For The Parents, Staff, Students & Community Of Boone High School

Brought To You By The PTSA

Principal's Message

Dear Braves,

I hope this letter finds you safe, healthy, and hopeful for a great 2020-21 school year! This is typically the letter in which I brag about all of the great academic accomplishments we were able to reach in the prior year, but due to Covid-19, we have very little outcomes to share. In some ways, it was nice for our students and staff not to have the pressures of standardized testing for a year. On the other hand, due to our competitive nature, we were looking forward seeing how our hard work stacked up against the competition. Our AP students were able to salvage their opportunity to earn college level credit through online testing and by the time you're reading this letter, I'm sure we will be celebrating supreme outcomes as usual! Even with the adversity we were faced with last year, I stand so proud of how our community bound together and in many ways are still doing so.

What's new for 2020-21 you ask? Mark your calendars for our "Sneak Peek" event on August 5 at 4pm as we unveil our newest version of our Wayne Rickman Gymnasium! I must say that this building is a work of art, and Linda Kobert and I look forward to celebrating this new building with our community. Did I mention that this is our last phase of construction? It's been quite a journey to work through, but I am so happy to report that the end is near and by October, we should be completely done with our projects. Over my five years of service as the "Proud Principal of Boone High School" we have completed the following together:

- Built a new Performing Arts Center
- Built a new Gymnasium
- Renovated the McCoy Federal Credit Union Athletic Complex to a state-of-the-art turf field with a collegiate level rubberized track.
- Given our weight room a competition-level makeover
- Renovated all academic buildings in the way of HVAC systems, new roofs, ceilings, paint, and more
- Converted our old gymnasium into a dynamic cafeteria space so all students can safely eat indoors
- Fenced our property lines in the name of student and staff safety
- Ensured that we are also on track to add lights to our baseball field, upgrade the lights on our football field, and re-grade our softball field to improve drainage

As we look to the future of what we hope to be a school year with less surprises and more normalcy, we certainly recognize that this may not be the case. Either way, we will continue to be resilient and take it one day at a time. As I write this letter, we have yet to receive guidance on just what our re-entry to the school year will look like. However, I find peace in the fact that no matter the plan, we will thrive as a community. Tough times don't last, tough people do, tough Braves do, and that's us.

Forever Brave,
Mr. Johns

Our Mission Statement

The mission of William R. Boone High School is to promote a safe learning environment with intense focus on student achievement. With the support and involvement of faculty and family, the school community strives to prepare all students to think critically, act responsibly, and perform successfully in a technological and multicultural society.

Vision

By working together, we will strive to inspire life-long learning and curiosity within and beyond the classroom.

Beliefs

We believe all students should have a respectful, safe, and nurturing environment.

- We believe in setting high expectations for all students to reach their greatest potential.
- We believe all students should experience a meaningful, rigorous curriculum delivered through strategic instruction.
- We believe students should be challenged and prepared for a changing global society and equipped with 21st century skills.
- We believe that as a staff we should foster a positive, supportive, and collegial working environment.

PTSO Message

Dear Boone Family,

I hope you are all enjoying a relaxing summer and some extended time with your families. My name is Jessica Pullum and I am honored and humbled to serve as your PTSO President this year. I have thoroughly enjoyed working on the PTSO Board with such amazing leaders for the past 3 years, and I look forward to serving you all again this year as President.

My husband, Rick, and I graduated from Boone in 1995 and attended Florida State University. After being raised in this incredible community, it was never a question for us whether or not we would move back here to raise our family. We have three children: Mason is a Senior, Andrew is a Freshman, and Elle is a 6th grader at Blankner. Our family has already benefited so much from being a part of this Boone family and I am very thankful to be able to give back in this way.

Boone is a special place. Second to no other high school in Orange County because our parents, students, teachers and staff are the absolute BEST and all work together. Boone would not be what it is without each and every one of you, so thank you!!

I would like to introduce to you our PTSO Executive Board for the 2020-2021 School Year:

President – Jessica Pullum
1st VP of Communications – Shelley Reardon
2nd VP of Ways and Means – Amy Bhavsar
Treasurer – Lydia Kiser
Recording Secretary – Julie Bowyer
Corresponding Secretary – Shannon Woodrow

You are in incredible hands and we all can't wait to help and serve you this year!

As President, I would first, encourage all of you to become a member of PTSO. As a member, you will be informed of all of our events and the school's events throughout the year from emails and our Facebook pages. You will also be supporting our organization, which is able to use 100% of the money generated from memberships to directly support Boone teachers, staff, and students. Throughout the year we host multiple lunches for teachers and staff. We support students by helping with Kemosabe Kiosket, Braves Bounty, blood drives, class level activities, honors breakfast, senior breakfast and graduation celebrations. We also give at least two \$500 scholarships at the end of the year to Seniors who are PTSO members. To help support and volunteer for all of these wonderful programs you can join as an individual or as a family either by using the form contained in this newsletter or online at booneptso.com. We would greatly appreciate your support and involvement!

Also, to stay involved, please sign up to receive our emails at <http://eepurl.com/b7gH9j>

Finally, please follow us on Facebook. This is the absolute best way to not miss a thing. Follow Boone Braves PTSO and your students' class page. There is one for each graduating class. It is my hope that we will all get to come back to school in August with energy and excitement like never before. No matter what happens, though, we will do it together and we will do it as Braves. I can't wait to enjoy the 2020-2021 School Year with each of you! Please don't ever hesitate to reach out to me or any of our officers if you ever have any questions.

We are here for you!
Forever Brave,

Jessica Pullum

PTSO Scholarship:

The Boone PTSO Scholarship committee for 2020 is honored to announce the winners of our two \$500 scholarships:

Each year we encourage graduating Seniors to apply for two of our \$500 scholarships. The PTSO Scholarship committee choose two Seniors based on their involvement in PTSO, their extracurricular activities at school and an essay. Each winner must be a member of Boone PTSO, so we encourage all students, but especially our Seniors, to join PTSO and apply for these scholarships in the Spring. This year the scholarship winners were chosen based on their essay explaining what they see as Boone's biggest need for students, teachers and staff and what they would do about it.

News from Student Services

Welcome back Braves! A special welcome goes out to the Class of 2024, as well as all students and families new to William R. Boone High School. We have an exciting new school year ahead of us and to increase the success it can bring, you need to begin the year prepared and possessing a positive focus. The Student Services Department (Guidance) is committed to helping all students maximize their potential. The world beyond high school, whether it is college, work, technical school, military, or any other endeavor is extremely competitive.

As we begin a new school year, we offer the following tips to assist each student and family as they strive for success.

- Attend school daily – be punctual and prepared.
- Develop a study time and place each afternoon or evening where you will not be interrupted.
- Use a planner daily. (Either electronic or paper)
- Monitor grades in each class using <https://canvas.ocps.net>
- Stay in contact with your Guidance Counselor.

If difficulties arise, parents/guardians are requested to schedule a conference with the Guidance Counselor and teachers. The earlier this is done, the easier it is for students to get back on track. Constant communication between the student, parent/guardian, teachers, and Guidance Counselor is of paramount importance. This partnership is essential to student success.

The first step a parent/guardian is requested to take when there is a classroom question or concern is to contact the individual teacher directly. If you have a feeling that something is wrong, most of the time your parental feeling is right. Call the Guidance Counselor immediately. Don't wait!

Students may request an appointment to see their Guidance Counselor. Please visit Boone's website and book an appointment online with the respective counselor.

<https://boonehs.ocps.net/guidance>

If a student has a true emergency, he or she may request to see a Guidance Counselor or the School SAFE Coordinator immediately.

Braves Bounty

1 in 6 Central Florida children go hungry every day. The Braves Bounty, an on-campus resource center, meets this need by giving our Braves food and supplies so they can be successful. These resources are available from the Bounty:

- Snack bags- available at the front desks in Guidance and the Main Office
- Groceries- discreetly packaged meal kits to take home
- Toiletries- including feminine products, dental care and deodorant available at the Main Office
- School supplies- available through Guidance Counselors or Ms. Poffenberger

Donations via school pay are very much appreciated and every penny goes to filling our pantry. Please consider food donations and gift card donations (Publix, Walmart, Target) to keep our supplies

stocked. Contact Sarah Doherty or Carolyn Ward at BravesBounty@gmail.com with any questions.

Donations of the following products can be dropped off at the front desk:

- Snack size canned tuna and chicken
- Canned pasta/ravioli
- Snack packs of crackers
- Breakfast cereals and granola bars
- Applesauce and fruit cups
- Any type of "Heat and Eat" meals that do not require refrigeration
- School supplies: folders, pens/ pencils, paper and calculators
- Toiletries: Feminine products, full sized shampoo, conditioner, deodorant, soaps, toothbrush/ toothpaste

Message to Class of 2021

Dear Class of 2021,

From the time we arrived on campus as freshmen, we have all been eagerly anticipating our senior year. Many of us have been looking forward to the memorable moments that our senior year will bring, whether it be our last homecoming or our first senior snake. With college applications just around the corner, our final year of high school is becoming a reality.

However, due to recent events, for many of us that feeling of anticipation has become a feeling of uncertainty. And for many of us, the excitement we have carried throughout our high school years has turned into doubt and worry. Although no one can promise that everything will be exactly the same when we return, I can promise that every individual in our class should be extremely proud of themselves.

In all of our years of schooling, we have worked so hard to get to this point. We have endured numerous societal and personal challenges in our lifetimes, including the recent global pandemic. Despite these unprecedented challenges, as your Senior Class President, I ask everyone to remain hopeful. Our strength is self-evident and our ability to continue through difficult times has already been proven. I encourage everyone to remember that at Boone we have a family of faculty, staff, and peers that will work with us to make our senior year memorable.

As a class we deserve our last year at William R. Boone High School to be as fulfilling as we hoped it would be. Although it will be challenging and it will be different, I promise that Student Government will continue to work hard and create ways to celebrate the class of 2021's accomplishments. Stay positive and take time to appreciate this year no matter what the circumstances may be. We are stronger together and I'm so grateful to have the opportunity to serve as your Senior Class President.

Forever Brave,
 Jessica Cannella
 Senior Class President 2021

Athletic Physicals

All paperwork related to athletic physicals will be completed digitally starting this school year. You still need to provide the paper form (EL2 only) to your physician to sign. Once the form is completed, it needs to be uploaded to your online account either by taking a picture or scanning it. For more information on how to create an account and to print the EL2, go to the Boone Athletics website. Or go to <https://athleticclearance.fhsaahome.org/> to create your account now! **Accounts must be created using a parent's email address. ALL athletes must have an account created, with updated signatures, even if their physical is still valid. There is a COVID statement that MUST be signed BEFORE any participation. This statement is a part of the digital physical packet.**

Cross Country

Boys and girls cross country tryouts are Monday - Wednesday, August 10th – 12th from 3:30 - 5:00 p.m. You must be here all three days. Be dressed and ready to run in the 700 building. Physicals must be cleared prior to tryouts so plan accordingly. Direct questions to Coach Jeffers at darcy.jeffers@ocps.net.

Questions? Email Mrs. Fitzgerald at molly.fitzgerald@ocps.net.
