Principal's Message

Hello Eagle Family, 2019 has been an amazing year here at Atlantic Community High School. Thank you for an incredible first half of the school year. I couldn't be prouder of our students and the many accomplishments we have earned in the past few months. I can't wait to see what incredible things are in store for our Eagles in 2020!

We encourage your child to stay focused and continue the second half of the year strong! We have so many amazing opportunities to support your child with afterschool and Pull-out tutorials including Khan Academy, which is a great support for seniors to be on track for graduation as well as to boost ACT & SAT scores! Please remind your child to always put forth their best foot forward, be on time, wear their ID badge, and put forth their best effort every day! We will be working hard to ensure that all students are ready for their upcoming state assessments. Winter diagnostic testing will begin January 9th. We appreciate the continued partnership we have with our parents and community to support all of our Eagles!

Thank you for all your continued support!

Sincerely, Tara Dellegrotti-Ocampo

Second Semester

January marks the beginning of our second semester. Each year, during the second semester all schools experience an increase in absences and late arrivals, and a gradual decline in academic performance. So prevalent is this trend, it has been referred to as the "Second Semester Slide". We are determined to improve this trend and you the parents can play a major role. Absences and tardiness are two of the reasons that grades decline. Please be vigilant in making sure your student attends school every day and arrives on time. Your attention to this issue will have a positive effect on your student, reinforcing the importance you place on attendance.

To assure continued academic success and not fall victim to "Second Semester Slide", re-establish your student's homework and study routine. Help him/her to reclaim the space and time meant for this important purpose. Determine if any supplies or devices are needed. They make great holiday gifts. Also, monitor your student's grades, attendance, and classwork by accessing Parent Portal. Learn what tutoring and support opportunities are available here at school to improve results. Again, your attention to your student's school work will have a tremendous positive effect. When students are prepared for class each day, they will attend each day, arrive on time, and perform with confidence.

These efforts; staying informed about your student's progress, re-establishing a solid home-study routine, and making certain that your student attends every day and arrives on time will have an enormous positive result and help us all overcome "Second Semester Slide".

Teen Life in HDb

Atlantic's mental health awareness club, Teen Life in HDb, was awarded with the Build Our Blocks mini grant from Healthier Delray Beach. This allowed the opportunity for 20 students to bring a friend or family member on a life altering trip to Morikami Park Gardens, on the perfect weather day when we returned from break.

A note on behalf of the attendees: Being a teenager and attending high school can cause a lot of stress. So when we came across this opportunity to go to Morikami Museum and Japanese Gardens for the Stroll of Well-being we took it! You may be wondering how walking in a garden can be so helpful in improving mental health, but Mr. Hoichi Kurisu designer if the Morikami Gardens, made it possible. We utilized our Senses to remind us we are alive and how beautiful the earth is- the colors, light, and shadows- the sound of the bamboo, wind, and water- the smell of flowers and trees. They all helped us focus on the mind and tap into our inner selves. We can only hope everyone gets this amazing opportunity to participate in the Stroll for Well-being. We deeply appreciate and want to thank everyone that made this happen.

The Interact Club at Atlantic High is in its second year, and working hard to live up to its motto: Service above Self.

Interact Club has supported the community in many ways, providing volunteers for the Fall Fest at the Delray Beach Historical Society, Miracle League baseball games and fundraisers, and Love Delray's collaboration with the Boys and Girls Club garden. The club also created holiday cards for patients at Bethesda Hospital.

On November 23rd, members volunteered at the Boys Town "Give a Gobble" event, assembling and distributing Thanksgiving baskets for families in need of a dinner.
