

The Pride of the Beaches

From Your Principal, Dean Ledford

Hello Senators!! We have completed 3 quarters of the school year at Fletcher High School. The Class of 2020 will be graduating on May 27th at 5:00 p.m. in the Jacksonville Veteran's Arena. For the parents of Seniors please contact your son or daughter's counselor to ensure all graduation requirements are on track for completion prior to graduation. As a school we will use the mail and phone system to advise parents if their child is in jeopardy of not graduating.

We are also approaching our end-of-year assessments. The chart below is all of the Florida State Assessments and the window in which they will be given. Please keep in mind that many of these tests are completed on-line so testing will be conducted during the entire window for students. Speak to your son or daughter prior to any plans around checking them out of school early during these test dates. If a test is started and not finished due to a student being checked out of school, the test may be marked as invalid and cannot be scored nor can they complete the test another time. In order to avoid this situation please check with your child prior to checking your student out of school. The testing dates below do not include the make-up times for students that are absent. Each test does have a make-up time window. As always with testing we ask for your flexibility. Administering examinations to over 2000 students frequently results in last minute adjustments in our testing schedule. The test schedule below does not include teacher quarter, semester or teacher end-of-course exams. Those assessments are determined by the individual teacher.

Test	Date	Grade
SAT	April 14	11th Grade Students
9th and 10th Grade Writing	April 1	9th and 10th Grade Students
Reading/Language Arts - 9th	May 1 and May 2	9
Reading/Language Arts - 10th	May 1 and May 2	10
Geometry	May 11 and May 12	All students scheduled in class
Algebra 1	May 11 and May 12	All students scheduled in class
Biology	May 8	All students scheduled in class
US History	May 15	All students scheduled in class

Just a reminder that we offer tutoring in several subjects. The tutoring schedule is attached. Please take advantage of these outstanding opportunities. Also, we are planning several review sessions for the upcoming assessments. All students are invited. Your student will receive the specific information from their teacher.

COLLEGE APPLICATIONS

Hopefully, by now (after several reminders) Seniors have applied to the university or community college they hope to attend next year. Most colleges and universities expect students to apply on the specific school's website, during their senior year.

BRIGHT FUTURES APPLICATIONS

All seniors received step-by-step instructions on how to apply for Bright Futures. Students who currently qualify for the scholarship have applied online. Qualified Seniors MUST APPLY online at www.FloridaStudentFinancialAid.org. The website also outlines the requirements for Bright Futures.

Please remember that Bright Futures requires community service hours be documented on their official form and turned in to the student's counselor PRIOR to graduation. We ask that students turn their community service hour forms in by May 1, 2020.

WARNING LETTERS

Seniors

Any senior who has deficiencies that may prevent them from graduating (course requirements, 2.0 gpa, FSA Reading and Algebra 1 EOC requirements) was mailed a letter outlining these problems at the end of the first semester (2nd nine weeks). During the month of February, counselors called these students in to sign the warning letters and develop a plan of action.

SCHEDULING FOR 2020-2021

During the months of March and April, all students will sit down with a counselor to select courses for the 2020-2021 school year. The Fletcher High School

scheduling card is located on the Fletcher High website at: duvalschools.org/fhs

SCHOLARSHIPS

This year the scholarship newsletter will be available online and will be updated frequently. If a paper version of the scholarship application is available, it will be indicated on the newsletter and students/parents will be able to pick it up in the Guidance Office. <http://bit.ly/FHSscholarship>

Many scholarships are offered directly from the colleges to which you are applying.

SCHOLARSHIPS & COLLEGE ACCEPTANCES

Any Senior who has received a college acceptance and/or any type of monetary award or grant should report them to their guidance counselor so that we can record them. The grand total of college acceptances and scholarship monies won by our senior class will be revealed during the graduation ceremony!

ONLINE COURSE REQUIREMENT

All students must complete a full course online for graduation. Please take a look at the courses offered on flvs.net and have your student select the course he/she would like to complete. These courses are absolutely free and once your student completes the course, his/her counselor will receive the grade and have it placed on your student's transcript. For this graduation class, successfully completing standard or honors government at Fletcher High School will satisfy the online graduation requirement.

COMMUNITY SERVICE HOURS

Don't wait until your Senior year to complete community service hours. Get started now! Community service hours are not required for graduation, but they are required for Bright Futures. Students can pick up community service logs in the Guidance office. There is a list of potential places students can volunteer located on the back of the community service log (e.g, Jacksonville Humane Society, Hubbard House, and BEAM).

Senior Awards	May 20	Fletcher HS Auditorium
Gap and Gown Distribution	May 22	Fletcher HS Gymnasium
Baccalaureate	May 26	TBA
Graduation	May 27	VyStar Veterans Memorial Arena

If you are not receiving periodic automated phone and email messages, please come by the school and check the phone numbers and email addresses we have on file. It is critical we have your most current information. Our automated messaging system is the best form of communication we have to contact you immediately in case of an emergency or for general announcements. Time will go by extremely fast between now and June. I ask that each of you reach out to your son or daughter's teachers or counselors if you have any questions or issues surrounding their grades or graduation requirements. The best time to resolve issues is during the school year.

We continue to hold high expectations for attendance at Fletcher High School. The full potential for academic growth is only possible when students are in class as often as possible (when they are not ill). We really need all of our Senators to attend class every day! Making up work independently at home is no substitute for real classroom learning and interaction. As we move into the last grading period, please continue to monitor your student's academic progress through the parent portal. Taking advantage of class time and resources will help ensure your student's success. Thank you for all you do...and as always...Go Senators!!!
