

Believe in Your Greatness

For the parents, students, staff, and community of Clay Middle School

CLAY NATION NEWS

PRINCIPAL'S MESSAGE

Dear Clay Nation,

I hope everyone is staying warm and safe through these winter months. It is hard to believe that we are well into February and have passed the midpoint of this school year. Each month I have the opportunity of writing the newsletter and updating everyone in the Clay Nation on all the wonderful things happening at Clay Middle School. Every month I am quickly reminded that it takes all people working together to accomplish GREAT things, so thank you for your support as parents and always being an active school community.

As we approach the middle of February, it is hard to believe that we will be closing up our winter sports seasons at Clay in the next three weeks. I would like to thank all the winter sports teams for representing Clay with class. Thank you to 7th and 8th grade boys and girls' basketball teams, our wrestling team and our cheerleading squads for all the time and effort they put into building young confident student athletes that compete and show great sportsmanship. Each year I am more and more impressed with our student athletes and grateful for the leadership provided by our coaches and Activities / Athletic Director John Corcoran. All of you make us very proud to be a Clay Trojan.

I would also like to welcome any new student and family to Clay that may have moved in at semester. Welcome to

the Clay Nation! We are so happy to have your family at Clay and please do not hesitate to contact our Clay PTO for our new family / parent group. Our Clay PTO is such a great resource as you are getting acclimated to the Carmel community and Clay Middle School.

Perhaps what I am most proud as the principal of Clay Middle School is that we are developing the whole student, both in and out of the classroom. As parents you should feel very proud of the children you are raising. It is through these examples that our students are learning to give back to others and look at their education as a life experience. The impact they are having on others at an early age is something that cannot be underestimated or under appreciated. So, thank you for all you do to support Clay and help to ensure that your child is ready to learn each and every day and give their very best knowing that it will be recognized. We truly appreciate it and as a school we value your partnership.

January has been a busy month thus far with events for both our 5th and 8th transition programs which have

been well underway. Our 5th grade activity nights have been awesome. We have really enjoyed getting to know all of our 5th grade students and their families. Students have been coming over and enjoy an evening at Clay by meeting Clay staff and students, eating pizza, getting a t-shirt, taking building tours, joining in cheers with our Clay cheerleaders and attending a sporting event where they get to enjoy our pep session playing, along with some great concessions. We are so excited to welcome all of our 5th graders from Prairie Trace Elementary, Cherry Tree Elementary, Woodbrook Elementary and Mohawk Trails Elementary to the Clay Nation. We are looking forward to seeing all of these new students and their families at our Clay Spring Open House.

On the other hand, as we are planning for the arrival this fall of our 5th graders and their parents, we are also in the process of working with Carmel High School to have high school transition events. During February our 8th graders have started the high school scheduling process and has essentially begun looking ahead to their four-year experience in high school. With one semester left in middle school we could not be prouder of our 8th graders and the leadership they have shown. **Finish Strong!!**

We will be celebrating the theme/book of the week is "The Power of Yeti" and the overall goal is to encourage building compassion and care for self and others. Each day will come with a specific theme, spirit wear, and various activities. Research shows that having positive connections with others can greatly improve someone's mental health. Even one positive interaction each day can help brighten someone's mood. Thank you to our Clay Student Services Department for all their help with organizing a fun, yet meaningful week to help bring awareness to mental health.

TAYLOR SWIFT CLUB

Thank you SO MUCH to all the students, Swiftie parents, and Clay staff who have helped make the Taylor Swift Club so successful. We have had as many as 60 kids at a meeting. The club has attracted an amazing group of kids who have made this club an amazing way for kids to show school pride, make friends, and have fun. We are excited for another great Swift-mester.

Shout out to 7th grade Swiftie, Aubrey Ashton, who submitted a Carmel Education Foundation grant with me. She had the awesome idea to have Taylor Swift Club members make bracelets for incoming 6th graders to promote Clay clubs and spread kindness. We were awarded the grant and will start making "Clay" bracelets in the upcoming months (at club).

The Taylor Swift Club meets every Wednesday in room 703 until 4:20.

SOCIAL STUDIES

Every fall, Clay Middle School students are asked to consider the importance of Veterans (throughout Social Studies classes) as we prepare to honor Veterans through the City of Carmel's Veterans essay contest.

Students are then encouraged to print their essays so they might be shared through the local VFW halls, Indy Honor Flights "Roll call", and the Department of Veterans Affairs in downtown Indianapolis.

Most recently, students received letters back from Veterans through the Department of Veterans Affairs, thanking them for acknowledging the sacrifices Veterans have made and the tribute that Clay Middle students are making by taking time to address Veterans across Indiana.

Director and Assistant Director of the Department of Veterans Affairs, Michael Stephens and Abner Concepcion, respectively, both sent thank you letters as well as a "Commander's Coin" as a token of gratitude to Clay Middle School students. Clay's Eighth grade students should be proud of their selfless actions in recognizing those who are and have served.
