# MAINLAND High School Academies

We look forward to having your student attend our school as a freshman next school year. Mainland High School has a long history of innovative success in the areas of academics, arts, citizenship, community service, and athletics and we know your student will help further our tradition of excellence.

Counselors, teachers, and principals will meet with you and your student to begin the registration process for the year 2018-2019. **This registration will be held in the Mainland High School front office and multipurpose room on three nights** using the following schedule:

(Please select **one** of the dates below)

	Day	Date	Time
Open Registration	Tuesday	March 27	4:00 – 6:00 PM
Open Registration	Thursday	March 29	5:00 – 7:00 PM
Open Registration	Thursday	April 5	5:00 – 7:00 PM

We welcome you to our Mainland High School and look forward to working with you both during registration as well as during the next four years. As always...Buc Pride Never Dies.

See you very soon,  
The Mainland Buccaneers

## Bookkeeping Reminders - Obligations

Now is the time to start addressing any financial obligations that may be owed by your student. Some examples of financial obligations are fees and dues not paid, uniforms and equipment not returned, and textbooks or library books overdue. Every student is responsible for the payment of the \$10.00 ID/Class due fee, every year. For security and safety reasons, we may have printed an ID for your student even though they did not pay for it. In this case, the charge becomes an obligation.

For Seniors, nonpayment of obligations may result in the withholding of their diploma.

For Underclassman, nonpayment may prevent participation in the program for the following year. All obligations are carried over each year. Keeping on top of them prevents any financial “surprises” in senior year.

The return of textbooks, library books, uniforms and equipment, will take that charge off your obligations. Textbooks should be returned in the front office to Mrs. Hebert.

Library books and DSC textbooks should be returned to Ms. Piggotte in the Media Center. Uniforms and equipment should be returned to the appropriate coach or teacher.

Payments can be made with the bookkeeper by cash, check or credit card from 7:15am-3:15pm. All checks must have the student’s name and a phone number in the memo portion. You may also pay on the Webstore at [Mainlandhighschool.org](http://Mainlandhighschool.org) by selecting the Obligations tab. There is a 4% service fee when using a credit card. For more information or to check on the status of your student’s obligations, please call Bookkeeping at 386-258-4665 x54228.

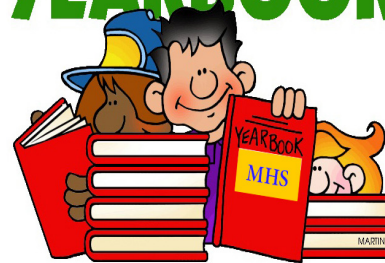

## Mind, Body, Spirit

The ASIM representatives and Mrs. Mandell would like to thank both Longstreet Elementary and Ormond Beach Elementary for inviting them to judge their science fair projects this year. Each of the 5th grade students did a great job on their projects and wish the finalists good luck at county science fair.

It's Time to Order Your.....  
**YEARBOOK!**

## Yearbooks

Yearbooks are selling fast, secure your book for \$70. Books can be purchased in the bookkeeping office or with Mrs. Gardner in room 1-328.

## AP<sup>®</sup> News

At the beginning of February, the Advanced Placement Bulletin for AP<sup>®</sup> Students and Parents was distributed to students in their AP<sup>®</sup> classes. Parents, please go over this guide with your child as there is pertinent information regarding test security and administration policies, a helpful student checklist, important information regarding getting ready for exam day, and the 2018 exam schedule. If your child did not receive a bulletin or you are in need of another, please contact Ronnie Fedun, AP<sup>®</sup> Coordinator at 386-258-4665 ext. 54273 or at [RAFedun@volusia.k12.fl.us](mailto:RAFedun@volusia.k12.fl.us).

### Upcoming AP<sup>®</sup> Schedule

May 7-11 and May 14-18, 2018 Exam Dates

#### Week 1

Test Date	Morning (8 AM)	Afternoon (12 PM)
<b>Monday May 7</b>	AP Chemistry AP Spanish Literature and Culture	AP Psychology
<b>Tuesday May 8</b>	AP Seminar AP Spanish Language and Culture	AP Art History AP Physics 1: Algebra-Based

## AFJROTC News

Greetings Everyone! We've successfully marched forward into a packed semester. So far, our drill teams have competed in 4 AFJROTC drill meets and have won 6 trophies. Our military ball, held at Embry Riddle Aeronautical University, was a huge success for over 100 cadets and guests. Three weeks later, 54 cadets walked 14 miles (Bataan Death March) in commemoration of the American and Filipino troops who were forced to make an arduous 65-mile march to prison camps in WWII. We took 2 field trips: a visit to University High School's Military Expo and the Daytona International Speedway. We've had some very interesting color guards: NXT wrestling, NASCAR Truck Race at DIS, and the Orlando Magic. Soon, we'll start weekly training for our summer cadet leadership course (CLC) at The Citadel in Charleston, SC. Keep up the great pace cadets; remain focused on your grades, behave, come to school, and continue to be active! The list below describes some of the many events and activities we're involved in:

**March 2018:** Potential field trips to Kennedy Space Center and Jacksonville Naval Air Station

**March 31st:** State drill meet held at Embry Riddle Aeronautical University

**April 11th/18th:** Rocket Club

**April 21:** Tri-school Field meet challenge at Atlantic HS

**May 2:** AFJROTC annual awards banquet (\$6), followed by ceremony in PAC

10-16 June: CLC (cost is \$210)

If you are interested in finding out more information about AFJROTC, please contact Maj Migs or MSgt Garthwaite at 258-4665 ext. 54337/8

## Transition Academy

As we prepare for Spring Break the students are completing their third quarter. We have had several exciting events in this third quarter and look forward to the final and fourth quarter of the 17-18 school year. We have had several students find employment and were able to attend our first field trip of the school year.

Several seniors and deferred students have found employment locally. We now have students employed at the Dog Track and JC Penneys. Congratulations to the students!!

Next quarter will be FSAA testing, please make sure your child is attending every day. We will also have a trip to the Tortuga Education Day at Jackie Robinson on May 9th.

On March 26th we were generously given the opportunity to attend the Central Florida Construction Days at the Central Florida Fairgrounds in Orlando Florida. Thirty-four students were able to enjoy a luxurious ride on a charter bus and free lunch all provided by the Central Florida Building Association Union. The students were broken up into small groups so that they could experience hands on opportunities in the building industry. The students were able to see how drones are used on construction sites and were able to practice flying a drone. The students were given tasks to complete and awarded prizes. One task was a team build competition for the tallest structure out of pipe cleaners. Students were also able to experience driving loaders and small bobcats used in the building industry. Several also were able to take a ride up into the sky on lifts. THANK YOU to the Central Florida Building Association for the opportunity to explore different employment opportunities in our area.

Jose Suarez, Adam Grimes and Chris Moore taking their turn on the lift.

## News from the Academic Team

Our Academic Team season has now come to a close with a record of twelve wins and six losses, which puts us in second place in Volusia County! Congratulations to our hard-working team members and their captains, Scott Buck, Marlena Kufitic, and Vivian Dang. Mainland also hosted the annual banquet on March 5th, here in our Media Center, for all ten teams in the district. Our team's MVP was announced and honored at the banquet; that was Vivian Dang for her outstanding mastery of the current events round!

Our third **BucTalks** event of the year will be held on Wednesday, March 28, 2018, at 5:45, in the Multi-Purpose Room of Mainland High School. Our staff speaker will be from our Social Studies department, Mr. Arthur Mountcastle, our student speaker will be Ahmed Talton of SGA, and our community speaker will be educator Chris Stefancik,

formerly of Volusia County Schools, now working with Flagler County Schools. Thank you to our BucTalks Captain and Event Coordinator, Sofia Slimak for her leadership in preparing for and presenting these events.

Our last **BucTalks** event of the season will be on Wednesday, May 2, 2018. Come join us for an evening of great ideas and discussions. Our guest speakers always include a current faculty member, a current Mainland student, and a community leader. A musical interlude will be provided by select members of the Mainland Band or Orchestra. Refreshments will be provided in the Hall of History prior to the event. The festivities will begin at 5:45 PM, so please mark your calendars and join us for lively presentations and discussions!

## Club News!

On Saturday, February 17th, the Science Olympiad team participated in the regional competition at Embry Riddle University. Out of the 23 events, Mainland medaled in 5 events: Marlena Kufitic and Scott Buck earned 3rd in Hovercraft, Scott Buck and Jash Patel earned 3rd in Thermodynamics, Lily Grusz and Scott Buck earned 3rd in Write It, Do It, Jash Patel and Ashlyn Yancey earned 2nd in Mission Possible, and Lily Grusz and Alex Kilgore earned 2nd in Dynamic Planet. Overall, Mainland earned a 5th Place team finish and will be moving on to compete at State at UCF in March. Other team members instrumental in their success are Hunter Chewing, Caitlyn Correia, Vivian Dang, Kaylee Gibson, Alexis Long, Aaisha Ouda, Arianna Stegall, Aleishka Torres, Evelyn Uribe, Malana Jackson, and Grace Scheurman. Way to go, BUCS!
