### CLEARWATER HIGH SCHOOL HOME OF THE TORNADOES

## Principal's Message

Dear All,

Happy New Year! I hope you and your family had a wonderful winter break! Our staff continues to work diligently to prepare our students for the FSA and EOC examinations that will occur this semester, and we are anticipating great results.

We have had a great first semester, and have so much to be proud of! Listed below are just a few highlights:

- CHS attained a 96% Graduation rate for the 2018-19 school year!
- 86% of our senior class graduated with at least 1 college credit (highest in the district)
- Our students earned almost 1200 Industry Certifications in 2019!
- CHS earned a "B" Designation from the State of Florida!
- Three times, The Washington Post ranked CHS the most challenging (rigorous) high school in Pinellas County for our offerings of rigorous course work!
- Three times, The International Center for Leadership in Education (ICLE) named CHS a "Model School". Hundreds of schools apply, and approximately twenty of the nation's highest performing and rapidly improving schools are accepted as models.
- The National Career Academy Coalition (NCAC) has named our Career Academy for International Culture and Commerce (CAICC), a "Model Academy"!
- All four of our school wide academies, BLIS, FAME, SHARE, and STEAM have been named "Academies of Distinction" by the Pinellas Education Foundation.
- CHS has been once again named a Five Star School for community involvement!
- The Southern Association of Colleges and Schools (SACS) has given CHS "Centennial Status" for our participation in the program for over 100 years!

Our School Improvement Plan continues to focus on highest student achievement, school safety, and reducing the gap for our underachieving students. With your input and involvement, we can continue to look for new ways to deliver material, content, and school wide processes, which will help your child be successful.

Thank you for your continued support of our initiatives, and the "Herculean" efforts you give our school to make it the best it can be! We have made great strides in the areas of industry certifications, increased rigor (AP, AICE, and Dual Enrollment), and increasing the learning gains in our lowest 25%!

As we move into second semester, and we start preparing for next year, I encourage you to meet with your children's counselor to make sure they are registered for the proper classes for next year. Saturday extended learning opportunities are available for your child if they are behind in credits, have not passed a state assessment, need additional tutoring, or assistance in preparing for this year's state assessments.

Parents and guardians, there is no doubt that you can make a difference! We continue to encourage you to be involved with our school. If you have not already, please contact our volunteer coordinator and get involved! Our PTSA, continues to provide "Top Notch" programs such as our college and career fairs, our SAC does an outstanding job assisting us with key initiatives such as our school improvement plan, and our booster organizations do an incredible job taking care of programs!

## Principal's Message continues...

Once again, I am very proud of our accomplishments, and I know we will continue to increase rigor, relevance and relationships; thus providing the best educational experience possible for our students! Thank you for your commitment and dedication to Clearwater High School!

Go Tornadoes!

Sincerely,  
K. Mastorides, Principal

## CAICC Update

The Career Academy for International Culture and Commerce (CAICC) continues to thrive here at Clearwater High School. CAICC students are enjoying their specialized curriculum devoted to international business and cultural awareness.

Career Academy students are looking forward to many exciting activities coming up in the second semester. During Valentine's week, they will sponsor the sale and delivery of **Valentine baskets**. (See announcement under Tornado Exchange). On Monday, February 10th, CAICC will be hosting its annual **Passport to Italy** spaghetti dinner/silent auction. This gala event will be held at East Bay Country Club and will raise money for the Career Academy students. See Mary Roble or any CAICC student or parent for tickets to the event or more information.

Our CAICC students are also preparing for several culturally educational field trips. Our sophomores will enjoy an informative visit to Nielsen Media. The juniors will go attend an admissions talk and campus tour of the University of South Florida in St. Petersburg, as well as listen to a speaker from their Entrepreneur

and Business Department. Finally, in February, the CAICC Seniors will travel to New York City, and spend a few days exploring all the culture and commerce of this amazing metropolis. This trip is always one of the highlight of the CAICC student's experience at CHS.

CAICC families: please remember the *CAICC Booster meetings are held the first Tuesday of each month at 7 p.m. in the Media Center.* Contact Mary Roble at [robblem@pcsb.org](mailto:robblem@pcsb.org) or 298-1620 ext. 2303 for more information or questions about the CAICC program.

*CAICC Sophomores in Ybor City November 2019*

CAICC Juniors at Universal Studios, November 2019

## UNIVERSITY of CAMBRIDGE International Examinations

### AICE Information

Clearwater High School's AICE program is having another successful year. Our students continue to be challenged by the rigorous AICE curriculum and are finding success with the international testing.

The new AICE parent **Booster group** is active and going strong! The next meeting will be **Thursday, February 6th, @6:30 p.m. in the CHS media center**. Please join us to find out how you can be more involved in your student's experience here in AICE at CHS. For questions, please contact Mary Roble, 298-1620 ext. 2303.

This year we will have 681 students testing in twenty AICE subjects. These international tests will allow students to earn college credit and gain in-depth understanding of these subjects.

2020 will mark our sixth year of AICE graduates. Many of these students will earn the prestigious AICE Diploma, in addition to their high school diploma, which means they have successfully passed tests in at least seven content areas.

If you have any questions about the AICE program, please contact Taylor Henderson, [hendersont@pcsb.org](mailto:hendersont@pcsb.org) or 298-1620 ext. 2015, or Mary Roble, [roblem@pcsb.org](mailto:roblem@pcsb.org) or 298-1620 ext. 2303.

### Tornado Exchange

The Tornado Exchange (Clearwater High's school store) and the Career Academy for International Culture and Commerce are sponsoring a **Valentine's Sale**. Students, parents, and staff may stop by the store and place orders for baskets of candy, stuffed animals, and valentine goodies. These special orders will be delivered to the students in class on Friday, February 14th. The school store is open MWF, during both lunches (approximately 11:30 to 1:00 p.m.)

Stop by and celebrate the holiday CHS-style! If you have any questions, contact Mary Roble, [roblem@pcsb.org](mailto:roblem@pcsb.org).

COME VISIT US & TREAT YOURSELF!

Teen Trendsetters are 9th-12th Graders who tutor and mentor Skycrest Elementary children. After our teens go through a 45-minute training and then a verification process for volunteering, we tutor 2:45-4:15 pm on Fridays at Skycrest Elementary.

Volunteers receive materials to use for leading the tutoring and a tee shirt from the Barbara Bush Foundation for Family Literacy.

Through the training and volunteer time, our teenagers become a positive role model and leader. They learn to be reliable by making the commitment and communicating to the sponsor in advance of an absence, so a substitute can be arranged. Our teens are prepared, patient, and encouraging. We are still accepting teenagers to **be a Substitute Tutor/Mentor**.

**Please come by F-9 and schedule a training for after school on a Wednesday or Thursday with Ms. Dort.**

January 10, 2020 Teen Trendsetters at Skycrest Elementary. Every child takes home a book and parent guide each week.

**CHS FAME Academy Students Visit the Morean Clay Center**

The Morean Clay Center is located at the Old train station in St. Pete. Great studio space, gallery, rustic and modern kilns, live artists working and an opportunity for our students to do a small ceramic project. Forty one students from the FAME academy attended the field trip.

Our projects will be fired and returned to us in a couple weeks.

Students were excited about this opportunity to visit a highly professional venue and to do a hands on project in that setting. We can't wait to see the results.

This activity was sponsored by PCS Visual Arts office through Referendum funding.

← Adel Abou El Senoun shown after his first solo flight

### Still Aiming for the Stars

A former CASA/Gaetz Aerospace Institute student recently completed his first Solo flight in an airplane. Below is a short reflection, he shared with me, about his time spent at Clearwater High School.

Professor Winkowski,

I graduated in 2018, and here are my thoughts on the programs available at Clearwater: As someone who was interested in aviation since I was just a kid, I wanted to take every opportunity I could get to be involved in the industry. Attending Clearwater High and being a part of the Clearwater Aeronautical Space Academy (CASA) as well as being a dual-enrolled student with one of the biggest aviation schools in the world, Embry Riddle Aeronautical University (ERAU), I can't emphasize enough on the impact it has made to my future after high school.

Taking those Embry Riddle courses in a high school environment not only allowed for an easier learning experience but also allowed for huge savings in tuition costs down the road. For example, I currently take courses online at Florida Institute of Technology for my bachelor's degree in Aviation Management. Just like Embry Riddle, it's a private school that is more costly than a public school. Each online course without any aid costs about \$1,500 and don't forget about the textbooks and access codes you may have to get as well. That's a simple cost comparison, \$0 or over \$1500? In total, I saved around \$4,000 alone with the three courses I took at Clearwater.

One of the greatest takeaways from being an ERAU dual-enrolled student was the ability to partake in the unique internship (which are very competitive to get once you're in university) at Tampa International Airport over the summer of 2016. Not only was I able to learn more in the summer course that was taught alongside the internship, but I was able to apply all those concepts immediately after the lecture concluded. I was able to begin networking and was definitely recognized by a lot of the professionals due to my age and having huge aspirations in aviation. After the internship concluded, I became a volunteer with their Guest Services department which allowed me to build up a lot of hours for many scholarships and college applications.

To this day, I am still in touch with those who I've worked with at the airport. I am invited to events as a VIP or asked to volunteer and represent them at others. Overall, I've gained a lot of insight through the professionals that I have worked with which greatly helped me become more prepared for my future in aviation. Today, at the age of 19 (almost 20) I am working at a new charter company that I'm helping grow, I have internship experience at two airports working under Operations and Management, pursuing a degree at my dream school, and finally in flight training to get all the necessary ratings to become a commercial pilot. I wouldn't have been this successful without the many things I've learned at Clearwater High.

Regards, Adel Abou El Senoun

## Chorus News

Congratulations to CHS Chorus students: Seniors, Montserrat Acosta, Chloé Morton, and Libby Richards; Juniors, Erick Braga, Brianna Sottosanti, and Amberlyn Wedge; and Sophomore, Renzo Castillo who are in the **Pinellas All-County Honor Choir!** They will perform at Ruth Eckerd Hall on Tuesday, January 28th.

The CHS Chorus performed in Disney's Candlelight Processional on December 30th. Our students put in 35+ hours of rehearsal to audition and prepare for this annual holiday spectacle at EPCOT Center and the work paid off! The performances were breath taking!

The CHS Chorus has been invited to perform in April at the prestigious Carnegie Hall in New York City! Students will be performing the work "The Notebooks of Leonardo DaVinci" by Jocelyn Hagen. This is a once-in-a-lifetime performance opportunity and we are so proud of Mrs. Collins and our dedicated music students.

### CHS Visual Arts Students Received 34 Awards in the Series of Shows Coming Up

The Regional Scholastic Art Show awarded three Gold Keys, two Silver Keys and 15 honorable mentions to our students.

Temple Bethel, a prestigious show, will be displaying five works from our young artists. The PCS Dali Museum Student Show accepted 5 projects from our Visual Art students. New Perspectives also accepted 4 projects that will be representing our school at the Dunedin Arts Center.

Way to go CHS Visual Arts, FAME Academy students - You rock!
