VOLUME 70 ISSUE 1

For The Parents, Staff, Students & Community Of Boone High School

Brought To You By PTSO

## Principal's Message

Dear Braves,

As a new year is upon us, I would be remiss if I didn't take the time to thank this community for their tremendous and continuous support not only through the past 3 school years and all that we have persevered together, but all 7 years I have served as the "Proud Principal of Boone High School." It seems like just yesterday that I was introducing myself to the community and meeting our staff for the first time. That quickly turned into steady increases in student achievement year by year. In a blink of an eye, we pulled off quite possibly the most dynamic capital renewal campaign ever achieved in public education in the state of Florida. Performing Arts Programs thrived with dynamic teachers like Josh Jackson, Nadine Love, Alex Pollard, Stephen Cook, and Allison Dimino, just to name a few. ROTC was re-inspired by the return of Commander Strange, Senior Chief Wade, and Petty Officer Roberts. Our athletic programs have been led by some of the best coaches in the state, and hands down two of the best Athletic Directors OCPS (and possibly Florida) has ever seen. Our magnet programs, led by the legendary Bill Daniel, Jennifer Williams, and Troy Dennis, continue to attract some of the most high-interest teachers from the industry. We continue to deliver a high-impact college-level curriculum that prepares some of our most talented Braves to succeed not only in Post-Secondary education, but in all facets of life. While counselors have come and gone over the years, service and guidance to our students have always been top tier and will continue to do so.

It is true; even in the face of adversity, we have had tremendous success over the past seven years. We have endured life-changing events together that have certainly affected us all: A pandemic that seemed never ending, the Pulse Night Club shooting, Marjory Stoneman Douglas, student deaths, staff deaths, and the list goes on. What I find so unique about the community I call home, is that through it all, the support never wavered. From the largest PTSO in OCPS and the most dynamic Athletic Association in the state, to a Foundation that keeps our history alive and grounded in our roots, we are a force to be reckoned with and always will be!

We find ourselves amid more change as we progress into the 2022-23 school year... a new Superintendent, new school legislation, a new school board member, new state standards, new testing measures, and much more. As I said to the graduating class of 2022, "Adversity is coming, but rest assured Braves, you have all the tools you need to find success." It is not new to us, and we will persevere. We have been persevering through adversity since 1952 when Mr. Boone passed before ever taking office as the principal of South Orlando High School. That is what makes Boone what it is. The tradition always lives on.

Forever Brave, Mr. Johns

## Student Services

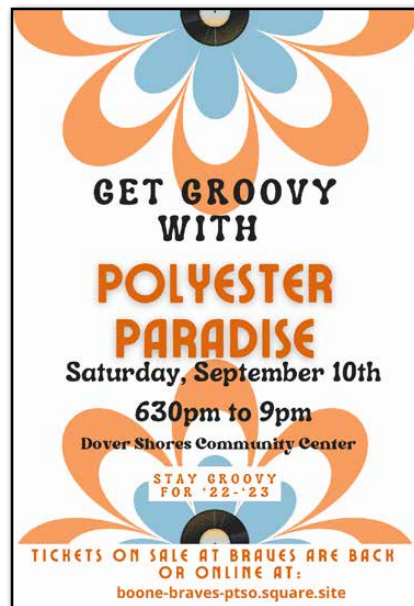

Welcome back Braves! A special welcome goes out to the Class of 2026, as well as all students and families new to William R. Boone High School. We have an exciting new school year ahead of us! To maximize the success it can bring, begin the year prepared and possessing a positive focus. The Student Services Department (Guidance) is committed to helping all students maximize their potential and work toward their college and career goals. The world beyond high school, whether it is college, work, technical school, military, or any other endeavor is extremely competitive. As we begin a new school year, we offer the following tips to assist each student and family as they strive for success.

- Attend school daily – be punctual and prepared
- Develop a study time and place each evening where you will not be interrupted
- Use a daily planner
- Monitor grades in each class using Skyward and Canvas
- Reach out to teachers directly with questions about grades
  - » They are here to help you find success, so keep the dialogue open with teachers as it relates to grading practices and ideas for improvement.

If parents have questions about specific grades and grading criteria, please log onto Canvas and Skyward with your student. Most questions relating to grading practices and specific assignments can be answered through those avenues. If difficulties arise or an understanding cannot be reached, parents/guardians should reach out to individual teachers to attempt to resolve the problem. Email address can be found on the website: <https://boonehs.ocps.net/facultystaff>

If that is not successful or additional interventions may still be needed, please reach out to Student Services to be added to our parent teacher conference schedule. Parent teacher conferences will be held one Wednesday each month, and this provides an opportunity for families to meet with their child's teachers to create an action plan for success together. Consistent communication between the student, parent/guardian, teachers, and guidance counselor is of paramount importance. This partnership is essential to student success. Counselors also utilize an appointment-based system that allows them to meet with counselors throughout the year. Students also have the opportunity to book an appointment online through the guidance webpage at any time during the year. The confirmation booking is your pass to see your guidance counselor. <https://boonehs.ocps.net/guidance>

If a student has a true emergency, he or she may request to see a Guidance Counselor, School SAFE Coordinator, or School Social Worker immediately.

Summer 22

Hello Braves Family!

I hope that you all are enjoying a relaxing summer and are resting up for a new school year packed with tradition, community support and fun. I am excited to serve as the PTSO president this year and am looking forward to all that 2022-23 holds for us. If you are a returning family, welcome back. If you are new to Boone, we are so glad that you are here and I think that you'll love being a part of our Brave family. My husband, Chirag, and I have two Brave alumni, Cade ('19), Sydney ('21) and two current Braves, Olivia (Sr.) and JP (soph). We have lived in this community for many years and love our neighborhood schools.

Boone High School's PTSO is open to all parents, students, family members and community supporters. Our purpose is to support the administration, faculty, staff and students through volunteerism, communication and funding. I strongly encourage you to join the PTSO this year. There are several options for membership, and all membership fees go directly back to our school. PTSO Memberships can be found at [boonebravesptso.com](http://boonebravesptso.com) and there is also a paper form included in this newsletter. Teacher and staff lunches, celebratory breakfasts for students, Polyester Paradise welcome dance, scholarship opportunities for seniors, a clothes closet and food pantry, grade level activities, clinic, and many hours of volunteer time are just a few of the ways that PTSO supports Boone.

If you haven't already done so, please join the Boone Braves PTSO Facebook page. There is also a Facebook page for each class-Boone Braves 2023, '24, '25, and '26. This is the best way to stay up to date on all the activities, events and news happening at Boone. There are several times throughout the year that parent volunteers and donations are needed and signups will always be posted to social media. Please join us!

PTSO is going to hit the ground running as we continue to return to pre-pandemic traditions and activities. Be sure to look for more information in this newsletter about these opportunities:

Parent Mixers-a great time for parents to gather and meet new friends and reconnect with long time friends. Additional details will be posted on the class Facebook page.

Polyester Paradise-It's going to be a groovy good time! Affectionately known as "Poly," this 70's themed dance is a welcome back tradition at Boone.

Braves Are Back is back in person this year! It's one stop shopping for everything your Brave needs to start the school year...schedules, student IDs, and lockers as well as an opportunity to join PTSO, purchase tickets to Polyester Paradise, yard signs, class magnets, and more.

The start of the school year can be overwhelming, especially for freshmen, so if you have any questions, please feel free to reach out to me at [boonehighschoolbraves@gmail.com](mailto:boonehighschoolbraves@gmail.com).

Please plan to attend the first PTSO General Meeting on Tuesday, September 20 at 6pm in the Media Center.

Wishing you a wonderful rest of the summer! Forever Brave!

## Fellowship of Christian Athletes

We hope that you all are enjoying a relaxing and fun summer! The Captains and Board of FCA are excited to welcome you to another great year of FCA on Boone's campus. The theme verses for this year are Romans 8:37-39 "For I am convinced that neither death nor life, neither angels nor demons, [a] neither the present nor the future, nor any powers, 39 neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord."

As we start the school year, it is so encouraging to know that nothing can separate us from God's love – He loves us no matter what!

We hope that your Brave will join us throughout the year for fun and fellowship.

FCA monthly Huddles, held on Mondays, are a casual time of live worship music, games, food, and awesome speakers. Bible Study is also once a month and is a smaller gathering focusing on learning and discussion. In addition to these two monthly meetings, there is Prayer at the Pole every Wednesday before school, various service projects and many other fun activities throughout the year. To stay up to date on everything FCA, students can text @boonefca22 to 81010 and parents can like our Boone High School FCA Parent Facebook page.

ALL Braves are welcome at ALL events; you do not have to be an athlete to participate! Boone's FCA is a group of friendly, fun-loving kids who follow Jesus and represent many facets of BHS including athletics, academics and the arts! If your Brave has questions or would like to get involved, they (or you!) may email FCABoone@gmail.com or to one of the Senior Captains – Jensen Seidl, Carson Wright or Olivia Bhavsar.

## Braves Bounty

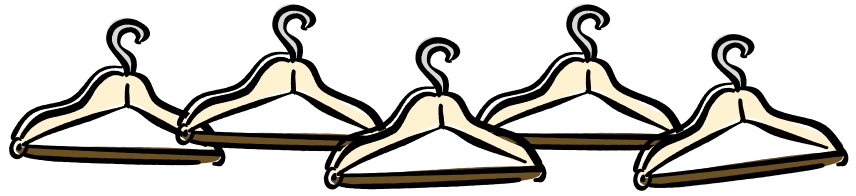

The Braves Bounty supplies snacks and groceries for students and their families. One in six Central Florida children go hungry every day and we want our Braves to have everything they need to be successful.

Let your students know that resources are available to them here on campus:

- **Snack bags**- available at the front desk in the Main Office and Guidance
- **Groceries**- discreetly packaged in plain brown bags available daily at the Main Office and can be picked up after school
- **Toiletries, including feminine products, dental care, hair care and soap**- available through guidance counselors
- **School supplies**- available through guidance counselors

If you would like to donate to the Braves Bounty, we accept monetary donations via SchoolPay.com or checks made out to Boone High School, and marked "Braves Bounty donation" on the memo line. Your generous donations allow us to shop for specific items that families need. Food donations are accepted at the front desk. We accept individually wrapped cheese/peanut butter crackers, breakfast/granola bars, individual fruit cups, packs of tuna/chicken salad with crackers, peanut butter, jelly, and pop top ravioli/spaghetti.

If you wish to run a food drive for the Braves Bounty or have any questions, please contact Sarah Doherty or Carolyn Ward at BooneBraves-Bounty@gmail.com.

## Kemosabe Kloset

Boone High School is incredibly grateful to everyone that helped support our Braves in need this year! In spite of all of the challenges, our community rose to the occasion and provided holiday cheer to nearly 100 Braves in December through the Kemosabe Kloset. The Kloset also provided caps and gowns to more than 50 graduating seniors. These two events are just the highlights of the year – our guidance counselors utilize the Kemosabe Kloset every day to provide Braves with clothing and hygiene items as well as school supplies.

Here's how you can help us continue to provide these blessings in the 2022-23 school year.

- **NEW black (or neutral colored - gray, navy) backpacks** are our biggest need as students head back to class in the fall. Backpacks may be dropped off at the front desk anytime this summer.
- The Kemosabe Kloset accepts washed, gently used, stain free, student appropriate clothing. Any items not meeting this criteria may be dropped off in the donation box located in the visitor lot near the bike rack at any time. Our school also benefits from these donations. If you have clothing donations, please hold on to them until the first Friday in August.
- Monetary donations are always welcome to fill specific needs that are not readily available in the Kloset. You may donate directly to the Kemosabe Kloset on schoolpay.com or by mailing/dropping a check off at the BHS front office.
- Brave Alumni – please consider donating your cap (keep your tassell!), gown and stole so that a future graduate will have the ensemble needed to walk in their graduation ceremony.
- Please use the following Amazon link for an easy way to purchase much needed items and have them sent directly to the school.  
<https://www.amazon.com/registries/custom/1G0FXBV2IP9GY/guest-view>

Thank you again for supporting the Kemosabe Kloset! Your support makes a big difference in the lives of our Braves!

  - Vehicle Information (up-to-date vehicle plate number, year, make, model, & color)
3. You must have your obligations cleared by the media center. Do this by Wednesday, July 27th to ensure you will be able to get your decal at Braves are Back on Thursday, July 28th. Any student who does not have cleared obligations **WILL NOT** be able to receive a parking decal until they are cleared.
4. For *Braves are Back* you will need to bring the following:

  - Use of SchoolPay does not guarantee a parking spot.
  - Items will be available by July 12th to ensure the rollover for the new fiscal year.
6. If you will be driving multiple vehicles, you must complete the above process for each vehicle. Contact Mrs. Stilwell about payment process for the second vehicle.
  7. At Braves are Back on Thursday, July 28th the student, or a family member over the age of 21, may pick up the decal. The family member must bring a valid ID and all items listed in item #4.

2. You will need to complete an additional Google Form which can be found at <https://tinyurl.com/22-23SeniorPaintingBHS>
3. This form will open on Tuesday, July 12th at 10am. It has specific instructions about personalizing your space, acknowledgement of requirements and guidelines, and it is where you will upload your design. Your design must be approved and this needs to be completed by Wednesday, August 3rd. You will need to bring your signed personalization contract with you on the painting day.
4. Parking Space Personalization will be on Saturday, August 13, 2022 from 7:30am - 11:30am for Seniors who purchased these specific spaces.

6. We will provide some paint, mainly school colors (orange, white, light blue, dark blue, gray, and black) Paint is first come, first serve until we run out. You can use other colors, but the paint must be the specific type that is listed on the contract.

# Senior Class Message

Dear Class of 2023,

It's hard to believe, but our senior year has now arrived. After a hectic first two years of high school, we started to see normalcy this past year at Boone, preparing us for an even more memorable senior year. It feels like just yesterday when we were lost and confused freshmen navigating what it's like to be a high schooler.

I hope you all had a great summer, getting ready for a highly anticipated year ahead. This being our final year as Boone Braves, I encourage everyone to step out of your comfort zone and participate in school events one last time. We are now the leaders on campus setting an example for the young underclassmen who are stepping into the shoes that we once wore.

I am excited to announce that our very own Student Government Association has already started planning events for this school year including activities leading up to Prom, Homecoming, Rush Week, our annual parade, dress up days, senior class traditions, and much more. We are more than thrilled to have the opportunity to help make these events more than special. I urge you all to join our Senior Class Council that your Senior Class Officers will advertise during Rush Week. Joining this council means that you get to help us plan events first hand and have inside access to everything we do in Student Government.

Every year the Senior Class is in charge of our schoolwide Blood Drive that helps provide aid to our local communities. During lunches, we are responsible for helping students sign up to donate and save a life through the Big Red Buses that visit our school.

We will also have Senior Class shirts for sale, so we encourage everyone to purchase them and show their school spirit by repping the class of 2023! Stay tuned for more information on t-shirts through our social media pages!

Though this next year may feel like one door closing, it also is another door opening, and the start of the rest of our lives. Whatever path life takes us, we will always be forever Brave, so let's make it a great one!

Best Regards,

Avery Searl, *Senior Class President*
