A MESSAGE FROM PRINCIPAL DR. TOM HARMAS

The colors of the leaves remind us of the ever-changing season, and as the leaves begin to fall, we too are planning for changes at Carmel High School. Over the past several months we have worked with architects to make changes in our building to better meet the needs of our students and staff. As we move into second semester, construction will begin in the Student Services, Health Clinic, Counseling, and Athletics/Activities areas. Due to the construction that will last through the summer, it is necessary to move several offices and close the Door 4 entrance.

When we return from winter break in January:

- All 10-12th grade student pick-up and drop-offs between 7:50 and 2:50 will be at the circle drive at Door 21 (Natatorium). Both attendance secretaries, Mrs. Remble and Mrs. Huntington, will be welcoming students using the same sign-in/sign-out process we currently use at our existing attendance window. Due to busses picking up students after school, any student pick-up/drop-off between 2:50-3:05 should be made at Door 13 (Freshman Center).
- Students who are meeting with Assistant Principal, Ms. Maureen Borto, will find her office at Door 21.
- Students and parents will be able to find the rest of the Student Services team (AP Mrs. McDaniel, AP Mrs. Wiseman, AP Mr. Steele, Mrs. Winters, and Mrs. McGuire) inside of the current Activities/Athletic office. These offices will be accessed through Door 2 (the main office entrance).
- The Athletic Offices will move to classroom G108 just outside of the Varsity Gym by Greyhound Station. These offices will be accessed through Door 2 (the main office entrance).
- The Heath Center will continue to operate in its current location during construction and can be accessed through Door 2 (the main office entrance).

These changes will be in place through the remainder of the school year with all construction scheduled to be complete by the start of next school year.

OFFICE	NEW LOCATION	HOW TO ACCESS
Activities	Remains in current location	Door 2 (Main Office)
Athletics	G108 (classroom near Varsity Gym/Greyhound Station)	Door 2 (Main Office)
Attendance	Door 21 (Natatorium)	Door 21 (Natatorium)
Heath Center	Remains in current location	Door 2 (Main Office)
Student Services	Current Athletics/Activities Office	Door 2 (Main Office)
All 10th-12th grade student pick-up and drop-off between 7:50-2:50 will be at the circle drive at Door 21 (Natatorium)		

We know it will take a while to adjust to these changes and we appreciate everyone's patience. We are excited for these updates and feel confident the newly renovated areas will enhance all we do at Carmel High School.

I want to thank the PTO for another wonderful Homecoming Dance and I wish all of you a Happy Thanksgiving.

Tom Harmas, *Principal*

2ND SEMESTER SCHEDULE CHANGE REQUESTS

Now through the first week of second semester counselors are working with students to plan for any changes to their second semester schedules which were necessary because of first semester failures or teacher recommendations. If you are considering a request for a change to your student's schedule for reasons other than failing a class or following a recommendation made by a teacher, please be sure to check the information about schedule changes found in your student's *Pathways* beginning on page 26. If you have any questions, please contact your student's counselor.

MID-YEAR TRANSCRIPTS

There are often occasions when a college/university requests that you send them a mid-year or 7th semester transcript. This might include the following scenarios:

1. You applied to a Common Application college which requires a mid-year report.
2. Your admission decision was deferred until the college receives a 7th semester transcript.
3. You applied to a college with a regular admissions deadline in January or February and your 7th semester GPA would be beneficial to your application.

If any of these scenarios pertain to you or you need a 7th semester transcript sent for a different reason, please follow the directions below:

- **Common Application Schools:** Counselors will send out a mid-year school report and 7th semester transcript to all Common App colleges in which you have applied. There is no need to request a mid-year transcript for these Common App schools.
- **Non-Common Application Schools:** If you need a mid-year/7th semester transcript for any other reason, please email your counselor with the following information:
 - » Name of College
 - » Deadline for Submission
 - » Reason for Transcript Request (eg, deferred admission, scholarship, school requires mid-year, etc.)

It is very important that you only request a mid-year transcript for those schools which require them. These transcripts should be ready to send out beginning the 3rd week of January. Please contact your school counselor if you have any questions.

We recommend that students who plan to attend college take the SAT and ACT at least one time during the winter/spring of their junior year. Because most colleges will consider the highest combination of any college admission test scores presented with an application, many students will take either the SAT or ACT two times prior to their senior year.

The ACT will be given at CHS on February 8. The ACT is also offered at other testing locations on April 4, June 13, and July 18. The SAT will be given on March 14, May 2, and June 6 at Carmel High School. The testing companies prefer that students register online at either www.act.org or www.collegeboard.org. The cost for the SAT is \$49.50 or \$64.50 with the optional writing section. The ACT costs \$50 or \$68 with the optional writing section. Most colleges are NO LONGER requiring the writing section, so plan ahead to see if you need to take either test with writing or without. Be sure to include the Carmel High School code (150445) with your registration. **We also encourage you to select up to four colleges to have your test scores sent directly.** This is offered as a part of your registration process for both the SAT and ACT tests and is free of charge.

A few highly selective colleges require the SAT Subject Tests. If a student is concluding the study of a subject this spring, he/she may want to consider taking the appropriate SAT Subject Test in June.

Please keep in mind that standardized testing is only part of all the information that represents and presents students and their accomplishments. For most colleges and universities, the most important part of the student's record is the quality of the student's academic course work and the grades that they have earned in those classes. For highly selective schools, the quality of the student's character and her/his leadership in school and/or community activities weigh heavily.

TESTING ACCOMMODATIONS

UNDERSTANDING THE FINANCIAL AID AND SCHOLARSHIP PROCESS

Paying for college is on the minds of all parents of college-bound students, and having a clearer understanding about the financial aid process, scholarship resources, and important due dates can help make the college cost and affordability question a little less confusing. The Counseling Office has created two documents to help students and parents navigate the financial aid and scholarship process. These documents: *Understanding the Financial Aid Process* and *Finding Scholarships and Merit-based Aid Opportunities* are available in the Counseling Canvas Course in the resources section. To summarize these documents, students and parents should know that:

- All state and federal aid consideration requires completion of the Free Application for Federal Student Aid (FAFSA).
- Some merit-based aid and scholarship opportunities also require completion of the FAFSA.
- The FAFSA application became available on October 1 and is completed for the first time during the senior year prior to attending college in the fall. The deadline to submit the FAFSA in Indiana is April 15, however some schools may require students to submit the FAFSA earlier.
- There are several resources where families can gain information and get assistance with the financial aid process including:
 - » U.S. Department of Education Office of Federal Student Aid (studentaid.ed.gov)
 - » Indiana Commission for Higher Education (www.in.gov/che)
 - » INvestEd Indiana (www.investedinindiana.org)
 - » College Goal Sunday on Sunday, February 23 from 2-4:00pm at locations throughout Central Indiana (see below)
- **ALL graduating seniors should plan to complete the FAFSA to keep all of their financial aid and scholarship options open.**
- The CHS Counseling Office maintains scholarship resources online in Naviance Student...encourage your seniors to explore the scholarship resources in their Naviance Student Account early and often! Also, follow us on Twitter @CHSCollege411 or

COLLEGE GOAL SUNDAY – FEBRUARY 23

ATTENTION SENIORS: Sunday, February 23, 2020 at 2:00pm

Get help completing the FAFSA at College Goal Sunday.

College Goal Sunday provides Indiana college-bound seniors an opportunity to receive assistance with completion of the Free Application for Federal Student Aid (FAFSA). Bring your tax information and volunteers (many of whom are from college financial aid offices) will walk you through the process of completing the FAFSA and answer your questions. There will be several locations throughout the Indianapolis area. For further information about College Goal Sunday visit the website at www.collegegoalsunday.org. NOTE: Every family should file a FAFSA regardless of their current financial situation. Students must complete the FAFSA to be considered for grants, loans, and work study programs at the state and federal level. Many schools require completion of the FAFSA for consideration of school sponsored merit-based aid as well as need-based aid. The FAFSA application became available on October 1 and the deadline to submit the FAFSA in Indiana is April 15. Visit www.fafsa.gov for further information.

CARMEL EDUCATION FOUNDATION (CEF) SCHOLARSHIPS

have specific eligibility requirements that differ from scholarship-to-scholarship, such as evidence of financial need, academic achievement, leadership, extracurricular involvement, etc.

Any CHS senior pursuing higher education by attending a college, university, or vocational school is invited to apply for a CEF scholarship. The online application form and instructions for CEF's 2020 scholarships will be available on December 20 at <http://www1.ccs.k12.in.us/foundation/Scholarships>. The CEF scholarship application MUST be submitted no later than March 20, 2020. JUNIOR STUDENTS: COLLEGE INFORMATION SESSIONS

In March all Juniors will attend a college information session presented by our College and Career Resource Center (CCRC) staff. CCRC staff will provide information about the process for finding a college fit, advice on steps students should be taking related to the application process, access to tools and resources to support their college search, and encouragement that there is a post-secondary education option for all students who graduate from Carmel High School. Juniors will participate in these presentations on either March 10 or March 12 during SRT.

Approximately 120 seniors will be recognized as either commended or distinguished at our CHS Graduation Ceremony.
