## **ATTENDANCE PROCEDURES**

### **ABSENCES**

A student who misses more than nine days within a semester will not receive a passing grade for the semester in accordance with Florida Statute unless:

- a. Absences are for the observation of religious holidays, in which students may request prior approval to be absent from school for personal and family observance.
- b. Absences are due to court appearances.
- c. Absences are due to a doctor and/or medical physician visit. The physician must provide the school with written verification of when the visit occurred and for how long the absence from school is permitted.
- d. Absences are for an approved school activity.

**Note:** A student must be in attendance a minimum of four (4) hours of instructional time to be considered present for that day. On the day of a school event, students must be in attendance a minimum of four (4) hours in order to participate in extra-curricular activities. A student must be in class for 30 minutes in order to be counted present for that class.

## **TARDY POLICY**

### **TARDY TO SCHOOL**

All students tardy to school must go to the attendance office for admittance. Students who exceed 3 tardies in a semester will receive a parent/guardian call and a dean's detention. Each additional offense will result in ISS and parent/guardian call or additional corrective strategies as determined by administration. Any exceptions to this policy must be approved by an administrator.

### **TARDY TO CLASS**

If a student has not crossed the threshold or in their seats, per teacher policy, when the bell finishes ringing, he/she is considered tardy. Some teachers require students to be in their seats, and this is supported by administration. Students who exceed 3 tardies in a week will receive a lunch detention, dean's detention and parent phone call, ISS and parent phone call, or additional corrective strategies as determined by administration.

## PARKING

Safety is the number one concern at

Bayside High. Students should only park in the designated student parking area. The revoking of a parking permit will include, but is not limited to:

1. Discipline issues – will be at the discretion of the administration
2. More than six tardies to their first period class in one semester
3. Committing traffic/driving violations on campus
4. Transferring/selling of the parking permit

### Parking Violations

Students parking illegally or parking without a parking sticker will follow BHS's discipline sequence:

1. First offense – Orange parking violation sticker
2. Second and each additional offense – Orange parking violation sticker and after school detention

### Purchasing A Permit

To purchase a permit during PH, students will be required to provide the following:

1. Valid Driver's License
  2. \$20 registration fee
  3. Current Insurance
  4. Vehicle Registration – must be in the name of the student purchasing the sticker or their parent/guardian
- No refunds will be issued if the student's parking privileges are revoked
  - Bayside High reserves the right to have vehicle towed at owner's expense

*Administration reserves the right to alter any of the terms and conditions above based on the facts of a situation.*

## ELECTRONIC DEVICES

Student behavior concerning cell phones must be consistent with the School Board Policy 5500.

Students must have a student/parent contract on file to carry a cell phone on campus.

- Cell phone use will only be permitted between class changes and during Power Hour.
- Students **MUST** have their cell phones/electronic devices turned off during class time.
- Students are prohibited from charging cellular phones and other electronic devices on school property during regular class periods.
- The only exception to the above policies is: Technology intended and actually used for instructional purposes will be permitted, with the teacher's permission and supervision, and the permission of the administrator.

Should a student be observed using a cell phone, or a cell phone rings during the class period, discipline action will include but is not limited to a dean's referral, detention, out of school suspension, and confiscation of the phone.

- Should confiscation occur the phone will only be returned when retrieved by a parent or guardian.
- The school assumes no liability for lost or missing cell phones and or any other electronic devices a student may have freely elected to bring onto a school facility. Limited resources are available to investigate any such losses.
