Principal's Message

IT IS GREAT TO BE A PANTHER!

Cypress is excited and ready for a new school year! As we welcome Panthers back, we will continue our focus on the ABCs- Attendance, Behavior and Classroom Success. During high school, a vision for life after high school takes shape. Students need support and encouragement to develop habits that are necessary for success in high school and in life. Parents, you are our most important partners during this time. Start with A- attendance each day and each period is critical. Getting to class on time is key to doing well in high school. **Regular daily attendance is a must.** Panthers are expected to come to school everyday in dress code with required supplies (charged Chromebook, notebooks, calculator, pens, pencils). Cell phones and headphones/earbuds will be off and away in accordance with the updated district policy. Check FOCUS daily and discuss what is posted for the "B and C" of our ABCs behavior and classroom success. Check FOCUS for behavior and grades/classroom success. FOCUS can be accessed through the student launchpad on the school issued Chromebook. The Cypress Way is to be *where* you are supposed to be, *when* you are supposed to be there doing *what* you are supposed to be doing. Families- Your routine of monitoring daily and weekly will help to keep our Panthers focused on their success for the upcoming school year! Make sure you are subscribed to School Messenger to get all emails, texts and calls from Cypress Lake High! Thank you for taking time now to set up how you will support our expectations and help your students throughout the year.

The Panther family extends an especially warm welcome to our incoming students! You are about to become part of a remarkable community. I look forward to the opportunity to get to know each of you in the years ahead. We place a special emphasis on the transition of our freshmen students. This new chapter in their lives began last spring with course selection, and will continue on Wednesday, July 31st with Panther Force. Panther Force is a special program designed to help ninth graders both get ready

Principal's Message

continues...

for their first day of high school and learn what it means to be a Panther. We hope all of our freshmen are excited to start high school! Panther Force is not just freshman orientation, it is the start of a wonderful adventure. Our Panthers will learn, grow and amaze themselves while at Cypress.

Arts, activities and athletic programs are very important during high school. They create a sense of belonging and bond us to Cypress! We urge all of our students to participate in at least one of these programs each year. Additionally, research indicates that students who are involved in their school achieve more academically. Be sure to look at all CLHS has available, and ask yourself: "How can I get involved this year?"

It is important for you to know that my door is always open. My email is Angelarr@leeschools.net and the school phone number is 481-2233. I hope to see all of you at our Back-to-School Open House on Wednesday, August 7th, from 4:00 p.m. to 6:00 p.m. During Open House, students will receive schedules, meet teachers, get bus information, lockers, parking permits and so much more.

Remember our goal is the TASSEL which symbolizes earning the high school diploma. **The tassel is worth the hassle!** I hope everyone has had a restful summer and is ready to tackle a new school year at Cypress Lake High School!

Welcome back!

Angela Roles, Principal
