DHS MISSION STATEMENT

In an environment established with high expectations, tradition, and deep community ties, the staff of Deltona High School will foster relationships as we continue to persevere towards academic excellence.

VISION STATEMENT

Ensuring all students receive a superior 21st century education. Mission: Volusia County Schools will ignite a passion for learning by providing a challenging, creative curriculum in a safe, supportive environment where students reach their highest potential.

PRINCIPAL'S MESSAGE

Dear Wolves' Families,

Happy New Year! I hope this message finds you well and I hope everyone had a restful and enjoyable Holiday Season and are rejuvenated to start the New Year. This year has pushed us, questioned our ideas of success and has shown us that nothing is more important than our own health. With the New Year comes a new chapter, new verse, or just the same old story? Ultimately, we are in control of every page and what we write in our book. There comes a day when you realize turning the page is the best feeling in the world, because you realize there's so much more to the book than the page you were stuck on. I hope everyone has turned their page to start the new year and you are only looking forward to opportunities ahead. We are excited for the 2022 year and look forward to working together as we finish this school year strong.

Every new year, I look to create, recognize and take advantage of 365 opportunities ahead. Taking hold of opportunities is one of life's greatest pleasures. We see something we've been waiting and preparing for, and here it is. People talk about opportunity coming to 'knock' on your door, but in reality opportunity is everywhere, we just have to be ready to recognize it. Opportunities only embarrass us if we're not fully prepared for them, so let's prepare to be the best versions of ourselves and to ensure we capitalize on every opportunity ahead. Remember to see opportunities, not as obstacles or challenges, but a chance to propel us forward to new possibilities today!

I am very excited about our 2022 year ahead, and I know we are going into have a lot to celebrate in our near future. With new thoughts, comes a new attitude, and with positive thoughts and actions, we will build a better tomorrow for all. Wishing you all 12 months of success, 52 weeks of laughter, 365 days of opportunities, 8,760 hours of joy, 525,600 minutes of good luck, and 31,536,000 seconds of happiness.

Graduation rates have been officially released from the state, and I am ecstatic to share that history has been made. Deltona High ranks as the #1 high school in Volusia County and Flagler County, with a 96.8% graduation rate for the class of 2021. Our 97% graduation rate is also the highest in school history, along with outperforming the state average for 3 consecutive years.

This is absolutely amazing, and it could not have happened without the hard work, commitment and support from each of you. You believe in our students and you continue to exhaust every effort to get them to cross the stage in 4 years or less. Your commitment, belief, and trust into Deltona High's Pillars to Academic Success shows that all students, with a strong support system can accomplish anything. This is a huge accomplishment and is a team effort for all involved. I am proud of each of our students, and I know our families and community members are proud too, because this kind of success isn't possible without everyone working together. Deltona High is proof that our zip code does not define our schools success, nor our students' destiny. Continue to share this exciting news and let everyone know that big things are happening on Wolf Pack Run!!

Subgroup Graduation Rate Success Highlights:

- White - 97.8% (+6.2%)
- Hispanic - 96.6% (+0.3%)
- Economically Disadvantaged - 96% (+3.2%)
- Black - 94.7% (+1.6%)
- Students with Disabilities - 93.5% (+8.2%)
- At Risk - 95.6% (+5.8%)

This is something each of you should be very proud of and we are truly "on our way to an A!"

Testing is right around the corner. Students will take a variety of tests this year to show proficiency in a course or to meet graduation requirements. Please review the school website for all testing information.

Please encourage your students to stay focused and work hard to prepare themselves for these exams. Encourage your students to take advantage of any tutoring opportunities we have before school, during lunch, and after school.

Please continue to watch the calendar of events, our DHS Twitter page (@dhshappenings), Deltona High School Facebook page and our DHS website (dhswolves.com) to stay informed of the many activities taking place on the Deltona campus.

I hope to see you all at our remaining SAC meetings on February 15th, March 15th and April 19th @ 5:30. We would love your support!

I am grateful for each of you, and it is an honor to serve as your principal. Continue to be humble, be hungry and always be the hardest worker in the room.

Go WOLVES!

Mike Micallef

Principal, Deltona High School

TOGETHER
WE ARE
STRONGER

ATTENDANCE

If you are absent from school, a phone call to the attendance office from the parent/guardian is required the same day (Ext.44091). Or a written note from the parent/guardian may be brought to the attendance office the next day. The information should include the student's name, alpha code, the date and reason for the absence and the parent/guardian's name and phone number. When a student has missed 15 or more excused/unexcused days of school, further absences cannot be excused without a doctor's note.

NOTE: The Florida Legislature has enacted requirements that schools report to the Department of Highway and Motor Vehicles the names of students who fail to satisfy the attendance requirements. This refers to students who accumulate 15 unexcused absences (excludes out-of-school suspensions) within 90 calendar days. Students who fail to satisfy attendance requirements will be INELIGIBLE for driving privileges.

EARLY CHECK-OUT

Parents requesting early check-out of their student can complete a pre-arranged check-out pass (located in the front office) and return it to the Attendance Office no less than 24 hours before appointment. This alleviates any wait time for you when you come to pick up your student. If you call or come in, please understand that we need some time to get your student for you. Please allow 30 minutes. This will allow the school the opportunity to look up the student's schedule and send for them to meet you at the Attendance Office. Parents/guardians, it is important that we check the driver's license of anyone picking up your student early from school. This will be done to ensure the safety and well-being of your child.

TARDY POLICY

Students who are not in class after the tardy bell are considered late. Parents/guardians will NOT be able to excuse any student without a doctor's note. Excessive tardiness will result in a disciplinary consequence.

Your sons or daughter's academic success is our number one goal. We believe academic performance begins with being in class on time and ready to learn. Students will receive a disciplinary consequence for not following the expectations at DHS. As you know, punctuality is an important career skill, so please encourage your student to be on time to each class.

DRESS CODE

The dress code policy may have a few adjustments for the 2021-2022 school year. Please follow the Volusia County Schools website and dhsolves.com for any updates. We will keep you posted of any changes.

PARKING PERMITS

Parking Permits are required to park on campus. All students who wish to drive to school must purchase a \$45.00 parking permit. Students must provide the school with a copy of their driver's license, insurance card, and vehicle registration to purchase the permit. Any student with an obligation will be unable to purchase a parking permit. Once a student's obligation is paid in full, he/she may purchase a permit. All vehicles must be registered, and school permits placed on rear view mirror to have the privilege of parking in the student parking lot.

SCHOOL NURSE

Please use this website <http://vcsedu.org/student-health-services/Pages/Health-RelatedAuthorization-Forms.aspx> to access the new medication forms and procedure forms for the school year. Medication forms, procedure forms, and emergency care plans must be renewed by the parent/guardian, at or before the beginning of each school year for your child to receive medication or procedures during school hours. Students carrying their own epi-pen, inhaler, or diabetic supplies, are also required to have a medication form on file at the school.

PARKING LOT REGULATIONS

The privilege of parking on campus is reserved for those who abide by school rules and procedures. Consequently, noncompliance with rules and procedures may result in having your parking privileges suspended or revoked.

- All cars parked on the school grounds must have a visible Deltona High School parking permit for the current year, available for purchase in the Conduct Management Office.
- Parking permits will be confiscated if found in another student's car and will result in disciplinary consequences.
- Students must park in designated student parking only. You must park in a legal parking spot. Do not park on grass, hills, curbs, etc. If you park illegally, a parking violation will be issued and left on your car. The 2nd offense will result in the loss of parking privileges. After parking your vehicle make sure you lock your doors then proceed to building sites immediately. No loitering in the parking lot. Sitting in cars in the parking lot is not permitted at any time. Under no circumstances are students allowed to park in the faculty/visitor parking lot parallel to Wolf Pack Run. Failure to follow student parking lot policies and procedures will result in disciplinary consequences and loss of parking privileges.
- Students participating in extracurricular or athletic events must leave their vehicles parked in the student parking lot. DO NOT move it around to the faculty or gym area parking lots.
- Reckless driving will not be tolerated on school grounds (speed limit is 5 mph). The driver and any front passengers must wear seat belts when a vehicle is in gear.
- Students are not permitted in the parking lot during school hours unless they have a valid pass from the Conduct Management Office or an administrator. Leaving school materials and/or textbooks in the car is not permitted during school hours.
- The student parking lot is locked at 11:00 PM nightly when there are evening activities and reopened at 7:45 AM. Students being picked up after school or dropped off in the morning must use parent pick up, not the student parking lot. Deltona High is not responsible for safety, security, or contents of your vehicle.

SCHOOL COUNSELING

Greetings from the School Counseling Department and welcome to the second semester! We hope everyone had a restful and healthy Winter holiday and are excited for what is to come the remainder of the school year.

January begins with an opportunity for Juniors & Seniors to register for the administration of the ACT which will take place March 8th-10th. This test administration can be used for obtaining a concordant score used to meet the FSA ELA and Algebra 1 EOC test requirements for a standard high school diploma. Students who were required to take EOC's last year and the year prior but were unable due to COVID-19 will still need to complete these requirements for graduation purposes. Please see your counselor to ensure you are placed on the EOC retake roster. EOC retakes will also begin this Semester, starting February 22nd. Students who wish to dual enroll with Daytona State College in the Summer or Fall of 2022 and have not yet fulfilled testing requirements, may have the opportunity to take the PERT on campus beginning February 14th. Please speak with your counselor to sign up for this test and/or if you have any further questions.

Throughout January and February, counselors will be reviewing 1st semester grades and meeting with at-risk students to prepare a plan for success in the 2nd semester. Emails will be sent to students and parents regarding academic progress monitoring. Parents as well as students are encouraged to continue monitoring progress through Parent Portal, grade book, and contact with teachers/counselor. Counselors will also continue the district initiative of "two-point touches" and begin meeting with every student in their cohort to discuss graduation preparation as well as YouScience opportunities.

During the months of February and March, seniors should be finalizing plans for graduation and post-high school pursuits as well as completing financial aid applications (FAFSA & FFAA) and applying for scholarships. College-bound Juniors are encouraged to take the standard ACT and/or SAT (required for college admissions and scholarships) as they continue their college search. On campus ACT will be taken March 8th-10th and the Junior SAT school day will take place April 13th. With post-secondary planning in mind, counselors strongly advise students to meet with college representatives visiting our campus and to sign up for on-campus college presentations being offered this Spring. Representatives are here to answer any questions as well as highlight their many academic programs from vocational certifications to bachelor's degrees. Students may also visit Mrs. Thor, our College and Career counselor, in the counseling office to learn more about these opportunities.

Underclassmen will be selecting courses for the 2022-2023 school year and are encouraged to challenge themselves to select rigorous classes. Counselors have open office hours in the mornings before school and daily during student lunch to assist students in selecting these courses. Counselors are also available by appointment throughout the school day. Students can schedule meetings with their counselor through the Deltona High School Counseling webpage, under the school counseling team tab.

As always, your DHS counselors are here to assist and support you. **Go Wolves!**

WRESTLING RECOGNITION

For the first time in Deltona's history, the Wolves will compete in the region level of the FHDDA duals post-season after winning twice at home to take the 1A-District 6 Title. Jeffrey Root (138) and Zane Hair (152) led the way for Deltona, as both middles had two pins on the day. Way to go, Deltona Wolves Wrestling!
