For The Parents, Staff, Students & Community Of Boone High School

Brought To You By The PTSA

Principal's Message

Dear Parents & Friends of Boone High School,

Happy New Year, Boone Braves! 2019 was a tremendous year for our school and community. I am so proud of our teachers and students for their work last year, earning Boone another "A" school rating from the Department of Education. We look forward to continuing our climb in 2020 to becoming the top producer of successful students in the district, state, and eventually the nation.

Boone High School graduates boast one of the top post-secondary success rates of all Central Florida high schools. I am convinced this is overwhelmingly due to the experience our students receive in the rigorous coursework opportunities provided to them. At Boone High School we offer courses that allow students to push themselves academically, while preparing them with the skills and strategies needed to be successful in both AP and traditional coursework. We encourage all students to challenge themselves scholastically and offer an open-door policy to student enrollment in AP courses. Here are some key facts about AP enrollment at William R. Boone High School:

- Over 1,400 students are currently enrolled in at least one AP course at Boone High School.
- More than 2,500 AP courses are currently being taken by Boone High School students.
- Last year over 1,500 AP exams were taken and passed by Boone High School students, making it the most successful year of AP examination in Boone's history.
- 37% of Boone High School's AP courses recorded a double-digit pass increase last year.

Congratulations to Mrs. Kathleen Carroll, our Boone High School 2018-2020 Teacher of the Year – what a deserving candidate. Mrs. Carroll truly has a heart for students and seeing them reach their academic potential. She works hard to build and maintain positive relationships with her students. With creativity, innovation, and great talent, Kathleen is able to take a very abstract subject and bring it within grasp of even the most struggling learner. Her mission is success for every student. As a teammate, Kathleen is kind, witty, energetic, and makes everyone feel welcome in her department. Kathleen is a great teacher and a data queen. She is always thinking of better ways of teaching a concept and implementing them in her classroom. Mrs. Carroll also really knows how to break down the data into subgroups so it is easier to read and more useful for her and her team of Algebra teachers in which she leads.

Congratulations are also in order for our Support Person of the Year, Jaime Hernandez. Mr. Hernandez is our custodian resident who opens the school each morning and works throughout the student day. Jaime has a heart of gold and a deep love for Boone. He goes above and beyond when he is asked to do any task, even if it includes coming in early or staying late. He is always working to make our campus look amazing. When you ask Jaime to help you with a task, you know it will be done right. He is highly dedicated to Boone and has earned a great deal of respect and admiration from the faculty and staff. Jaime is hard-working and takes pride in his campus. He is kind, compassionate, and willing to go above and beyond. He quickly assists teachers in need, even when it requires him to pause his own tasks, without a whisper of complaint. Jaime is humble and does not seek accolades; he simply has a heart to serve others.

Construction continues on campus with the building of our new gym. If you've driven on Mills lately, you've seen the progress. A final home athletic event in our current gymnasium will take place on Wednesday, March 11th with the boys' volleyball junior varsity and varsity squads taking on Windermere. Principal's Message continues...

Association will celebrate this occasion with some special activities that will be announced on social media as that date gets closer.

We look forward to the opening of the new Wayne Rickman Gymnasium for the 2020-21 school year and will be holding a special event to commemorate this during the girls' volleyball season and their first home game.

We are so grateful to our taxpayers for showing OCPS such great support over the years in voting to approve the half-cent sales tax and renew the 1 mill property tax. These are the funds which were used for building our new auditorium and gymnasium opening this summer. I would also like to thank the BHSAA and all of our community members and businesses that have donated to make the "Revive the Tribe" campaign a success. This project has been the first of its kind in Central Florida and possibly the state.

As we begin our journey into a new year, communication will be key to our success. Please visit our website at www.boonehs.ocps.net for all things "Boone Braves". Here you can subscribe to our weekly newsletter "Totem Talk", find links to other helpful forums such as the websites for the Boone Foundation, BHSAA, the Trading Post, PTSO, and gain access to our Facebook and Twitter pages. We are preparing for an extremely busy spring and these resources will be key to staying up to date every step of the way.

Forever Brave,
Dusty Johns

Student Services

Financial Aid Information:

This is a critical time of year for our seniors seeking Financial Aid support for college. The FAFSA application is a necessary step so that students can get loans, grants, and scholarships to help pay for college. All students were given the opportunity to complete the student portion of the FAFSA in class. If you need further assistance in completing the FAFSA, please do not hesitate to visit the College and Career Center here at Boone High School. Students who fully complete their FAFSA application will be entered into a drawing to win one of seven baskets that includes a free yearbook and a free prom ticket, Boone gear and candy. One student who completes his or her FAFSA application will win a laptop! *All seniors must have a social security number on file to ensure applications are linked correctly to Florida Bright Futures and FAFSA applications. If you are uncertain if your number is in our system, stop by Student Services.

Bright Futures Scholarships:

All seniors were given the opportunity to complete their bright futures application through their English class. Your student created an account on the Florida Bright Futures website and filled out the application. They can visit www.floridastudentfinancialaid.org to view their award status or to complete their application if they missed the session.

Valencia Dual Enrollment Students:

Applications open January 27th! The deadline to apply to Valencia Dual Enrollment is March 3rd and the testing deadline is April 13th. Students should check the Valencia dual enrollment website for eligibility requirements. <http://valenciacollege.edu/dual/>

Magnet Program:

The Magnet application window will close on February 15, 2020. Please be sure to meet this deadline by submitting your application via: www.schoolchoice.ocps.net. Parents should receive notification of their student's Magnet status via email.

All Seniors:

We would like to recognize your accomplishments! Please bring in all college letters of acceptance and scholarship offers to Mrs. Cullen in College and Career. Seniors who receive scholarships (whether they plan to use them or not) will be recognized in a slideshow at graduation and at Senior Awards Night. Students must bring documentation of the scholarship.

Valedictorian/Salutatorian:

Beginning with the class of 2020-2021, schools will only have one Valedictorian and one Salutatorian. The Valedictorian and Salutatorian will be the students who hold the highest weighted GPA based on the courses taken through the first seven (7) semesters of their high school coursework. Course taken in middle school for high school credit as well as any online courses or any dual enrollment courses will be included in these calculations. The Valedictorian will be the one student with the highest weighted GPA. The Salutatorian will be the student with the second highest weighted GPA. If two or more students have identical GPA when calculated to the third decimal place, all students with identical GPA will be recognized.

Graduation:

The Graduation date for the Senior Class of 2020 will be held on May 23, 2020 at 7:30 pm in the UCF Addition Financial Arena. More details pertaining to tickets and parking will be announced later in the spring.

Course Request For Next School Year:

Starting in February and going into March, students will be meeting with the counselors to input their course requests for next school year. Course request forms are grade-specific and will be distributed by your students' English teacher a few days prior to their registration day to allow them to have the opportunity to discuss their selections with you. If your student is unsure of the next level they need of a course, we recommend they speak with their current teacher(s) to get their input on proper placement. Course request forms are to be signed by the student and parent/guardian before being entered into the Skyward system. Students do not need to make an additional appointment with their counselor to discuss their selections as each student will have an opportunity to sit down with their counselor one on one during their allotted registration day. If your student is absent during the day their English class is set to go to Student Services, it is recommended that they email their counselor to find another available time.

PTSO

Dear Boone Families, Happy New Year!

First off, I would like to say thank each of you who helped support our students, faculty and staff in 2019. Our Boone Community is like no other because of the generous support of our parents. I am so proud to be a part of this amazing school and enjoy working with each of you.

In October, PTSO hosted a Tailgate Lunch for our incredible faculty and staff headed up by our Teacher Appreciation Committee (Polly Flint, Gerri Padron, Beth Seabrook and Julie Chamberlin). The PTSO Junior Class Committee (Debbie Bullock, Allston Ball, Suzanne Tagman, Ellis Searl, and Darcie Griffin) assisted the Junior class with our Homecoming dance which was well attended and enjoyed by the students. We would like to thank Mrs. Rodriguez, the Junior class SGA, and all the parent volunteers for their dedication and hard work. Each class committee hosted a Class Dinner before the Homecoming Dance. Thank you to the parents who opened their homes and hosted and to the parents who volunteered. The students had a wonderful time and got to make great memories with their peers. In November, the Hospitality Committee (Erin Summer and Melissa Ramb) assisted with Teach-In by providing snacks and beverages to our amazing guest speakers.

During November and December, the holidays kept us all very busy. During this season, the Braves Bounty (Sarah Doherty and Carolyn Ward) and Kemosabe Kloset (Tracy Losch and Amy Bhavsar) teams created lasting relationships and made many wishes come true. Braves Bounty provided Thanksgiving and Holiday Meal Bags to many needy students and their families. The Kemosabe Kloset provided gifts to over one hundred students during our Holly Jolly Holiday Event. Thank you to the volunteers that give tirelessly to these Brave students and families. I am humbled and reminded of how wonderful and generous our Boone Community is during the holiday season. The Senior Breakfast was enjoyed by all thanks to the Senior Class and the PTSO Senior Activities Committee (Charmon Shuford, Jackie Candelaria, Christina Krantz, Shannon Woodrow, Stacey Dalton). Nothing gets you into the holiday spirit like Mr. Johns dressed as Santa!

The Sophomore Activities Committee (Betty Tehrani, Julie Whittaker, Jenna Stallard, Karen Evans and Dawn Herron) helped with the Honors Breakfast where over 700 of our Brave Students were invited. Thank you again for your contributions of food items and time as these events wouldn't be possible without your generosity. In December, our Teacher Appreciation committee hosted our annual Christmas Luncheon for the faculty and staff catered by

Olive Garden and all desserts were provided by our parent volunteers. Thank you to everyone who donated home-made baked goods and volunteered. We cannot thank our faculty and staff enough for all the wonderful things they do!

There are many more events we have planned in the months to come including Prom, Teacher Appreciation, Blood Drives, Baccalaureate, Senior Olympics and Graduation. If you would like to volunteer, we would love to have you! All volunteer opportunities are posted on our PTSO Facebook pages and emailed out to contacts on our mailing list. If you would like to be notified of volunteer opportunities and receive school updates via email, please sign up at <https://facebook.us13.list-manage.com/subscribe?u=9536df14420742255fb63f7f0&id=69d2aab4af>. All incoming Freshman parents are encouraged to get plugged in now and may do so using this link. Sign up under Class of 2024 and you will begin receiving information from Boone High School PTSO. You can also follow us on Facebook at Boone Braves and on the page just for Freshman, Boone Braves 2024.

Please follow our BHS PTSO Calendar which includes sporting, drama, chorus, band, fundraising and all public meetings and events. You may view this calendar and even add it to your own personal calendar or home screen by using the link: https://calendar.google.com/calendar/embed?src=boonebravespts@gmail.com&ctz=America/New_York&pli=1.

Show your Boone spirit by purchasing a "WE ARE BOONE" or "Home of a 2020 Boone High Senior" yard sign! They are \$15.00 and are available in the front office during school hours. Grade level magnets are also available for purchase for each graduating year and are \$5 each. "HOME OF A BHS 2020 GRADUATE" yard signs will be coming soon. Please visit BoonePTSO.com to purchase your yard signs. All merchandise is available for pick up at the BHS Front Desk the Wednesday following your completed purchase.

Lastly, the PTSO Nominating Committee is actively looking for people to serve as officers and committee chairs for 2020-2021. This is an opportunity for you to connect with the school, students, teachers and staff. If you are interested in serving next year, please contact Jessica Pullum at BooneHighSchoolBraves@gmail.com. Thank you for your support and dedication to our school and I look forward to seeing you on campus!

Braves Bounty

1 in 5 children go to bed hungry every night in Central Florida. The Braves Bounty, an on-campus resource center, gives our Braves food and supplies so they can be successful in school. These resources are available from the Bounty:

- Snack bags- available at the front desks in Guidance and the Main Office
- Groceries- discreetly packaged meal kits to take home (stop by the front office after school to pick one up)
- Toiletries- including feminine products, dental care and deodorant available at the Main Office
- School supplies- available through Guidance Counselors or Ms. Poffenberger

Donations via school pay are very much appreciated and every penny goes to filling our pantry. Please consider food donations and gift card donations (Publix, Walmart, Target) to keep our supplies stocked.

Please contact Sarah Doherty or Carolyn Ward at BravesBounty@gmail.com with any questions.

Thanks to your donations, the Bounty provided "stockings" full of toiletries, socks, and candy to 150 students during the Holly Jolly celebration in December!

Speak Up For Students

The Boone High School community of students, teachers, parents, family, and alumni has a strong tradition of advocating for our public schools. If you are new to Boone we hope you will join us and add your voice!

Most of the policies that impact our students and professional educators are decided in Tallahassee. The state legislature determines our school funding, testing policies and graduation requirements. The 2019 Legislative Session saw a small increase in per pupil funding but Florida still lags the nation in investing in students and supporting teacher salaries. Additionally, they passed a law that will funnel tax dollars to privately owned schools with zero accountability or oversight.

The Florida Legislature will convene January 14th to begin passing new laws and a new budget during the 2020 Legislative Session. They are expected to tackle the issue of Florida's teacher pay this session. Watch the **Boone Braves Facebook** (<https://www.facebook.com/groups/385408631513786/>) group for easy ways you can speak up for our kids and teachers. This is a big election year so make sure you are registered to vote at your current address. You (and your student) may register online at RegisterToVoteFlorida.gov.
