For The Parents, Staff, Students And Community Of Charlotte High School

A MESSAGE FROM THE PRINCIPAL

Dear Tarpon Family,

John F. Kennedy once said, **"We must find time to stop and thank the people who make a difference in our lives. As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them."** As we end the month of November and begin December there is a great deal to be thankful for here at Charlotte High School. I am extremely thankful for the people I get to work with, our amazing students, families and staff. They all clearly make CHS a special place.

Most teens use some form of social media and have a profile on a social networking site. Many visit these sites every day. There are plenty of good things about social media but also many risks and things teens should avoid. It's important to be aware of what your children do online. The key is to stay involved in a way that makes your kids understand that you respect their privacy but want to make sure they're safe. Please encourage them to treat others with respect, and to never post hurtful or embarrassing messages.

First semester exams are scheduled for December 14, 15, 16, and 17. Please remember the importance of attendance and keep these dates in mind as you schedule appointments and vacations as there will be no early exams administered. We all know that students with consistent attendance are much more likely to demonstrate academic achievement.

As the holidays approach I would like to thank the whole school community for your commitment and cooperation to the school during the first semester. The last student day in semester one is Friday, December 17, and students return on Thursday, January 6th.

Wishing everybody a very happy, peaceful and enjoyable holiday season!

Sincerely,

Cathy Corsaletti, Principal

BULLYING

Bullying, which includes cyberbullying, occurs when a person or group of people purposefully and repeatedly hurt, embarrass, or frighten another. During freshman year, all Tarpons participate in a classroom lesson about bullying run by our Assistant Principal and School Resource Officer. Students are educated about how to identify, react to and report bullying. As a parent, it is important to have open dialogue with your child about their experiences at school. If you become aware of a bullying situation, please report it immediately. Charlotte High School does not tolerate any form of bullying. For more information, or to report bullying, see the "Students & Parents" section of our website.

NOTES FROM YOUR COUNSELORS

Freshman Counselor - Amy Perkey

Freshmen, you are almost done with your first semester of high school. Take this time to reflect on your strengths and needs so you can come back stronger than ever for your second and

final semester of 9th grade. I hope you take your learning experiences and apply the lessons learned into your daily life, to help you on your road to personal and academic success. Keep in mind that registration for next school year will begin quickly after the start of semester 2. Start thinking of the courses you would like to take in 10th grade, and how they align with your college and career path.

Sophomore Counselor - Cindy Gering

Sophomores, the first semester of 10th grade is coming to an end. Remember to take this time to evaluate your progress this semester identifying your strengths and areas for improvement. Apply what you have learned about yourself moving forward to help you achieve your goals. This is a very important year, as you will be taking the FSA Reading assessment in the Spring along with other EOC's. If you are behind in credits, make sure you are working on your Edgenuity. Take advantage of the Credit Recovery Lab offered 4 days a week after school from 2:15pm to 3:15pm. Mon and Wed in Guidance B-125 and Tues and Thurs in B-121. There is a teacher or counselor available to help.

Junior Counselor - Joe Haynes

Hello Juniors, semester exams are right around the corner. Please be sure to do your best to be prepared for them. Semester exams count for 30% of your semester grade, so be certain that you study for them and get a good night's rest the night before any exam. If you have any credit recovery to work on, be on top of that as well. The credit recovery labs are open Monday through Thursday after school until 3:30 each week. If you have not yet taken an SAT or an ACT, please consider getting that done prior to the beginning of senior year. These scores are necessary to submit with your college applications at the beginning of 12th grade.

Senior Counselor - Josalyn Leath

Seniors, you are quickly approaching the end of semester 1 of your senior year, and will be starting your final high school semester in January 2022. This is your last chance to make changes for the better and to get on track if you have fallen behind. Making positive changes with your work ethic, time management, and priorities so you can be on track for graduation is CRUCIAL at this time.

If you are behind in credits, make sure you are working on your Edgenuity. Take advantage of the Credit Recovery Lab offered 4 days a week after school from 2:15pm to 3:15pm. There is a teacher or counselor available to help.

If you have not passed your Alg 1 EOC or FSA Reading, and you have not earned a concordant score for these assessments, please make sure to register for an ACT or SAT as you need to pass both of these assessments for graduation.

If you have not completed an online course, please sign up for one ASAP. Come see me if you have any questions about these graduation requirements or if you are unsure about anything.

You can message me on Remind, email me or come see me in Guidance. I am here to help. Do not wait until the last minute. If you have not met with Mrs. Eyster, please do so to start planning for after high school whether that includes college, working, or military. Enjoy senior year with the least amount of stress as possible. This should be a memorable, enjoyable time.

Please sign up for your grade level Counselor's Remind if you have not done so already.

CULINARY CORNER

"Tis the Season" Practice Safety While Holiday Cooking

by Captain/Chef Paul DeGaeta

Our Culinary Classes at CHS would like to wish all Tarpons Happy Holidays! Here's a few tips to consider to keep things safe!

PERSONAL HYGIENE:

1. Leave cell phones out of the kitchen, they can be like aircraft carriers of pathogens that can cause foodborne illnesses.
2. Before entering kitchen, the single safest thing you can do to protect yourself and others is Wash Your Hands.
3. Wash hands in hot water with soap before you start any job in the kitchen. Sing Happy Birthday twice – 20 seconds, and dry hands with single, disposable paper towel.
4. Between every job, to prevent cross contamination: sanitize surfaces, wash hands, change cutting boards and utensils.

SOME IMPORTANT COOKING TIPS:

1. Set up a sanitizing solution in a small bucket with a cap-full of bleach in a half-gallon of water to keep on counter to sanitize surfaces, utensils, sinks, etc. particularly that come into contact with poultry.
2. Begin to thaw turkey in refrigerator several days before cooking; Never leave in sink to thaw. If frying a turkey, make sure the turkey has been completely thawed and patted dry. Be sure fryer-oil is not overfull in pot. Fry in open space away from house/garage.
3. Cook turkey to a Minimum Internal Temperature of 165F. Thermometers are cheap and help you nail the perfect juicy turkey. Or 145 for ham/prime rib
4. Best to cook dressing outside of the turkey
5. Once cooked, do not leave food out for more than four hours. Refrigerate as soon as you're done with it.
6. Use timers to remind you things are on the stove. There's nothing worse than watching a great game, or the Grinch and forget you had the stove on, and burn something.

DRUG FREE CHARLOTTE COUNTY

It's the most wonderful time of the year! There are decorations to put up, cards to mail out, vacations to plan, presents to buy, dinners to make, kids to entertain.... truth be told, it can all be a bit overwhelming and even stressful. All that stress can quickly zap the fun right out of all those merry plans that we've made and send us down a bah humbug spiral. Don't let stress grinch-out your holidays, here are some ways to manage that holly jolly stress:

1. **Get Enough Sleep** – We have all heard the headlines about the benefits of getting the proper amount of Z's, but where do we even begin? Start by setting a sleep routine. Pick a specific time to go to sleep and wake up each day. This will help train your body to engage in a more fruitful and consistent sleep. Do something to help you relax before bed each night, whether that is lighting a candle, drinking some hot tea, or reading a bit in a good book. The National Sleep Foundation also suggests you avoid using electronics at least 30 minutes prior to bed. Avoid using alcohol. Alcohol is a depressant so it can make you feel sleepy, however the use of alcohol actually disrupts your REM sleep preventing you from feeling rested.
2. **Don't turn to tobacco or other drugs** - This is a crutch that will let you down every time. Tobacco specifically is a stimulant that restricts your blood vessels, increases your heart rate, and can leave you feeling more stressed rather than relieve it. Like tobacco, other drugs can harm your health and in turn add to your stress.
3. **Limit caffeine** – I know, I know...this one hurt a little bit to type, but all those mocha frappes and caramel cappuccinos get your heart thumping and causes your body to release extra cortisol which is stress' best friend.
4. **Let it all out** – It is incredibly important to express your feelings openly and frequently. If you aren't comfortable doing this with the peeps already in your circle, don't be afraid to reach out to a professional and spill all the tea.
5. **Create your squad** – Surrounding yourself with people who can give you support that you can feel comfortable reaching out to can make it easier for you to choose more positive ways of dealing with stress.
6. **Eat right and exercise** – believe it or not this isn't just good for your physical health, it is vital to your entire well-being and can help reduce stress in big ways. The better you take care of your body, the better it will work for you. Taking these healthy steps can help you avoid fatigue and irritation which are some leading causes of stress.
7. **Figure out what works for you** – When the tornado of stress begins winding through your day, figure out a de-stressing technique that will work for you. Here are some ideas: Listen to relaxing music, meditate, or practice deep breathing, yoga, spend some time in nature, imagine yourself in a peaceful place, get a massage, write in a journal, start a hobby, give someone a hug, do something kind for someone else, take a bubble bath, go for a walk/run, start a gratitude journal, read a book, plant something, do something that makes you laugh.

Now let the good times roll right into a stress busting new year!

This event is an all night alcohol, drug-free and tobacco-free celebration. It is free of charge to ALL 2021 graduating seniors on Thursday, May 19, 2022.

We are asking for your help, along with other members of our community, to ensure the continuation and success of this memorable event. In order for this event to become a reality, we are asking for monetary donations to assist us in providing prizes, entertainment, food and t-shirts (for the graduates). If you would like to donate a door prize (i.e. a dorm refrigerator, small microwave, laptop, T.V. or bicycles) we will arrange for a member of our prize committee to pick it up at your convenience. Please contact one of our parent coordinators with any questions or to make arrangements.

There are 5 levels of Sponsorship: Event Sponsors are \$2,000+, Platinum Sponsors are \$1,000+, Gold Sponsors are \$500+, Silver Sponsors are \$100+ and Bronze Sponsors are \$25+.

A donation of \$500 or more will guarantee your name or business name printed on the back of the Project Graduation t-shirts. These shirts are commemorative keepsakes for the graduates and volunteers that work the event. We will have banners displaying all levels of donors at our event. All donors will be listed on our website www.tarponprojectgrad.com.

Charlotte High School Project Graduation is a federally recognized 501(c)(3) EIN 22-3942669

On behalf of the Peace River Rotary and our parent committee, we appreciate any contribution you are able to give towards making this year's event a success!

Thank You,

Dennis Lambert, Peace River Rotary Chair and CHS Parent Coordinators

CHS STUDENT ID CARDS

Once students are issued IDs in the fall, they are expected to wear their ID over their neck and it must be visible at all times. Students will be required to show their ID when entering the school building. Students who do not have their ID will be issued a temporary badge. Those who repeatedly do not bring their ID to school may face disciplinary action.

If an ID is lost or needs repair, students should stop by the Dean's Office to get their ID or lanyard repaired or replaced. Students needing additional IDs, sleeves, or lanyards will pay \$2 for an ID and \$1 for a sleeve or lanyard.
