## A Message from the Principal

Hello BC Nation! It is difficult to believe we are beginning the fourth and final quarter of the 2019-2020 school year. This becomes a very busy time of year on campus as we move into testing season, graduation plans, senior class activities, student scheduling and working with students and staff on preparing for next school year.

I encourage parents to check our website and monitor the calendar this time of year as we move into testing season. All of our students will be participating in FSA Reading/Writing tests, (EOC) End-of-Course exams, PERT, ACT and/or SAT testing, AP and/or AICE exams, and course final exams from now into June. The FSA (Florida Standards Assessment) Reading/Writing tests will be administered to the current 9th and 10th graders. The Reading portion of FSA along with Algebra, Geometry, Biology, and US History exams will all be administered in the month of May. Final exams for seniors are the week of May 18 - 22. Final exams for underclassmen will be May 29 – June 3.

Graduation is Friday, May 29 at Alico Arena on the campus of FGCU in Estero. Due to the Early Release scheduled for that day, Barron Collier's Commencement Ceremony will be at 2:00pm. Please check our website and

*...continued on next page*

## Principal's Message continued...

communicate with your senior student on requirements, schedules, and other information as we get closer to the date.

On Tuesday, Feb. 25, BCH held an informational night for future Cougars from the surrounding middle schools. The presentation was given to a full house of eighth graders and parents. It was great to see the enthusiasm and excitement in the students as they look to select their courses for next year. The counselors are busy working with current students on course selections for next year and developing the master schedule of course offerings. If you have any questions regarding scheduling or course offerings, please contact your child's school counselor.

As always, a large part of the success of students and Barron Collier is the involvement of parents and family. I encourage you to monitor your child's progress in school through the online Gradebook, email communication with teachers, set parent conferences with teachers and the guidance dept., and talk with your child regularly about school. I invite you to visit the school, talk with the teachers, and support the events at Barron Collier. We are blessed to have a great school with great people and I encourage you to be part of the school community. You can follow us on twitter at @BarronCollier, visit the website at [www.collierschools.com/bch](http://www.collierschools.com/bch) or follow us on facebook at [www.facebook.com/ccpsbch](http://www.facebook.com/ccpsbch).

Honored to be your Principal,  
Jon M. Bremseth

# Student Services

It is that time of the year when more and more of our students are turning 16, have gotten their license and are now driving 2000 pounds of steel, aluminum and fiberglass to school. Please remind your student drivers to drive safe and be aware that there are student drivers out there. Also, as students gain the transportation independence they will have to purchase a parking permit in order to park at Barron Collier during the school day. Students who do not get a permit will get a parking ticket. Parking permits are \$25 a year in Collier County but since we are so far into the year we are selling them for only \$15 (about the price of one parking ticket FYI). As seniors finish their exams in May we will open it up for students to get a parking permit for free.

Final note on parking – in May we will be selling permits for NEXT year. Have your children be on the lookout.! Thank you.

# Project Graduation 2020

On Friday, May 29th, we will celebrate the 35th Anniversary of the YMCA's Project Graduation, one of the nation's longest running, drug and alcohol-free celebrations. Project Graduation is a community tribute to **graduating seniors** from all Collier County public & private high schools. This is a great opportunity for you to help provide a safe environment for our youth to PARTY on a night they are entitled to celebrate!

The Greater Naples YMCA has hosted this event since 1985 which includes an **all-night party (11 pm-4 am) free of drugs and alcohol**. Our success each year depends solely on the support and generosity of high school parents and staff, community leaders, businesses, law enforcement officials and graduating seniors.

All-night long, students can participate in games and activities, a lavish food buffet, music, dancing, and more. Prizes are awarded throughout the evening with cash prizes at the end of the night. Tickets will be on sale at school this spring during all lunches. For more information or to donate or volunteer, please contact Danielle Poff through email: [raspiwave@aol.com](mailto:raspiwave@aol.com).
