## Letter from the Principal

Dear Pirates,

As we approach our final quarter of the year, I would like to remind the class of 2021 to work closely with their guidance counselor to ensure all requirements and obligations are fulfilled prior to graduation. Thank you to all who have supported our students. Please continue to encourage and assist them in attending school each day, keeping up with all classwork via Canvass on their IPad if absent, and in achieving their academic and personal goals.

This is a very busy time of year for our staff and students. Please review our school calendar and join us for any or all the extracurricular activities listed this spring. Our students are heading into a rigorous standardized testing schedule soon. In preparation I want to stress how important it is that your student attends school daily as we prepare them for these state mandated assessments. I know your student is looking forward to spring and summer breaks but please encourage them to stay focused and finish strong!

We are already planning for the 2021-22 school year. Our counselors are busy meeting with students who are on campus as well as virtual. I welcome your feedback so please feel free to contact me with comments or suggestions as we strive to continuously improve all aspects of Crystal River High School. Thank you for your continued support.

Sincerely,

Principal

Janet Tuggle

# GENERAL INFORMATION

### FYI

Citrus County Schools previously developed an Asbestos Management Program for all facilities. Required re-inspections of the facilities are performed at six month intervals. Information from these re-inspections, along with that from the original Management Plan, is available for review at each facility.

### ABSENCES

When a student has been absent from school, the parent/guardian is required to send a note with the student's legal name, date of absence(s), and reason for the absence(s) signed by the legal parent/guardian to the attendance office within two (2) days of the student's return to school. If the written statement is not provided by the parent, the absence(s) will be unexcused. After 10 days of excused or unexcused absences, a written statement from a licensed health care practitioner will be required for subsequent absences due to illness indicating they are under the supervision of the physician.

### ATTENDANCE

Regular school attendance promotes student achievement and is crucial for academic success, where an academic year is compressed into four months. The Citrus County Attendance Policy requires mandatory school attendance for students 16 years of age and younger. State laws have also been written that govern school attendance. Parents or guardians are responsible for following the compulsory attendance laws and communicating with the school when problems arise so that the school and parent can work together to ensure their child's success. Parents, if at fault for jeopardizing their child's academic success, may be held legally responsible which may include court hearings, fines and/or placement of the child in youth shelters where school attendance is insured.

Please call Ms. Richardson at extension 4802 if you have any questions or concerns.

## EARLY DISMISSAL PROCEDURE

Please make sure your child knows about any scheduled appointments, or has pertinent family information before he/she leaves for school to avoid miscommunication, missed appointments, to help us keep classroom interruptions to a minimum. There will be no early dismissals taken over the phone. The administration strongly encourages appointments be made outside of school hours but, if an occasion arises that a student does need to leave campus early, please follow this early dismissal procedure:

name, student ID #, reason for leaving school, the date and time student is to be released, parent's/guardian's name and a phone number for verification.

3. No student will be dismissed without an adult signing him/her out in the front office and showing proper identification.
4. Students who leave campus between classes without a note will have unexcused absences recorded for the remainder of the day and face disciplinary action.

## ZERO TOLERANCE

The expectation of the CRHS Administration and Staff is that while you are on campus, you make choices that will positively improve your education and high school experience. The following non-negotiable rules have been adopted by our discipline committee and will be implemented by teachers and staff. Violations will result in disciplinary action.

- Controlled Substances/ Drugs & Alcohol
- Theft / Stealing
- Bullying / Fighting
- Dress Code
- Electronic Devices

Students who have multiple tardies, attendance and discipline issues may lose privileges of participating in extra-curricular activities.

Teacher	Course/Class
Amanda Amato	ESOL
Raymond Lay	Digital Media; Digital Media Production
Vernon Owens	ESE Inclusion
Allison Olmstead	English I
Andrea Barnes	Dental Aide 3

Each of these teachers has both experience and coursework in the area they are teaching. They are excellent teachers and we appreciate the extra effort they are putting forth on behalf of our students.

## ATHLETIC NEWS

### INFORMATIVE SITES

FHSAA.org is a very informative website for athletes. Any forms that are needed for an athlete for sports is also available for download. Just pull down the "For Parents and Students" bar at the top, and you will find the physical and other forms there as well. Max Preps is also another very good site where you can find schedules, score updates, and stats for all sports here at CRHS.

### SCHOOL INSURANCE

Visit [www.schoolinsuranceagency.com](http://www.schoolinsuranceagency.com) to view affordable insurance plans for students. After enrolling online, you can print your ID card when the payment process is completed.

### ARE YOU AWARE?

The requirements are changing for students who enroll full time at an NCAA Division I school after August 1, 2016. Students must graduate high school and meet ALL the following requirements:

#### Complete 16 core courses:

- Four years of English
- Three years of math (Algebra 1 or higher)
- Two years of natural/physical science (including one year of lab science if your high school offers it)
- One additional year of English, math or natural/physical science
- Two years of social science
- Four additional years of English, math, natural/physical science, social science, foreign language, comparative religion or philosophy
- Complete 10 core courses, including seven in English, math or natural/physical science, before the seventh semester. Once students begin their seventh semester, they may not repeat or replace any of those 10 courses to improve their core-course GPA.
- Earn at least a 2.3 GPA in their core courses.
- Earn an SAT combined score or ACT sum score matching their core-course GPA on the Division I sliding scale, which balances their test score and core-course GPA. If students have a low test score, they need a higher core-course GPA to be eligible. If they have a low core-course GPA, they need a higher test score to be eligible. If they have a low core-course GPA, they need a higher test score to be eligible.

For more resources regarding these changes, visit [NCAA.org/student-athletes/play-division-i-sports](http://NCAA.org/student-athletes/play-division-i-sports) or the Division I Academic Requirements Guide.

### HEAT RELATED ILLNESS

As the school year is ending and the Florida heat has returned, we must all be aware of the dangers that heat exposure can cause for our students and ourselves during daily activities. Normally when the temperatures are high, our bodies cool themselves by sweating. When the weather is extremely hot and humid the body's ability to cool itself is impaired. Please pay close attention to our students as they are outside for recess, PE, ROTC, sports, band, or other special events. The following are some tips to help prevent heat related illness:

- Drink plenty of fluids
- Do not wait until thirsty to drink
- Take frequent water breaks anytime there is outside activity
- Keep students out of direct sunlight as much as possible
- Monitor children closely

If you have any concerns about a student who is feeling ill after exposure to the heat, please contact the clinic and/or your school nurse as soon as possible.

## BAND

Mr. Ramsey and the Crystal River High School Band would like to congratulate a senior percussionist, Taylor Crompton, on her participation in the Florida Music Educators Association Honor Band. Due to the current health crisis, the event will unfortunately be held virtually. Despite this, the Honor Band planning committee has worked arduously to provide a fulfilling educational experience considering the circumstances.

## MESSAGE FROM THE CLINIC

Parents, please review the "medication policy" and necessary medication forms on Citrus County Schools Website. To insure an easy transition, medication forms can be downloaded for completion by the parent and health care practitioner prior to the first day of school. All completed forms and/or Doctor orders can be faxed to CRH @ 352-249-2105.
