2 Just the Facts

Parent Raptor Letter Eng

Dear Parents and Guardians,

Modesto City Schools considers the safety of our students and staff our top priority. This year, effective August 19th, we are implementing a new visitor management system to ensure that individuals visiting and interacting on our campuses are properly identified and signed in. Across the District, the new Raptor Visitor Management System has replaced the old paper visitor sign-in sheets. As part of this new system, everyone visiting our school during the school day, will be required to present valid photo identification to the office staff. Accepted forms of identification include:

- Any state-issued driver's license or identification card
- Matrícular Consular card
- Military ID (active duty or retired)
- Permanent resident card
- Passport card

Once the front desk staff scans the identification provided, Raptor instantly checks the name against registered sex offender registries nationwide. Once the visitor has been cleared and entry is approved, the Raptor system prints a visitor badge with the person's name, photo, and destination. The visitor badge must be returned to the front office at the conclusion of the visit.

It is important to note that the Raptor system only scans the visitor's name, date of birth, and photo for comparison with the national database of registered sex offenders. Any additional information is not collected nor stored. The Raptor system is not connected to any other database, such as the Department of Motor Vehicles, local police

department, or Department of Justice. Any other information on the ID is not visible or accessible to Raptor users and the data we screen is not shared or communicated. You will not be required to complete this process if you are simply dropping off an item in the office or picking something up. However, if the purpose of your visit is to visit a location on campus, or volunteer in a classroom, you will be required to follow the new procedure.

If you do not have a government-issued form of identification, here are some resources to assist you:

- For a CA License or ID card, visit a local DMV office or go to www.ca.dmv.org
- For a Military ID card, please go to www.cac.mil/uniformed-services-id-card/
- For a Permanent Resident Card, please go to www.uscis.gov/i-90
- For a Matrícular Consular card, please go to <https://www.nilc.org/wp-content/uploads/2015/11/Basic-Facts-about-the-Matricula-Consular.pdf>

We strive to provide a welcoming and warm environment for our families, students, and staff while communicating a culture of safety and security to the community. All parents are urged to continue participating in their child's education. If you have any questions or concerns about the implementation of this system, please contact a member of our administrative team or visit www.mcs4kids.com/district. Thank you for your understanding and for supporting our efforts to enhance school safety. For more information on the Raptor Visitor Management System, please visit <https://raptortech.com/>.

4 Just the Facts

Modesto City Schools—Permissible School Fees, Fundraising and Donations

The following are specific exceptions to the prohibition on fees, charges and deposits at the kindergarten through 12th grade level. These fees, charges and deposits are legally permissible because they are specifically permitted by law.

1. Charges for optional attendance as a spectator at a school or District sponsored activity.
2. Charges for food served to students, subject to free and reduced price meal program eligibility and other restrictions specified in law.
3. Paying the replacement cost for District books or supplies loaned to a student that the student fails to return, or that is willfully cut, defaced or otherwise injured, up to an amount not to exceed \$10,000.
4. Fees for field trips and excursions in connection with courses of instruction or school related social, educational, cultural, athletic, or school band activities, as long as no student is prevented from making the field trip or excursion because of lack of sufficient funds.
5. Medical or hospital insurance for field trips that is made available by the school district.
6. Charges for required medical and accident insurance for athletic team members, so long as there is a waiver for financial hardship.
7. Charges for standardized physical education attire of a particular color and design, but the school may not mandate that the attire be purchased from the school and no physical education grade of a student may be impacted based on the failure to wear standardized apparel "arising from circumstances beyond the control" of the student.
8. Charging for the parking of vehicles on school grounds.
9. Charges for the rental or lease of personal property needed for District purposes, such as caps and gowns for graduation ceremonies.
10. Fees for school camp programs, so long as no student is denied the opportunity to participate because of nonpayment of the fee.
11. Reimbursement for the direct cost of materials provided to a student for property the student has fabricated from such materials for his/her own possession and use, such as wood shop, art, or sewing projects kept by the student.
12. Reimbursement for the actual cost of duplicating public records, student records, or a prospectus of the school curriculum.
13. Fees for transportation to and from school, and transportation between school and regional occupational centers, programs or classes, as long as the fee does not exceed the statewide average nonsubsidized cost per student and provided there is a waiver provision based on financial need.
14. Fees for transportation of pupils to places of summer employment.
15. Tuition fees charged to pupils whose parents are actual and legal residents of an adjacent foreign country or an adjacent state.
16. Tuition fees collected from foreign students attending a District school pursuant to an F-1 visa, equal to the full unsubsidized per capita cost of providing education during the period of attendance.
17. Fees for an optional fingerprinting program for kindergarten or other newly enrolled students, if the fee does not exceed the actual costs associated with the program.
18. Fees for community classes in civic, vocational, literacy, health, homemaking, and technical and general education, not to exceed the cost of maintaining the community classes.
19. Deposits for band instruments, music, uniforms and other regalia which school band members take on excursions to foreign countries.
20. Charges for eye safety devices, at a price not to exceed the district's actual costs, in specified courses or activities in which students are engaged in, or are observing, an activity or the use of hazardous substances likely to cause injury to the eyes
21. A family may be charged for a program of supervision of children before and after school.

Parent Engagement

One of Beyer's and Modesto City School's goals this year are greater parent engagement and communication.

MCS Goal Three: Provide a safe, welcoming, and respectful learning environment for every member of the school community while ensuring effective district-wide communication for students, staff, families, and community partners.

Strategies:

3.2 Promote outstanding students, families, staff, programs, schools, and community partners.

3.3 Increase regular two-way communication with stakeholders regarding student progress and other important issues.

With that goal in mind, Beyer High School will be conducting eight Parent Information Meetings. Below are the dates. Topics for the first two meetings have been established. Beyer conducted a survey of parents asking for their input on the topics for the remaining dates. At printing time, the survey was still being conducted. Information to follow. Please join us, you will find the meetings enlighten.

Beyer Parent Information Meetings—2019-20 School Year			
Date	Time	Location	Topic
8/27/19	5:30PM – 6:30PM	Patriot Point	The effects of vaping on high school students.
9/24/19	5:30PM – 6:30PM	Patriot Point	An overview of mental health focusing on stress relative to adolescents.
10/29/19	9:00AM – 10AM	Patriot Point	TBD
11/26/19	5:30PM – 6:30PM	Patriot Point	TBD
1/28/20	9:00AM – 10AM	Patriot Point	TBD
