SEPT 2019 ISSUE 3

For the Parents, Students, Faculty, Staff & Community of
Clovis West High School - Fresno County, California

PRINCIPAL'S MESSAGE

Dear Golden Eagle Family,

We are off to a great start for the 2019-20 school year. Our teachers were greeted back to school with enthusiasm from our drum line, pep and cheer programs and leadership students. During the first day back for teachers, teachers teamed up for a little friendly competition. Each group competed in several events across campus which included basketball, improv, poetry related to our district theme of inspiring excellence, a Socratic seminar on Doc's Charge, and my favorite, the singing of our Alma Mater led by our choir teacher Mrs. Florer and Director of Bands Mr. Chesi. Our staff enjoyed the time to fellowship with one another and also got to know several new teachers that are joining the Golden Eagle Family.

We are also excited to welcome 2,024 students to Clovis West which is well over our projected enrollment for this school year. This includes approximately 150 new students to Clovis West! We welcome all of our new students and are excited for them to join the Golden Eagle Family. Our first week with students included class meetings where students were introduced to administrators, counselors, other support personnel and their class officers. Expectations were set to help students have a successful year and students were led by their class leadership on how to become involved on campus and show their best in school spirit. Students also received planners the first week of school. If your student is at CART in the morning session and have not received a planner, have them stop by my office to get one.

Our goals for this school year include continuing the work we have been doing to support students meeting career and college readiness criteria. Each academic department will continue to support students with specific academic behaviors that are critical to student success. Clovis West teachers are also refocusing on their work in Professional Learning Communities. The Professional Learning Communities initiative started in our district in the early 2000s. In the last few years, Clovis West has had many new teachers join the Golden Eagle Family and refocusing on the research based practice of Professional Learning Communities will help our teachers provide the very best instruction, assessment and intervention for our students.

Again, it is great to be back at school and we look forward to the great work our students will be doing this school year and please don't hesitate to get involved this school year as we are always looking for volunteers.

Sincerely,
Richard Sarkisian

A TRADITION OF EXCELLENCE IN EDUCATION

ATTENDANCE CORNER

Important - Off Campus Pass Procedure

Students must obtain an Off-Campus Pass prior to leaving campus. An Off-Campus Pass will only be given with Parental/Legal Guardian permission. Persons listed on the student release authorization can sign a student out in the office providing a parent/legal guardian has called to authorize a pass.

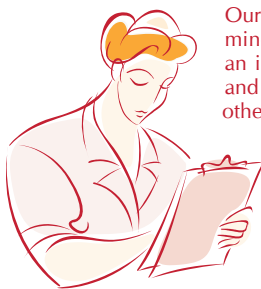

Reminder- All underclass students (9th, 10th, 11th) must be picked up and signed out from the Main Office within the ½ hour before lunch begins and during the lunch period (11:30-12:30 on regular schedule).

ATTENTION SENIORS

Taking the SAT or ACT exam this Fall? Hoping to improve your score? Then the Clovis West English-only SAT & ACT workshop could be for you. The workshop will be offered on Tuesdays and Thursdays from 3-5 p.m. between the dates of September 24 through Oct. 3rd to prepare you for the October exams. Cost of the workshop is \$50. For more information, see Mr. Williams in Room B4.

NURSE NOTES

Welcome back Golden Eagles. Our health office is up and running and ready to assist all students with medical and health issues. Be sure to stop by and welcome Irene Benavides our new Health Assistant coming to us from Fugman Elementary. She will be a great addition to our office.

Our office is open daily from 7:30-3:00. We see and treat students for minor illnesses and injuries, store and provide daily and emergency medications on an individual basis with physician orders, provide education and referrals for acute and chronic health concerns, communicate student health needs and orders with other staff members as needed, and respond to emergencies on campus.

To provide these services in a safe manner, California Ed Code Section 49423 requires each student to have written permission from his/her physician and parent/guardian for the administration of any medication while at school. This includes all prescription and over-the-counter medication. These permissions are required with each new school year. Please also note that use of crutches, wheelchairs and other devices require a doctor's prescription indicating directions for use and that the student has been educated to use the device. If you have any questions about this, please feel free to call our office at 327-2468.

*Medication at School forms can be picked up in the health office and are also available on the Clovis West website under the "Students & Parents" tab, "Health Services."

We look forward to a successful and healthy year for each one of our students!
 ~ Shannon Dean, RN, School Nurse & Irene Benavides, Health Assistant

EAGLE EXPRESS

The West Express is a coffee delivery service run by students in the Functional Life Skills program at CW. Students are learning valuable life skills such as money skills, job skills, and social skills. Currently the West Express is open on Friday mornings for staff to order beverages online. In the coming weeks, the West Express will serve espresso drinks and be open daily. Dr. O'Farrell recently visited with students at the coffee shop which was awarded a \$1300 grant to start operation. The West Express will be a featured grant recipient and several of the FLS students will attend the Superintendent's breakfast in October. Any questions about the West Express or how to get involved, email Mrs. Kennedy Anderson.

PEER COUNSELING

On August 30th, the Clovis West and Kastner Peer Counseling classes came together for an all-day training facilitated by Brooke Bell, the district's coordinator for Peer Counseling. The students worked through team building activities, role playing, and learned more about their role as peer counselors on their respective campuses. Students were able to practice active listening skills, effective questioning strategies, and observed a mock session between two veteran CW peer counselors. At the end of the day the students had grown together as classmates, learned valuable lessons, and are another step closer to being certified peer counselors.

IMPORTANT CHANGES COMING FOR AP STUDENTS FROM THE COLLEGE BOARD

By Karen Boone, Learning Director

The Advanced Placement (AP) Program is a long-standing, rigorous curriculum developed by the non-profit organization, the College Board. Students who participate in these courses are generally looking for a challenging experience, in which they can possibly earn college credit. AP exams are administered in May, at the end of the course. If the student passes with a score of 3, 4, or 5, he or she MAY earn college credit, depending on the college they eventually attend. Currently, Clovis West offers 20 Advanced Placement Courses.

The College Board began to review data on the impact that their courses were having on student success. They conducted numerous pilot programs over the past two years in order to look for better practices to increase student involvement and performance. They found that an earlier commitment to the AP program and subsequent exam was highly beneficial for students. Therefore, beginning with the 2019/2020 school year, the College Board has instituted much earlier deadlines, along with extra fees for late registration as well as for tests not taken. The earlier schedule will be in place for all students and their families who are participating in the AP program.

Changes imposed by the College Board for the 2019/2020 AP registration process are as follows:

- Students will need to create a College Board account if they do not already have one and indicate which exam(s) they will be taking. This will also give them access to online course materials.
- Students will need to register with Total Registration (see school website for link) in order to PAY for their exams.
- Payment for each AP exam will be \$94.00 (plus a one-time Administration cost of \$5.00). Registration and payments for ALL AP tests are due on November 3rd 2019, but families will have an option to make payments through March 1, 2020. If a payment plan is arranged through Total Registration, an additional processing fee of \$2.75 will be incurred. November 3rd is the deadline to either make a deposit and arrange a payment plan or to make payment in full.
- Students who register after the deadline of November 3rd will be charged a \$40.00 late fee in addition to the cost of the AP exam(s). This fee is imposed by the College Board, and not Clovis Unified.
- Students whose household income would qualify for the Free/Reduced Lunch program would be eligible for a waiver and will pay a total of \$5.00 per exam. These students, however, will also be charged the \$40.00 late fee if they miss the registration deadline of November 3rd.
- Students who choose to register late (and pay the extra \$40.00 late fee) will have until March 1st to do so. After this time, students will no longer be able to register for the AP test(s).
- **IMPORTANT:** Students who have registered to take an AP exam (or exams) but then decide not to take it will receive a refund of \$54.00 per exam (\$94.00 original registration less a \$40.00 cancellation fee).

If you have any further questions, ask your student's Counselor, AP Teacher or AP Coordinator, who are all well-aware of the new AP Process.

CLOVIS WEST COUNSELING CORNER

College Application Day is an annual event where the CW Counseling Team teams up with the Government and Economics teachers to help our seniors apply to Community College.

College Application Day was formed by the CW Counseling Team with the objective of helping Clovis West Seniors understand the importance of preparation following high school. While Community College may not be the intended plan for students, we believe that having the Community College application complete, even if it is a "plan b," or "plan c" is crucial to the start of their college career. The goal of College Application Day is for every senior to complete one or more college applications and are celebrated by our faculty and staff. Each senior who completes their application receives an "I Applied," sticker to show their peers and teachers that they are that much closer to be a college student! In addition to applying to colleges, students will begin working on their Free Application for Federal Student Aid (FAFSA) applications by creating their FSA ID number needed to begin the (FAFSA) process. Congratulations Class of 2020!

Your Clovis West Counseling Department wishes to remind you that we are here to help support your student both academically and emotionally. Please do not hesitate to reach out to your student's individual counselor should you have any concerns you wish to discuss regarding your student. As the semester progresses, many students may begin to feel anxious or apprehensive regarding their classes and course loads. This is especially true for our seniors as they are in the process of applying to colleges and navigating their futures. We are here to support you and your student! The direct line to the Counseling Center Office is 327-2118.

Important information for the class of 2020:

1. **Community College (Fresno City, Clovis Community, Reedley and Madera):** Applications must be submitted by November 30th at www.scccd.edu/apply. Please have your student sign up in the Counseling Center if they have any questions or concerns they would like to discuss with Mr. Navarro (Clovis Community College Advisor).
2. **California State University System (Including Fresno State):** Applications are submitted online beginning October 1st thru November 30th (NO EXCEPTIONS) at www.calstate.edu/apply. Please have your student sign up in the Counseling Center for an appointment with our CSU Representative should they have any questions.
3. **University of California:** Applications are submitted online beginning November 1st thru November 30th (NO EXCEPTIONS) at www.universityofcalifornia.edu/apply.

Upcoming FAFSA (Free Application for Federal Student Aid) Workshops: October 3rd, and December 5th in the Computer Lab in the "C" Building from 6:00-8:30 pm.

Remember, you must take either an SAT or ACT exam to be considered for admission to a CSU/UC Campus. You can register for these at www.collegeboard.com or www.actstudent.org.

Important Information for the class of 2022:

1. **Sophomore Parent Night** will be held Tuesday, November 5th at 6:00 pm in the CW Lecture Hall.
2. **Individual Sophomore Counseling** will be taking place during the month of November in your student's World History/AP World History classes.

CLOVIS WEST BAND STUDENTS SHINE THIS SUMMER!

▲ **Taylor Bennett,**
▼ **Nathaniel Trueba,**
Hadley Daniels,
Key Poulan IV '18:
Mandarins Drum & Bugle Corps

season, and officially get a spot in the line. They also commit to paying tour fees of approximately \$3500.00.

Around Memorial Day, the corps members begin move-ins, starting the largest leg of the season. From then on, they are living, eating, sleeping, and marching with the rest of the corps until World Championship Finals. Over the course of about a month, the members learn the show, putting together drill (the movements on the field) and music to build the final product. Members sometimes rehearse up to 16-18 hours a day, pushing themselves to their physical and mental limit. This gets the member ready, however, for the challenges about to be put in front of them throughout the tour.

▲ **Emma Boone '17**
▼ **Santiago Segura '19:**
Blue Devils Drum
& Bugle Corps

Several current and recent alumni of the Clovis West Instrumental Music department spent the summer participating in Drum Corps International as members of the following Drum and Bugle Corps:

The easiest thing to compare Drum Corps to is to Marching Band. While it's not a perfect comparison, corps actively call themselves "Marching Music's Major League". An average corps consists of 150 brass, percussion, color guard members between the ages of 17-21, participating in high level competitions with other corps at events around the country, called the DCI tour. The average tour consists of several parts - auditions, winter camps, spring training, and the tour.

Auditions typically begin mid-November, just as the high school and college marching band seasons are ending. Most corps traditionally hold a mix of weekend-long and single day audition. Auditions generally require two things - a music audition and a visual audition. After their audition, members generally get one of three verdicts - a contract, a callback, or are cut. If a member is contracted, they are officially a member of the corps! They commit to march with the corps for the coming

▲ **Nathan Salazar:**
Blue Devils B Drum & Bugle
Corps.
Claire Heatherly '16:
Seattle Cascades

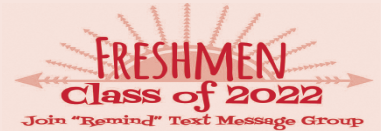

Most of the drum corps experience is on the road. After spring training, members pack up their belongings and get ready to live on the move. Corps travel around the US, performing at competitions in high school, college, and NFL stadiums in from coast to coast. Sleeping on buses and in school gyms, rehearsing in high temperatures during the hot summer months, the tour is rigorous. The experience that comes with it though - performing in front of thousands every night, and making friends that will last a lifetime, as well as the life skills members develop - are difficult to make anywhere else.

Drum Corps is a big commitment - in every form of the sense. Members give up an entire summer to push themselves to their mental and physical limits, performing in front of thousands in stadiums around the country, in far from comfortable conditions. However, from it, members build a sense of community, character, and perseverance rarely found, and hard to replicate.

This year the Blue Devils Drum and Bugle Corps won their 19th Championship August 11th of 2019 at Lucas Oil Stadium!
