For The Parents, Staff, Students And Community Of Charlotte High School

### A MESSAGE FROM THE PRINCIPAL

Our campus has been bustling with the energy and excitement that always accompanies the start of a new year the past several weeks. Every afternoon, you can find countless Tarpons, both staff and students, involved in clubs and/or sports. There is not much that compares to the start of a new school year; a time to begin anew each school year for teachers, support staff, parents, and students alike. It is a privilege for our staff to work with all of you!

To prepare for this school year, many of our staff members and parents worked collaboratively to develop this year's School Improvement Plan over the summer. We were committed to building on Charlotte High's previous successes over the past few years while developing goals that will require us to continue in our quest to provide a rigorous and relevant education for all of our students. This endeavor will require us to optimize our planning, collaboration, and evaluation of students' progress.

We also worked with Student Focus Groups with Sophomores, Juniors, and Seniors. Their input and problem-solving were invaluable as we collaboratively set goals to improve attendance, discipline, academic supports, and school engagement. Ms. Klossner and our Student Government Association are very dedicated and working hard to increase our students' engagement. We have already implemented several of their ideas and are getting great results!

The most important goals of this year's plan are to decrease absences and increase our percentage of students who are proficient in reading and math. All parents/guardians are able to access your child's grades and update your child's personal information at any time in Focus. Please check in frequently to help keep your child on track with their work completion, grades, and credit requirements. We know that when students don't attend school regularly, they fall behind quickly. Please note that with any measurable success, there is much hard work and effort. Expectations are high for all students, both academically and behaviorally. You can assist us by helping your child have consistent and prompt attendance, encouraging appropriate and responsible behavior, and promoting a strong work ethic. Together – we will provide the best education possible for your child each and every day! **Booker T. Washington once said, "Any man's life will be filled with constant and unexpected encouragement if he makes up his mind to do his level best each day."**

**Booker T. Washington once said, "Any man's life will be filled with constant and unexpected encouragement if he makes up his mind to do his level best each day."**

I would like to thank all of our parents for your dedication and commitment to your child's education! We know that without your support, our jobs would be impossible.

We realize that we sometimes forget to say thank you enough to our parents/guardians - So, hats off to you for making your child's education a priority in your life; thank you for all you do!

I look forward to the exciting work ahead as this school year unfolds.

Sincerely,

Angie Taillon

## PARENT CONTACT INFORMATION

It is imperative we have accurate records (new addresses, phone numbers, etc.) so we are able to contact you in the event of an emergency involving your son or daughter. In addition, there are times when teachers and other school personnel also need to speak with parents and/or guardians. Please give the office a call if you need to update your information.

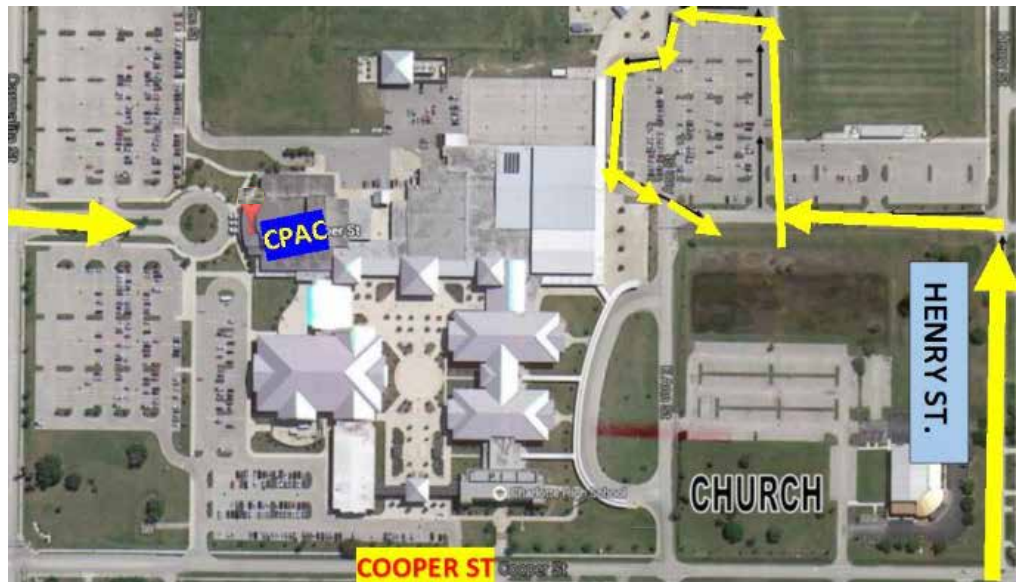

## SCHOOL ADVISORY COUNCIL

SAC is comprised of parents, students, and CHS staff members who are dedicated to the continued development, and maintenance of quality education programs at CHS. To become a member of this very significant council, please contact the Principal's Office.

The FOCUS portal allows parents and students 24/7 secure access to information such as attendance, assignments, grades, and discipline. Please visit [chs.yourcharlotteschools.net](https://chs.yourcharlotteschools.net), click on this link and get started today!

## DIRECTIONS FOR PARENT PICK UP

Our **MAIN parent drop off area** is just off Henry Street behind the Deep Creek Church. There are signs on Cooper Street directing you to this area. This is the largest area and is designed to accommodate a large volume of traffic. Students dropped off here enter the school on the gymnasium side of the campus.

Our **SECONDARY drop off area** is at CPAC. Because of the volume of students dropped off at CPAC, there is usually a waiting time to get in and out due to the seniors who drive to school who also use this area.

**FOR SAFETY PURPOSES, THE VISITOR PARKING LOT IS NOT A DESIGNATED DROP OFF OR PICK UP AREA.**

## ABSENCES

THE ATTENDANCE OFFICE NUMBER IS 941-575-5457

Please be reminded that on the day your child is absent from school, the Attendance Office should receive a phone call before 7:30 a.m. from the parent or guardian explaining the absence. In addition, for your convenience, a 24-hour voice mail is available before and after school hours so you are able to leave messages regarding absences. Other important extensions you may need are as follows:

## CHS STUDENT ID CARDS

Once students are issued IDs in the fall, they are expected to wear their ID over their neck and it must be visible at all times. Students will be required to show their ID when entering the school building and when they enter and exit the school bus. Students who do not have their ID will be issued a temporary badge. Those who repeatedly do not bring their ID to school may face disciplinary action.

If an ID is lost or needs repair, students should stop by the Dean's Office to get their ID or lanyard repaired or replaced. Students needing additional IDs, sleeves, or lanyards will pay \$2 for an ID and \$1 for a lanyard. Replacement sleeves are free.

Bullying, which includes cyberbullying, occurs when a person or group of people purposefully and repeatedly hurt, embarrass, or frighten another. During freshman year, all Tarpons participate in a classroom lesson about bullying run by our Assistant Principal and School Resource Officer. Students are educated about how to identify, react to and report bullying. As a parent, it is important to have open dialogue with your child about their experiences at school. If you become aware of a bullying situation, please report it immediately. Charlotte High School does not tolerate any form of bullying. For more information, or to report bullying, see the "Students & Parents" section of our website.

## BLUE CREW

If any CHS student is interested in joining Blue Crew, our schools biggest spirit club, please stop by "C" Hallway to see Mrs. Zusman (C110), Mrs. Stockbarger (C111), or Ms. Alumbaugh (C113) with your \$50 cash or check, and get your new Blue Crew t-shirt and sticker for your ID that gets you into all regular season home sporting events for free.

## COUNSELOR NEWS YOU CAN USE

"Success isn't overnight. It's when everyday you get a little better than the day before. It all adds up." – Dwayne Johnson

When it comes to achieving success, it's important to remember that it's not an overnight phenomenon. As Dwayne Johnson rightly said, success is all about making incremental improvements every single day. Each day presents an opportunity to push ourselves a little further, to learn something new, and to grow both personally and academically. It may seem like small steps, but when we consistently put in the effort, these small victories add up and pave the way for significant achievements. So, let's embrace the journey of continuous improvement and trust that our dedication and perseverance will ultimately lead us to the success we desire.

**Tarpons, we are quickly approaching the end of Quarter 1. Remember you can do more than you think, all you have to do is push yourself. It is not too late to end this quarter strong and come back with a fresh start for quarter 2.**

**FAFSA****(Free Application for Federal Student Aid)**

- To apply go to: FAFSA.GOV
- Opens October 1st. Complete at home with Parent/Guardian support.

**WHY YOU SHOULD FILL OUT THE FAFSA ASAP**

A better chance at more state and school aid. Need I say more? Schools and states have a limited amount of aid, and a bunch of states have a FAFSA deadline of "as soon as possible after December," (meaning they actually could run out of financial aid) so it's good to be at the front of the line!

Get it out of the way so you can focus on other things, like college applications, college coursework, or applying for scholarships.

It makes comparing colleges easier. If you submit your FAFSA early there's a chance that colleges will give you an estimated financial aid offer early, giving you more time to compare colleges before the college decision deadline.

More scholarship eligibility. Some scholarships look at your FAFSA results—and some of those scholarships have early deadlines. Don't disqualify yourself from those scholarships.

## CHS YOUNG LIFE

Hey there, Tarpons! We are so excited for another school year and would like to share some events we have coming up. Every Monday night from 6-7pm, we have our all-area club at our office located in the Port Charlotte Town Center Mall. All high school students from Charlotte, Port Charlotte, North Port, and FSW are welcome to attend this party with a purpose! After club, students are also invited to head across the parking lot to Culvers eat and hang out for as long as they'd like. On Thursday nights from 6:30-8:00, we have Campaigners for Charlotte High students, which is a time for food, fellowship, and to go deeper into the Bible. These will be hosted in various students' homes in Punta Gorda and Deep Creek.

Amongst our weekly events, we also have 2 camping events coming up this fall/winter. On November 3rd-5th, we have our annual fall weekend camp at Southwind in Ocala, Florida. We will be joining high school students from around the state for a full weekend of fun and entertainment. We have 50 total spots available for students in Charlotte county who would like to attend and the cost is \$199, which covers food, lodging and transportation to and from camp. Additionally, we have a serving opportunity at Southwind January 12-15 for a Young Life camp weekend for kids with special needs. We are looking for 30 students who can come help in the dining hall as servers, dishwashers, and food service. We will offer community service hours for all students who attend.

Anyone who has questions about our weekly programs or upcoming events, please reach out to Cody Workman: 815-303-8815, or email us at [charlotteharboryounglife@gmail.com](mailto:charlotteharboryounglife@gmail.com). We hope to see you soon! You were made for this!
