## Principals Message

We are deep into the third quarter and we have to keep pushing our students to not only attend class daily but to also give their best effort and catch up if they are behind. Spring brings so many opportunities for our students to participate in clubs, musicals, sports and extracurricular activities; encourage your students to get involved and embrace that FPC spirit.

Parents and guardians please take a moment to complete our Title I parent survey which is available in four languages and is open until March 4th.

[https://flaglerschools.com/about\\_us/newsroom/what\\_is\\_new/title\\_i\\_parent\\_survey](https://flaglerschools.com/about_us/newsroom/what_is_new/title_i_parent_survey)

If you have not yet completed your free and reduced lunch application please do so at this time. We are able to offer additional classroom support, tutoring and other items because of our Title I status, so take a few minutes to complete the application:

It's so much more  
than a meal application.

### From the Principal

...continued from cover

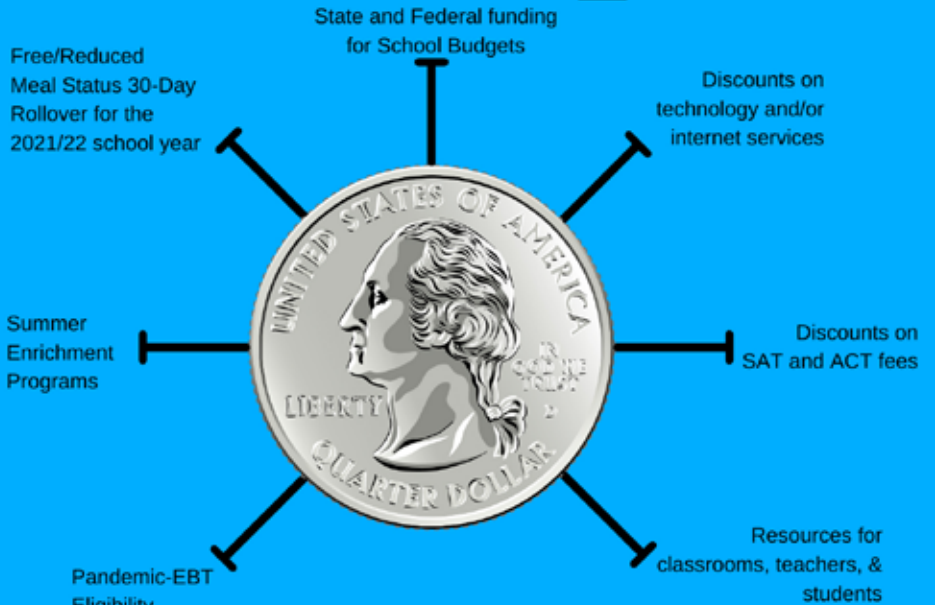

Why does Flagler Schools still want you to submit a Free and Reduced Price Meal Application for this current school year?

Because federal funding for our district is based on student enrollment AND free/reduced-price meal data! Many families who would normally qualify for meal benefits simply haven't applied this year. This could impact upcoming funding for Flagler Schools.

Completing the application takes less than 10 minutes, and we only need one application per household.

## Bring on 2022

**It's almost Spring!**

**Be refreshed and Renewed!**

**Time for Spring Cleaning on your grades and attendance.**

**FINISH STRONG!**

By Dave Halliday—Graduation Coach and Anthony Campanella—Graduation Coach

The past two school years have been uncharted waters for all of us, but we have all persevered and moved forward! The fall semester flew by in the blink of an eye. No matter how the fall semester ended you now have an opportunity to improve your GPA and attendance.

Let's ALL start this semester with a clean slate. We encourage everyone to enjoy this chance for a fresh start by utilizing their time management skills to maintain good study habits and grades. Students make sure to check your Skyward and school email daily. Please advocate for yourself. Teachers do not know you are concerned about your grades unless you let them know. Teachers want to see you succeed. Make sure you have an open line of communication with each of them.

It is of paramount importance not only to pass all of your classes but to earn C's or higher. Simply earning D in class is almost as detrimental to your GPA as failing that class. Every student must maintain a 2.0 cumulative GPA to participate in athletics as well as to graduate in four years. Earning all C's in each of your classes will keep you at a 2.0 GPA. Just one D or F will drop you below a 2.0 GPA. Don't allow yourself to slack off academically by not maintaining your grades the third nine weeks. A huge key to your success is daily attendance. Students who are absent from class tend to fall behind in their work and grades. Chronic absences can mean being absent as few as 4-5 days the first nine weeks. Be here, be on time, be prepared!

**Changes to IB Spanish B Exams for May 2022**

As the International Baccalaureate Diploma Program and Course Program close in on their May 2022 exam sessions, most of the exams are structured like those last year which were mitigated or amended due to the COVID pandemic affecting IB schools on a global scale.

The most significant difference for May 2022 involves IB Spanish B. All IB juniors and seniors scheduled for IB Spanish B Higher Level (HL) and Standard Level (SL) must take the new listening portion of the Paper 2 exam. For HL and SL the listening comprehension exams take 1 hour and 45 minutes respectively. Because of this addition to Spanish exams the weighting of assessments has been slightly altered for May 2022. Please see the chart below for the weighting of each component for the revised IB Spanish B curriculum assessments. At this time, this applies only to students in the May 2022 session.

Language B marks and weighting					
	Component	Current marks	Marks for 2022 only	Current weighting	Weighting for 2022 only
SL	Paper 1	30	30	25%	25%
	Paper 2 – listening	25	25	25%	25%
	Paper 2 – reading	40	40	25%	25%
	IA	30	30	25%	25%
	Total weighting	100%	100%		
HL	Paper 1	30	30	25%	25%
	Paper 2 – listening	25	25	25%	25%
	Paper 2 – reading	40	40	25%	25%
