Principal's Message

Hello Minutemen!

We are quickly approaching the end of the school year. Soon, we will send off the Class of 2024 with all of our traditional activities. Prom is in April, and then in May we will have the Beach Walk and our unique Graduation Ceremony in the commons where each graduate will "cross the bridge."

With the end of the school year coming, that also means that testing season is heating up. Our tests will include: IB testing, AP testing, FAST Progress Monitor testing, and End of Course exams. Every exam is significant and requires the best each student has to offer. I will continue to send out testing dates utilizing the Monday Memo, to ensure each student is prepared for testing days.

With so many big exams around the corner, exceptional attendance is one of the most critical factors to success for all students. Students that are consistently in school and on time to every class give themselves the greatest opportunity to excel academically. Developing traits of punctuality and dependability also prepares students for success well after graduation as being on time and putting forth your best effort at work are keys to high productivity and professional growth. Thank you for reinforcing the importance of attendance and encouraging your child to make every day of school count!

I look forward to closing out the third quarter of the school year and I am committed to making quarter four the best of the year so far! Thank you for your continued support.

Go Beach!

Cocoa Beach Public Library Logo Contest

Cocoa Beach Jr./Sr. High School Design Club students participated in a logo design contest for the Cocoa Beach Public Library this past month. Congratulations to Addison Hitchins & Keily Maguire (3rd place); Aidan Guiang & Ellie Hill (2nd place); and Leylani Vuong (1st place), whose design was chosen by the Cocoa Beach Public Library as their new logo! Leylani created a suite of logo options for the library, allowing them to choose logos variations that work best for all types of merchandise.

Special thank you to:

- The Cocoa Beach Public Library for allowing our students the opportunity to participate in this design project.
- Mrs. Soto & Mr. Taylor for being part of the judging process.
- All the students who participated in the contest.

Congratulations again to all the winners!

Leylani Vuong with her logo designs

'The Golden Glove'

We extend our heartfelt congratulations to Kaelin Goslin, 'The Golden Glove,' for her outstanding performance this season in Girls' Soccer. Stepping into the role of the team's goalkeeper, Kaelin exhibited unparalleled dedication and unwavering commitment to her teammates. Despite the challenges of adapting to a new position, Kaelin concluded the season with remarkable achievements. She played 1,065 minutes on the field as a goalie, and she made an impressive 180 saves, showcasing her exceptional skill and agility. Her stellar performance has earned her recognition on both a national and regional level. Kaelin ended the season ranked for goalkeeper 45th nationally, 19th in Florida, the 9th in Class 3A, and an exceptional 1st rank in 3A D10. Kaelin's achievements are a testament to her talent, hard work, and passion for the sport. We applaud her remarkable season and look forward to witnessing her continued success in the future.

\$100,000 in Five Years for the Kids!

Cocoa Beach Dance Marathon celebrates a milestone! We hosted our main event on February 24th where we had a lip sync battle, rave hour, Taylor Swift singalong, trivia, awards ceremony, and the final reveal of how much money was raised throughout the year for Orlando Health Arnold Palmer Hospital for Children. Throughout the evening we also heard stories from patients treated at the hospital and how funds from Dance Marathon (DM) impact them. We are so thankful to be apart of such an incredibly supportive community. Some of our top sponsors this year were Nothing Bundt Cakes, Ambassador Services, Sandbar Sports Grill, and Brand & May. This year's total \$31,594.42 is a record for us; 5 years ago our first total was just over \$7,000.

This now makes our 5 year total \$102,273.88!

Thank you to everyone who supported us over the past 5 years whether you bought a bundt cake, attend Mayhem on Minutemen, went to the middle school dance, let us pie you in the face, or played in Not-a-Dodgeball, together we have made a difference in the community and provided critical funds to the hospital for pediatric cancer research, fetal surgery, patient care, and more. A huge thank you to Surfside Playhouse, CB Fire, CB Police, and CBHS Art Club for the best Mayhem on Minutemen yet!

You could not have a better group of students than our DM members. They work extremely hard throughout the year with our various events and generating donations on their own. 4 of the students each raised over \$1,000! Our top fundraisers were: Rhys Gallant, Katherine Harrington, Robert Jeyasselan, and Phaedra Lattouf. The highest honor given is the Legacy Award, which is given to a graduating senior who has left a huge impact on DM. The two recipients were Ava Weido and Julia Dillon. Thank you to everyone who made this year possible!

World Languages News

The World Languages Department has had an exciting year, and there is still more to come in the last few months of school!

We hosted the International Dinner in December, which was a festive, fun event celebrating cultures around the world. Thanks again to all of the students and families who provided delicious refreshments, helped with set-up/clean-up, offered entertainment, and served food! Another fabulous cultural experience for students this year was the Hispanic Flamenco Ballet, which we hosted in the PAC February 9. The amazing show wove together Hispanic music, dance, and culture into an engaging, exciting performance that had students regularly on their feet. A huge thank you to Sra. Bray and the administration for all their efforts in making this event possible!

French Club is working tirelessly to plan and fundraise for Congrès, a yearly gathering of French students and teachers from all over Florida. This special event involves competitions and activities that support learning, community, and cultural awareness. Best of luck to all of the Congrès participants!

A small group of Spanish students from all levels participated in the county-wide Spanish Spelling Bee on March 6 at Heritage High School. These outstanding students were chosen in preliminary rounds to represent CBHS at the Spelling Bee: David Carr, Noah Sabol, Sam Alvarez, Sarah Ahmed, Hasini Setty, Jafar Ahmed, Kyle Sampson, Charlotte Monseliu, Pars Yazmanoglu, Aiden Bartlett, Margaret Hiestand, River Saint Gabriel, Margaret Shunnarah, Melissa Basily, Bianna Alexandra Hill, Antonella Ripepi, and Julia Martinez. Congratulations to all of the participants and thank you for making the Beach World Languages Department proud at the Spanish Spelling Bee!

As the school year winds down, our language students are working on everything from 2-D food trucks/menus for the April Art Show to intense AP and IB exams. Our World Languages teaching team loves watching students explore, learn, and grow at every level, and we appreciate all the support families provide. Keep encouraging your kids to explore language and culture outside of school through music, movies, festivals, food, and more! The opportunities for language and connection are endless!

JROTC News

Our JROTC Cadets continue to set the standard for performance. Our Cadets continue to take advantage to learn at every opportunity. We have fully transitioned to our Drill season and are eagerly awaiting the District Championships in mid-March. Our Drill and Color Guard teams are defending their six-in-a-row District Championships. Our Cadet's morning practices take dedication; our Cadets are growing each day and are ready to defend their titles.

We completed our annual Military Ball at the Tides Club on February 16th. Our Cadets planned and executed a first-rate Military Ball, and we were fortunate to have Mr. Powers, our Principal, and Mr. Mannes, our Vice Principal for Facilities, share the evening with our Cadets. Our guest speaker was our very own Dr. Rowley, whose inspiring words were well-received by our cadets, guests, and family members. With nearly 150 guests in attendance, this was the largest Military Ball to date, and our Staff and Cadet leaders did an excellent job! Our Military Ball ended with honoring our Senior Class Cadets, who were all recognized for their hard work and dedication to our program. A special thanks to our senior Cadets who were instrumental in the evening's success - Battalion Commander Blake Anderson, Battalion S1 Alexis Barnes, and our Battalion S5 Ben Burton, for taking the lead on a fantastic evening.

As we head into spring, our leadership camp at La No Che Boy Scout Camp kicks off Spring Break for 22 of our Cadets, and we are planning for our annual Organization Day on April 24th and our annual JROTC awards ceremony on May 10th. 1SG Staddie and I are excited for our Senior Class, who are eagerly awaiting graduation.

Cocoa Beach Tennis

The 2024 Boys tennis has started their season for the spring. They won their first two matches handily but ran into some of the tougher teams in the Cape Coast Conference. We are looking to improve and surprise some competition by the district tournament in April. The highlights of the season belong to eight grade student, Jordy Abdul. Jordy has won all six of his singles matches and anchored four doubles wins so far this season. Additionally, Jordy is a leader at practice and in the classroom, demonstrating what it takes to be a student athlete at Cocoa Beach Jr./Sr. High School. Other members contributing wins in Varsity matches include TJ Trska, Xander Fuchs, Ian Bjorgum, Zak Williams and Matthew Paulson.
