SEAHAWK TALK

Principal's Message

Seahawk Family,

Well Seahawks, we are officially through the 1st semester and looking forward to a strong second half of the 2023-24 school year. There are so many amazing things to highlight. I am proud to announce that Coach Robert Berkey (Cross Country) and Diane Kimble (Girls Swim) were named News-Press Coaches of the Year in their respective sports. Our Boys and Girls JROTC Raider Teams made it to the State Finals in their competition for the 1st time in school history.

We had several student-athletes named to the News-Press Fall All Region teams in their sport as well: Randy Ayala and Daniel Lynn in Boys Bowling

- Brooke Pabst and Paige Williams in Girls Bowling
- Jake Jacoby in Boys Cross Country Riley McFarland in Girls Cross Country Hayden Tedhams in Boys Swimming
- Emma Best and Melissa Blaine in Girls Swimming

As we move into the 2nd semester, it is important to share a few reminders:

- **Attendance** is so important when it comes to success in the classroom. We are encouraging parents and students to make this semester a priority when it comes to being on time and present every day!
- **Grades:** Parents, are you working with your child weekly on monitoring grades and assignments? Your child is never too old to show you their grades on a weekly basis. It is important to maintain an open dialogue with teachers. They are always here to help your child succeed.
- **Seniors**, you are almost to the pinnacle of your K-12 experience! There are so many things coming up this semester; it is very important to pay attention to your 2024 Google Class folder for important dates and events coming up.

I hope that 2024 brings many blessing and wonderful times for everyone. On behalf of the amazing staff at Cape Coral High School, thank you for your continued support. We are all in this together.

1. The FAFSA is a free application for Federal Student Aid that is used to determine students' eligibility for post-secondary financial aid. We encourage all of our seniors to complete this application to see if they qualify for financial assistance to help pay for college or a technical program. The website is: <https://fafsa.gov/> The Florida Department of Education, Office of Student Financial Assistance (OSFA), administers a variety of state-funded grants and scholarships to assist Florida residents with the cost of their postsecondary education. This Florida Financial Aid Application (FFAA) can be submitted at: <http://www.floridastudentfinancialaid.org/SSFAD/home/uamain.htm>
2. Completing this application serves several purposes, including applying for all the various levels of the Bright Futures Scholarship. For more information regarding each respective level and its requirements please go to: <https://www.floridastudentfinancialaidsg.org/SAPBFMAIN/SAPBFMAIN>
Students need to attain a certain GPA, SAT/ACT test scores, and work hours/community service hours to qualify for the various levels of the Bright Futures Scholarship. They should meet with their school counselor to discuss submitting hours.

The FAFSA became available December 31st and the FFAA application opened October 1st. Please reach out to your student's school counselor if you have any questions or concerns.

Did you know that you can earn college credits while you are in high school? Qualified high school students can earn college credits to fulfill high school graduation requirements. These same credits can be used toward an Associate of Arts or Associate of Science degree at Florida SouthWestern State College. You can do all of this without paying for the courses yourself! Dual enrollment registration for the Fall 2024 semester opens in March. Students interested in qualifying for dual enrollment should reach out to their school counselor as soon as possible to make sure they qualify in time for registration.
