I want to thank our staff, students, and families for making the start of the school year so successful. It is hard to believe that we are finished with the first quarter of the 2024-2025 school year. We have had a successful Homecoming, implemented a new bell schedule, and are continuing to find ways to improve instruction and engage our students. I am also excited to share that Fairfield High School has exceeded the state average and has earned an overall rating of 4 stars on the state report card.

There is already a lot to be proud of as a school, district, and community. In athletics, our sports teams are in the middle of playoff runs, and we have celebrated our Senior Fall athletes for their leadership and success. In Performing Arts, our Marching Band is working hard for their state championship event at the end of October, our drama students are preparing for The One Act Festival on November 9th, and the Show Choirs are gearing up for their competition season right around the corner.

We have so many hardworking and dedicated students, please let me take some time to recognize several. This year we recognize two students for being named National Merit Semifinalists. These students are Hadi Dabdoub and Garrett Von Gostomski. These two seniors scored in the top 1% of the 1.7 million students who participated in the 2023 PSAT. We also recognized Garson Gagen and Dharma Patel as Commended Scholars. These two seniors scored in the top 3% of the same 1.7 million students who participated in the 2023 PSAT. Additionally, the College Board awards 32,000 students from across the country with academic honors. To be recognized for these awards, students must have a GPA of 3.5 or higher, have excelled on the PSAT, or earned a score of 3 or higher on two or more AP Exams, and are African American or Black, Hispanic American or Latinx, Indigenous, First-Generation College Student, and/or attend school in a rural area or small town. Fairfield High School's 2024 award winners are Portia Owusu-Ansah, Hadi Dabdoub, Marc

THEATER NEWS

After a very exciting and large turnout to our opening week meeting, we were off and running with auditions for both of our fall offerings: *The Student Directed One-Act Festival* and *OctoberFest: A Look at Theatre*. With our student directors chosen and plays decided we took to our August auditions and cast over 50 students for the five One-Act plays. As the students and directors rehearsed their One-Acts, Mike Massie and our Theatre staff put together a theatre experience for our students that offered an educational journey through audition techniques, acting, movement, script study and performance.

What a great turn out for our OctoberFest, this past October 26th weekend. A big thanks to Mike Massie, Chelsey Cavender, Trish Lutterbie, Lori Vail and Rose Gibson for all they did for our kids - incredible. With the success of our OctoberFest, it is now time for the One-Act Festival and the directing debut of Carson Alexander, Emily Leugers, Abby Martz, Shannon McDaniel and Aaralyn Schulte. These directors have been working since this past summer preparing their One-Acts for this weekend's, November 9, 2024, festival. Please join us this Saturday in the *FHS Performing Arts Center: Jim and Pat Davis House* for a day of great theatre, and to celebrate our FHS Drama students (see schedule below)
