DHS MISSION STATEMENT

In an environment established with high expectations, tradition, and deep community ties, the staff of Deltona High School will foster relationships as we continue to persevere towards academic excellence.

VISION STATEMENT

Ensuring all students receive a superior 21st century education. Mission: Volusia County Schools will ignite a passion for learning by providing a challenging, creative curriculum in a safe, supportive environment where students reach their highest potential.

PRINCIPAL'S MESSAGE

Dear DHS Parents and Students,

- ✓ Can you believe it? We are already in the second nine weeks of the school year. Students should be settled into their classes and working hard to learn and meet the proficiency standards in their courses. Please encourage your son/daughter to take advantage of all tutoring available before school, during lunch, and after school from their teachers.
- ✓ Report cards will be released to your son/daughter on October 27th. Please take the time to look over the report card and encourage your son or daughter to take advantage of all opportunities for academic success. Please feel free to contact Mrs. Garcia, school counseling department @ extension 44397 to schedule a parent conference with the teachers.
- ✓ How would you like for your child to earn a free pair of VANS? Students can have the opportunity to earn new VANS by participating in the "Future Me Friday" challenge. Students can enter their name if they complete and submit their FAFSA, complete and submit a scholarship application, complete, and submit a college application, complete and submit a job application, or score a 90% or better on a summative assessment or project for Math, Science, English, or Social Studies. A winner is drawn every FRIDAY.
- ✓ Join SAC (School Advisory Council). We are looking for parents that can meet once a month @ 5:30 pm in the Learning Commons. Our next SAC meeting is November 16th. I hope to see you there.
- ✓ As a Title 1 school for the 2021-2022 school year, DHS will host various engagement opportunities throughout the year for parents, community members, and students. Please visit the DHS website (dhswolves.com) to stay abreast of various opportunities for you to engage with DHS.
- ✓ I want to thank each of you for being supportive of Deltona High School. As you know we are continuing to work hard to increase our academic focus, school spirit and culture at DHS. Please get involved and join the Wolves' Family by participating in school events and programs. This is OUR community and OUR school. As a team, with all our stakeholders working together, we will continue to make DHS the best school in Volusia County! I appreciate all your support for DHS students, faculty, and school community.

As always, if you have any questions, comments, or concerns, feel free to contact me.

Mike Micallef

ATTENDANCE

If you are absent from school, a phone call to the attendance office from the parent/guardian is required the same day (Ext.44091). Or a written note from the parent/guardian may be brought to the attendance office the next day. The information should include the student's name, alpha code, the date and reason for the absence and the parent/guardian's name and phone number. When a student has missed 15 or more excused/unexcused days of school, further absences cannot be excused without a doctor's note.

NOTE: The Florida Legislature has enacted requirements that schools report to the Department of Highway and Motor Vehicles the names of students who fail to satisfy the attendance requirements. This refers to students who accumulate 15 unexcused absences (excludes out-of-school suspensions) within 90 calendar days. Students who fail to satisfy attendance requirements will be INELIGIBLE for driving privileges.

EARLY CHECK-OUT

Parents requesting early check-out of their student can complete a pre-arranged check-out pass (located in the front office) and return it to the Attendance Office no less than 24 hours before appointment. This alleviates any wait time for you when you come to pick up your student. If you call or come in, please understand that we need some time to get your student for you. Please allow 30 minutes. This will allow the school the opportunity to look up the student's schedule and send for them to meet you at the Attendance Office. Parents/guardians, it is important that we check the driver's license of anyone picking up your student early from school. This will be done to ensure the safety and well-being of your child.

Time to schedule back-to-school physicals!

**Same- and Next-Day Appointments Available***

It doesn't seem possible, but it's almost time for kids to go back to school. Whether next year will include virtual classes, homeschooling or in-person learning, don't forget to schedule back-to-school physicals. An annual school physical gives a pediatrician or family medicine provider the chance to address any concerns with your child's physical and mental health and development.

Schedule an appointment at 407-537-5516 or visit CentralFloridaBacktoSchool.com to learn more.

SENIOR PORTRAITS

Upcoming Seniors - Senior portraits will be taken over the summer by **Cady Studios**. For more information about the senior portraits, please visit the website www.cadystudios.com or call 800-547-6237. You should be receiving an e-mail and flyer from Cady Studios informing you on how to make your sitting appointment. There will also be a picture day at school for seniors on Thursday, October 21st. You **MUST** still make an appointment through Cady Studios for this date.

TARDY POLICY

Students who are not in class after the tardy bell are considered late. Parents/guardians will **NOT** be able to excuse any student without a doctor's note. Excessive tardiness will result in a disciplinary consequence.

Your sons or daughter's academic success is our number one goal. We believe academic performance begins with being in class on time and ready to learn. Students will receive a disciplinary consequence for not following the expectations at DHS. As you know, punctuality is an important career skill, so please encourage your student to be on time to each class.

PARKING PERMITS

Parking Permits are required to park on campus. All students who wish to drive to school must purchase a \$45.00 parking permit. Students must provide the school with a copy of their driver's license, insurance card, and vehicle registration to purchase the permit. Any student with an obligation will be unable to purchase a parking permit. Once a student's obligation is paid in full, he/she may purchase a permit. All vehicles must be registered, and school permits placed on rear view mirror to have the privilege of parking in the student parking lot.

PARKING LOT REGULATIONS

The privilege of parking on campus is reserved for those who abide by school rules and procedures. Consequently, noncompliance with rules and procedures may result in having your parking privileges suspended or revoked.

- All cars parked on the school grounds must have a visible Deltona High School parking permit for the current year, available for purchase in the Conduct Management Office.
- Parking permits will be confiscated if found in another student's car and will result in disciplinary consequences.
- Students must park in designated student parking only. You must park in a legal parking spot. Do not park on grass, hills, curbs, etc. If you park illegally, a parking violation will be issued and left on your car. The 2nd offense will result in the loss of parking privileges. After parking your vehicle make sure you lock your doors then proceed to building sites immediately. No loitering in the parking lot. Sitting in cars in the parking lot is not permitted at any time. Under no circumstances are students allowed to park in the faculty/visitor parking lot parallel to Wolf Pack Run. Failure to follow student parking lot policies and procedures will result in disciplinary consequences and loss of parking privileges.
- Students participating in extracurricular or athletic events must leave their vehicles parked in the student parking lot. **DO NOT** move it around to the faculty or gym area parking lots.
- Reckless driving will not be tolerated on school grounds (speed limit is 5 mph). The driver and any front passengers must wear seat belts when a vehicle is in gear.
- Students are not permitted in the parking lot during school hours unless they have a valid pass from the Conduct Management Office or an administrator. Leaving school materials and/or textbooks in the car is not permitted during school hours.
- The student parking lot is locked at 11:00 PM nightly when there are evening activities and reopened at 7:45 AM. Students being picked up after school or dropped off in the morning must use parent pick up, not the student parking lot. Deltona High is not responsible for safety, security, or contents of your vehicle.

DRESS CODE

The dress code policy may have a few adjustments for the 2021-2022 school year. Please follow the Volusia County Schools website and dhsolves.com for any updates. We will keep you posted of any changes.

SCHOOL NURSE

Please use this website <http://vcseu.org/student-health-services/Pages/Health-RelatedAuthorization-Forms.aspx> to access the new medication forms and procedure forms for next school year, which begins on August 16, 2021. Medication forms, procedure forms, and emergency care plans must be renewed by the parent/guardian, at or before the beginning of each school year for your child to receive medication or procedures during school hours. Students carrying their own epi-pen, inhaler, or diabetic supplies, are also required to have a medication form on file at the school.

COUNSELING CORNER

Greetings from the School Counseling Team!

The 2021-22 school year is well underway and has already brought many changes to our campus to say the least. We want to give a huge thank you to our Wolves families for continuing to trust in us on your academic journey. We are so excited to have all students back on campus! First and foremost, we would like to take this time to update you on a few changes within our department.

Mr. Richard Scott has taken over the Senior class of 2022. Ms. Taylor Leyble will be continuing her journey with the Junior class of 2023. Ms. Cassandra Lundy will be with the Sophomore class of 2024. Mrs. Donnette Estelhomme, our former director, has so graciously moved into the district and will be overseeing counselors' grade 6-12 in the county. Although she will not be with us on campus, we are excited to continue working with her to meet the needs of our students. In the meantime, we are hoping to gain a new director and Freshman counselor moving forward. Mrs. Nou Thor has stepped in and will be overseeing our College and Career Readiness position, which will deal with all things post-secondary success.

Our department has excellent support from additional people. Ms. Rosa Garcia, our School Counseling Secretary extraordinaire, assists with scheduling conferences, gradebook, and assisting all the School Counselors. Ms. Karina Dalik serves as our school's Registrar who can assist with all things records related. Our school's remarkable Data Specialist, Mrs. Kristen Catalano, services the world of data entry.

DUAL ENROLLMENT

- *Students must complete their DSC admissions application **AND** submit a signed dual enrollment form with courses selected by December 1st.
- If you would like to know if you are eligible for dual enrollment or have questions pertaining to the PERT and signing up for DSC courses, please see your assigned school counselor. Quarter 1 ends October 15th:
- Counselors will be meeting with S1 students who may be falling behind*
- Counselors will also be meeting with each student within their cohort through September and October to discuss Post-Secondary, Test Preparation and Graduation Plans for Success*

Please know the School Counseling Team is here to help your student

with academic support, social/emotional support, and college/career planning. If you need assistance, please have your student visit us during our office hours, before/after school and during lunch. For any parent meeting, please contact the School Counseling Secretary. These appointments can also be made through the DHS counselor webpage under your counselor's name.

On behalf of the School Counselors, it is our pleasure working with each of you this school year. Go Wolves!
