## Principal's Message

**Our Mission...**each student is Prompt, Polite and Prepared.

**Our Vision...**each student will graduate with the skills necessary to be successful in college or in a career.

Dear parents,

I would like to take a moment to say thank you to the students, staff and the entire George Jenkins Community for everyone's hard work and dedication. With the adjustments we needed to make for last school year, I am very proud of our accomplishments. Our students and staff continued to SOAR, and we continued to achieve despite the obstacles! As a school, we continue to strive for greatness, but that does not take away from the victories that should be celebrated, and I am **THANKFUL** to be your leader!

The bell schedule for the start of class (7:00 am) and end of school (2:00 pm) will be continuing to be the same. We are using a modified bell schedule which will have all 7 classes meeting each day Monday, Tuesday, Friday and an Odd/Even block schedule will be on Wednesday and Thursday. The bell schedules will be posted on our website. The time between classes is 7 minutes this year.

Be sure to read the entire newsletter to gather details you need to know:

- The 7-period day will be on Monday, Tuesday and Friday.
- 1,3,5,7 (odd days) and 1,2,4,6 (even days) will be on a Wednesday and Thursday.
- **The students first school day is Friday, August 11th. The bell schedule will be a straight 7 period day for that Friday, and we will continue our normal schedule the following week.**
- We have many opportunities for parent involvement: booster organizations, student clubs and activities, and chaperoning school-sponsored trips.
- Our continued emphasis on mathematics, science, technology, reading, arts and academics will enhance our student's abilities to be life-long learners and productive citizens.
- Please remember that supervision before/after school and at any school sponsored activity is 30 minutes before-to-30 minutes after the end of the event. Please plan accordingly to drop off or pick up your child within this time frame.
- Before school drop off and after school pick up is at the front of the school. For the safety of students and orderly flow of traffic, please do not drop off or pick up students at other locations on campus during the time between 6:30 a.m. and 3:00 p.m. These areas will be blocked off to through traffic and the gates locked.

Students should be on time and in their classrooms, where they can achieve and excel. Our Mission is to see that each student is **"Prompt, Polite and Prepared"** along with the Vision that **each student will graduate with the skills necessary to be successful in college or in a career.**

#### All students are expected to follow GJHS parking regulations, including the following:

Parking permits are issued with the understanding that Polk County School Board is not responsible for damage, or loss due to theft. Students may only drive on Campus with a Valid Drivers License. Driving on Campus without a License will result in the Parking Permit being revoked.

Students must park in their assigned, **non-transferable** parking space in the designated student parking area (south parking lot or sophomore east lot). Parking on the grass is not permitted. Any violation will result in suspension of driving privileges and possible suspension from school.

When arriving on campus, students are to leave the parking lot area immediately. Students are not permitted to wait in the parking lot for other students. Failure to follow this rule will result in forfeiture of the parking permit.

Also, if students arrive early, they are not permitted to leave campus without permission from the Main Office. Leaving campus without checking out through the Main Office will result in one day out-of-school suspension.

At dismissal, all students must leave the parking lot by the 2:10 p.m. bell unless attending a school-approved, teacher-supervised activity or athletic practice.

The speed limit on GJHS campus is 10 MPH, as posted.

Reckless operation of a vehicle will result in disciplinary action and possibly a suspension of parking privileges for a **minimum of twenty (20) school days**.

Students, by virtue of parking on GJHS campus, are giving permission for the vehicle to be searched for contraband if administrators have reasonable suspicion.

\* **Any controlled substance as defined in section 5.10 in the Code of Conduct found in a vehicle will result in discipline as defined in section 5.10.**

\*\* **Any weapons or dangerous objects found in a vehicle as described in section 5.19 of the Code of Conduct will result in possible expulsion from school as defined in section 5.19.**

**Any violation of student parking rules when on campus may result in a loss of driving privileges for a minimum of 20 days.**

## George's Closet

George's Closet is a clothing and supply closet open to all students for use in room 2115. Recently, we have formed a club called George's Closet Foundation. Our purpose as a club is to bring more awareness to George's closet, increase student involvement in the community, and to give George's Closet a direction.

The pantry permits student volunteers to help the less fortunate in the school by giving them a marshaled place to receive items like clothes and hygiene items. The volunteers help organize these items and run drives. The benefits to working in George's Closet are the ability to earn service hours, earn teamwork and collaborative skills, as well as becoming an active member in the community. Service hours are important for scholarships, college applications, and standing out against the rest of the student body. George's Closet Foundation will meet on the first and third Thursday of the month.

Additionally, the skills mentioned are necessary for the success of our future regardless of your interests. Keep an eye out for more information and our interest meeting around the start of school. If you have any questions, reach out to Mr. Lee Robinson or Mrs. Crosby. (863) 648-3566.
