VOLUME 69 ISSUE 4

For The Parents, Staff, Students & Community Of Boone High School

Brought To You By PTSO

Principal's Message

Spring is here! One tell-tale sign is that our school calendar is jam-packed with activities. Even in this very untraditional year, we are grateful that we have some sense of normalcy with athletics, performing arts, and extra-curricular activities. We are so thrilled to have the opportunity to take part in a traditional graduation for our class of 2022! We have been very busy planning as many memory-making activities for our seniors as possible, and I think we are on the right track.

While this time of year brings a renewed sense of excitement as the Class of 2022 prepares to graduate, we are busy planning schedules for our underclassmen to continue their academic journeys and prepping for our next generation of Boone Braves to begin their journey as high school students on our campus. We all should be quite comfortable in knowing that our future is in the capable hands of great young people. We are proud that so many of them, with your guidance, have selected demanding course work that will prepare them for their futures.

I would be remiss if I ended this spring update without recognizing the top of our Senior Class, led by our Valedictorian, Cassidy Camera, who has a 5.46 GPA and our Salutatorian, Catherine Morrow, who has a 5.41 GPA! The Top 20 students listed below, led by Cassidy and Catherine, are a tremendous representation of what it means to be Boone Braves.

Our Mission Statement

The mission of William R. Boone High School is to promote a safe learning environment with intense focus on student achievement. With the support and involvement of faculty and family, the school community strives to prepare all students to think critically, act responsibly, and perform successfully in a technological and multicultural society.

Vision

By working together, we will strive to inspire life-long learning and curiosity within and beyond the classroom.

Beliefs

We believe all students should have a respectful, safe, and nurturing environment.

- We believe in setting high expectations for all students to reach their greatest potential.
- We believe all students should experience a meaningful, rigorous curriculum delivered through strategic instruction.
- We believe students should be challenged and prepared for a changing global society and equipped with 21st century skills.
- We believe that as a staff we should foster a positive, supportive, and collegial working environment.

Student Services

Course Selection at Boone will take place utilizing a custom-designed website and Google form. Please refer to: <https://sites.google.com/ocps.net/bhscourse/home>. The process is collaborative between the counselor and the student and will allow families to make informed course decisions and understand course progressions for different subjects. After reviewing the website, students are taken to a Google form in which they can make their course selections for next year. The website and the Google form work in tandem to ensure the most appropriate course placement level for each student. Students will also have one on one meetings with their counselors to finalize the scheduling process. Students and parents are welcome to contact guidance counselors with questions or to inquire further with questions or feedback.

Bright Futures Scholarships

Seniors were given the opportunity to attend the Bright Futures sessions through their English class. At the session, students were given the opportunity to complete their Bright Futures application. If you have not completed the bright futures scholarship application please see the link below for assistance. <https://www.floridastudentfinancialaidsg.org/SAPBFMAIN/SAPBFMAINscholarship>

Johnny's Fillin' Station

Johnny's Fillin' Station has generously sponsored Boone High School's McKinney Vinto Program that supports homeless students. Johnny's has had 2 fundraisers that have raised \$1,800.00 for our students and families are experiencing homelessness. These funds have allowed Boone High School to purchase items to fill in the gaps for these students and families. We are so thankful for Johnny's Fillin' Station and their commitment to our Boone Braves!

Kemosabe Kloset

Graduation is just around the corner! The Kemosabe Kloset is taking donations of caps, gowns and stoles that are in excellent condition so that the Class of 2022 can look their best as they celebrate their accomplishments at the graduation ceremony! These items may be dropped off at the front desk. If you have questions, please email KemosabeKloset@gmail.com

Thank you so much for your continued support of our Braves!

Bravethon

On Saturday March 5th, Boone's Dance Marathon Club, held its third annual Bravethon. This year we raised a total of \$27,279.01 for Orlando Health Arnold Palmer Hospital for Children. Throughout the school year students held different fundraising events and collected donations through their donor drive. At the main event, there were fun activities such as Spikeball, Ping-Pong, Hungry Hungry Hippos, and Musical Chairs. We also had two miracle families from the community share their stories. This event couldn't

have been possible without the support of our Boone community and the support of our sponsors; Bella Italia, Bigeye, Central Florida Property Management, Chick-Fil-A, Nothing Bundt Cakes, Jeremiah's, Chipotle, Harvey Baker Plumbing, 4Rivers, Pizza Bruno, Brave-Aid 35, 4SO Productions, and Prologo Branding. One last thanks to anyone who donated. The amount raised could not have happened without the generosity of you all!

PTSO

I am not sure how it is possible, but it seems like each year goes by faster and faster! It is so hard to believe that we are now into the final 9 weeks of this school year. As you all know, the last 9 weeks is usually the busiest and therefore, the fastest! There will be many fun events for our Seniors and an entire week to show appreciation to our teachers.

PTSO has had an eventful start to 2022! On Valentine's Day we had the privilege of celebrating our custodial Staff, cafeteria workers and security team. Clean EatZ provided lunch for all 29 people and PTSO provided drinks and desserts. It was a wonderful time to thank them for all that they do for our students each school day that can sometimes go unnoticed and underappreciated. Thank you to our Teacher Appreciation Chairs, Julie Albachiaro and Angela Nolan for making this event happen.

PTSO was also able to treat our amazing Guidance Counselors to lunch from Hungry Pants during Guidance Counselor Appreciation Week. We loved being able to allow them to enjoy lunch for all they also do for our students, day in and day out.

Additionally, we had another successful Blood Drive! Thank you to our Sophomore Committee Chairs for organizing and passing out snacks to those students who were brave and kind and donated blood.

We have our final PTSO General Meeting of the year, Tuesday, May 10th at 6:00pm. We will be voting on our Executive Board for the 2022-2023 School year. We would love for you to join us!

When I became your PTSO President for the first time, the summer of 2020, I had no idea what kind of adventures I was in for! During this time, this job has allowed me to become more flexible, understanding and patient. Our circumstances have led to many uncertainties, but I knew that if I kept our students, teachers, and administrators as my top priority all would end well. I believe that this happened, and I am thankful for everyone's patience and understanding throughout this journey.

I am incredibly thankful for having this opportunity to serve as your PTSO President for 2 years. I have loved supporting Boone High School in this way. I have met and gotten to know so many wonderful people. I am grateful for everyone who has helped me throughout this time. I have received unmeasurable support from our Administration, Teachers, Staff and the PTSO Board! They have been there for me to help make so many events come to life and helped our organization run smoothly! I have also felt the support of our entire Boone community during this time. Thank you to all the parents who have supported our events with your donations of time, talents & finances! Everything truly would not have been possible without each of you!

Also, Thank you to our fearless leader and forever supporter, Principal Dusty Johns! Not every school experiences such support and we are all grateful. And, thank you to the PTSO Executive Board from this school year! These ladies work tirelessly behind the scenes every day to keep our organization running smoothly. You may not see all that they do but they are always busy and have been so supportive of me this year. This job would not be possible without each of them:

1st Vice President – Ellis Searl * 2nd Vice President – Shelley Reardon * Treasurer – Lydia Kiser * Corresponding Secretary – Shannon Woodrow * Recording Secretary – Julie Bowyer

Congratulations to the class of 2022! You did it! Way to go!

To all our students and teachers: Finish strong and have an amazing and restful summer!!

Forever Brave,

Jessica Pullum

The Fall standings have been released for the 2021-22 FHSAA Academic Team Champions awards. Each team must have a combined GPA average of 3.0 or better in order to qualify for the awards.

In the Fall season, all 10 varsity sports teams qualified this year. Finishing in the top 10:

Girls Volleyball – 4th overall in the 7A classification and 1st in OCPS

Girls Swimming – 7th overall in the 4A classification and 1st in OCPS

Football – 10th overall in the 8A classification

A special congratulations to Boys Swimming, who finished **1st overall** in the state in the 4A classification, with a 3.73 average GPA. For winning their classification, the team will receive a commemorative plaque recognizing their achievement.

Congrats to all of our Fall sports for their accomplishments in the classroom!

Social Media Footprint and Safety

It's crucial that parents share with students the importance of their child's social media footprint and how it may impact their future. Students need to understand the network of associations to different groups and ideas that he/she has created for him/herself provides an impression of who they are that may be wrongly fabricated based on their interactions on social media platforms (<https://www.pewresearch.org/internet/2011/11/09/part-4-the-role-of-parents-in-digital-safekeeping-and-advice-giving>).

Teenagers may react impulsively in the moment when they are upset or stressed and post items that they regret afterwards. They need to understand that every time they like, comment on or share something on a friend or group's page it has been recorded and used. Employers, college recruiters and/or military service recruiters may create an opinion based on their social media interactions. The question is; is it a positive or negative opinion being made of the individual and how is this opinion impacting his/her future?

Many employers may check an individual's social media accounts to have a better understanding of your personal character and what role you may play in their organization. An individual may be denied a job as a result of social media postings that reflect inappropriate photos, illegal drug use, racist or sexist comments, and/or talking poorly of other colleagues and/or supervisors (<https://blog.digitalmarketingjobs.com/social-media-footprint/>).

Parents can assist their children with creating a positive social media footprint. Here are a few tips to help guide your child, and strengthen communication:

1. Open discussion about ways to use their internet and cell phone safety.
 - a. Discussion needs to reflect on potential predators and how poor choices on social media platforms may negatively impact them.
 - b. Clearly explain to them how their choices may impact their relationships, job opportunities and/or post-secondary options.
2. Check what websites your child has visited.
 - a. Ask questions and have an open dialogue about why they are visiting these sites.
 - b. Do not make assumptions about the sites before allowing him/her to share why they are visiting the site. This could be a beautiful opportunity to share among one another and strengthen communication with your child.
3. Use parental controls to restrict your child's use of his/her cell phone if needed. As a parent, if you feel your child is spending too much time on social media platforms, time restrictions may be needed.
