MAY 2019
VOLUME 12
ISSUE 3

Principal's Message

First, let me thank the parents/guardians on the list below. Throughout the year they have volunteered, served on committees, or booster organizations, or drove students to events, or served in many different other ways. And I'm sure there are other parents whose names we missed- thank you as well. Without engaged parents participating and volunteering, the programs at a school would suffer.

As well, research shows the following about parent/guardian involvement in their student's education:

- Children with engaged parents/guardians are more likely to:

- Earn higher grades or test scores
 - Graduate from high school and attend post-secondary education
 - Develop self-confidence and motivation in the classroom
 - Have better social skills and classroom behavior
 - They are also **less** likely to:
 - Have low self-esteem
 - Need redirection in the classroom
 - Develop behavioral issues
- Again, thank you parents/guardians for your involvement!

Beyer Pride

Beyer Pride:

Beyer High Night to Shine: It was an amazing night of Talent at this year's Talent Show, Night to Shine! Students had so much fun. That you students and parents who showed up to support Beyer Talent! We had 12 acts perform throughout the evenings event including piano, dance, guitar, vocals, and a full band! Congratulations to Ethan Moreno (1st Place winner) and Bella Fisicaro (2nd Place winner) who will be competing in the District Tournament of Talent on April 17th at Downey High! Our judges Mrs. Fontana, Ms. Rowan, Ms. Hallack, and Mr. Moore had a hard task at hand, but survived the night!

Beyer Dance Over Spring Break, Ms. Hallack and Beyer Dance Production traveled to Disneyland to perform in Disney Performing Arts event on Saturday and Sunday March 30th and 31st. The dancers took master classes with Disney Choreographers and they performed 30 minutes of dances in the Fantasyland Theater. Congratulations to Ms. Hallack and her students! Students interested in auditioning for next year's Dance Production team: Auditions will be May 2nd and 3RD (2:30-4:30) in the Dance Room. Packets are available from Ms. Hallack.

Mock Trial: They won the county Mock Trial Competition and went to state competitions. Although they did not win state championship, they competed very well and represented Beyer High School in a great way. Congratulations!

Robotics: At the Central Valley Regional, Robotics took 2nd place and won the Regional Safety Award. They competed against teams from China, Idaho, Arizona, Hawaii and California. At the Sacramento Regional, Robotics entered the quarter finals and took 7th place overall. They competed against 62 teams from all over the country.

4 Beyer Pride

Science Bowl: Beyer had 2 teams competing in this year's Regional Science Bowl competition. There were 24 total teams representing 16 high schools from as far north as Lodi (Tokay) and as far south as Fresno (Clovis). The first part of the competition is 5 rounds in the morning. Beyer Red went undefeated (won 5 of 5) and Beyer White won 3 of 5. The 2 teams that Beyer White lost to in the morning were the 2nd & 3rd place winners, so they faced some tough competition. Beyer Red went on to the afternoon double elimination rounds as one of the top 8 teams. They were eliminated after 3 nail-biting rounds and secured a 4th place finish. Tokay and Clovis teams won top 3 spots with Clovis being the top contender and winning an all-expenses paid trip to the National competition in Washington D.C. in April.

Beyer Red: Avilene Cannizzaro, Jack Litke, John Nunnally and Daniel Vermeulen. Briteil Danipour was unable to participate as she had a college interview.

Beyer White: Annika Denyer, Ben Ficktenkort, Danielle Haubrich, Adrian Rivera, Tyler Utz.

The science and math knowledge/skills possessed by these students and their ability to perform under time pressure are very impressive. Their success at this highly competitive event validates Beyer's commitment to excellence in our math and science programs!

Place	Event	Medalists
1st	Chem Lab	Jack Litke (11) & Danielle Haubrich (10)
1st	Dynamic Planet	Taubert Bui (9) & Calvin Kahlon (9)
2nd	Water Quality	Daniel Vermeulen (12) & Peter Palombi (12)
2nd	Geologic Mapping	Taubert Bui (9) & Calvin Kahlon (9)
3rd	Mission Possible	Sophia Tallcott (11)
4th	Circuit Lab	Adrian Rivera (11) & Abby Scott (11)
4th	Thermo Dynamics	Danielle Haubrich (10) & Abby Scott (11)
5th	Protein Modeling	Riley Shores (12), Vinal Chand (12) & Katiyana Lester (12)
5th	Forensics	Emma Cuculich (9) & Hadley Rast (9)

Beyer Pride Winners: Congratulations to the following students who were selected for their outstanding behavior and demonstration of Safety, Responsibility, Respectfulness, and Honesty! The following students received recognition and a gift card of their choice! Izabelle Hofstetter, Brayden Ramme, Christian Rodriguez, Alex Retana, Eric Heffington, Hannah Simpson, Ashley Rivera, Mikayla Jackson, Liliana Gastelum, Nadia Garcia-Cabrelas, Anthony Chacon-Cuevas, Tabatha Brown, Anthony Galvin, Damian Budrow, Isaiah Escobedo, Jordan Myers, Angelo Oropeza, Max Fuqua, Trevino Owens, Ashley Teeples

Beyer Pride Perfect Attendance: Congratulations to the following 20 students who were selected for Perfect Attendance for the Month of March! Indra Bun, Athena Adamakis, Javier Aragon, Alyson Morgan, Jonathan Santoyo, Jimmy Lu, Hosmery Garcia-Mendoza, Mihail Alexandropoulos, Alexander Balam, Bailey Olaughlin

Career Center Updates 5

An Application Workshop was held in the Career Center on March 19th. Students were invited to learn more about the proper way to fill out job applications and scholarship applications. MJC also had a representative from the Career Services Center, explaining their services and ways to improve student's opportunities in both college and future careers. 25 students attended the event and had pizza.

Work Permits Information & Summer Employment:

All minors under age 18 (unless a high school graduate or equivalent), including minors employed by parents must have a work permit. During summer months, applications are available at the **District's School-to-Career Office**. **Please call 209-492-5128, if you need a summer permit. The office locations will be moving soon to Locust Ave.**

All Work Permits expire five (5) days after school starts and must be re-issued at the start of each school year or at the time the student obtains a new job. Work Permits are required all year, not just when school is in session. It serves as an age certificate and states the maximum hours a minor may work based on their age (Ed. C. 49160). See Mrs. White in the Career Center for more information.

2019-2020 Career Fair

Beyer will be hosting a College & Career Fair on October 30th 2019. Please contact Mrs. White in the Career Center if your business would be interested in participating in the Career Fair. Email: white.k@monet.k12.ca.us

6/8/2019	5/3/2019	5/20/2019	
7/13/2019	6/14/2019	6/24/2019	

*Fall test dates have not been released

Junior students who are thinking about, or plan to apply to a 4 year college should register to take the SAT and/or ACT test - with essay. It is recommended that students take each test one time in the spring of junior year, and one time in the fall of senior year. Below are testing dates. See websites for more information and to register. There are currently no SAT testing sites in Modesto, so please plan accordingly.

Senior Scholarship and Awards Night will be held at Beyer High School in the Little Theatre on Tuesday May 21st, 2019 at 6:30p.m. This is an evening to honor and recognize seniors who have been awarded scholarships and other non-monetary awards. If students are going to be recognized a formal invite will be sent home via US mail and email. All seniors who report any scholarships awarded to them to our college counselor, Mrs. Duran, by May 3rd will be invited.
