ID before "checking out" any materials.

4. Once you're in, you'll see hundreds of available titles. You can borrow a title by downloading it or simply reading it in a browser.

Stop by and see Mrs. Spivey for a demonstration or for more info!

2018 SENIOR INFORMATION

IMPORTANT DATES:

October 20th	Senior Decorating Day
November 9th	Powder Puff
November 19th	Senior Picture - 1st Period, Gym
April 20th	Grad Bash
May 5th	Prom

GIRLS' BASKETBALL TRYOUTS

Tryouts are October 30th & 31st

Must have copy of completed physical (EL2 and EL3) to Coach Paul in 751 before tryouts.

Students interested in being a team manager must fill out a form at the following link: <http://tinyurl.com/BHSMgrApp> by October 28th.

NATIONAL ART HONOR SOCIETY

Bayside's National Art Honor Society is busy creating handmade flowers (\$2 ea.) to raise money to sponsor the nonprofit "Memory Project" again this year. This is a service learning project that draws or paints portraits of orphans from other countries around the world. The donation for each child drawn is a minimum \$15 to cover costs of tickets, printing mailing costs, etc. Whatever money is left over goes directly to the orphanages or to purchase art supplies for the children. If you need flowers made for a special occasion or would just like to donate to help sponsor a child's portrait, please send your check (written to BHS) or cash to Ms. Wiley in the art dept. Please visit the following links to meet some of the children who have received portraits in past years.
