

The Pride of the Beaches

From Your Principal, Dean Ledford

Hello Senators!! We have completed 3 quarters of the school year at Fletcher High School. The Class of 2022 will be graduating on May 24th at 5:00 p.m. in the Jacksonville Veteran's Arena. For the parents of Seniors please contact your son or daughter's counselor to ensure all graduation requirements are on track for completion prior to graduation. As a school we will use the mail and phone system to advise parents if their child is in jeopardy of not graduating.

We are also approaching our end-of-year assessments. The chart below contains the Florida State Assessments and the window in which they will be given. Please keep in mind that many of these tests are completed on-line so testing will be conducted during the entire window for students. Speak to your son or daughter prior to any plans around checking them out of school early during these test dates. If a test is started and not finished due to a student being checked out of school, the test may be marked as invalid and cannot be scored nor can they complete the test another time. In order to avoid this situation please check with your child prior to checking your student out of school. The testing dates below do not include the make-up times for students that are absent. Each test does have a make-up time window. As always with testing we ask for your flexibility. Administering examinations to over 2000 students frequently results in last minute adjustments in our testing schedule. The test schedule below does not include teacher quarter, semester or teacher end-of-course exams. Those assessments are determined by the individual teacher.

Test	Date	Grade
SAT	April 13	11th Grade Students
9th and 10th Grade Writing	April 13	9th and 10th Grade Students
Reading/Language Arts - 9th	May 3 through May 6	9, 10
Geometry	May 10 through May 13	All students scheduled in class
Algebra 1	May 10 through May 13	All students scheduled in class
Biology	May 17	All students scheduled in class
US History	May 18	All students scheduled in class

Just a reminder that we offer tutoring in several subjects. The tutoring schedule is attached. Please take advantage of these outstanding opportunities.

As we enter the last quarter of the school year, Fletcher has enjoyed a great year! Varsity Football won the district championship. The Swimming Team won districts, regionals and had several athletes advance to the state competition. Girls Cross Country had 2 athletes reach the state competition. Our Boys Basketball Team made consecutive sweet 16 runs and our Girls Soccer Team brought home a State Championship. This State Championship is not only Fletcher's first soccer state championship but the first soccer championship in Duval County history!

Our Chorus Program had 4 students represent Fletcher High as performing members of the Duval County Honor Choir. The students rehearsed for 2 months leading up to the event and spent 2 days learning and working with a guest conductor. Also, members of the Fletcher Chorus participated in Solo Music Performance Assessment. Fletcher had 10 students earn excellence at the MPAs and Shekinah Satterfield will be representing Fletcher High School at the State Solo Music Performance Assessment.

We had over 30 of our AICE students earn scholar awards for their performance on the 20/21 AICE Exams. These awards included Stella Getsy earning Top in USA in the area of History as well as Zachary Andrews earning Top in USA in the area of Psychology, Best Across three different areas, and Top in the World in the area of Thinking Skills. We are very proud of our AICE Students and their accomplishments. Grant Tucker has worked with the Beaches Community as well as the city of Jacksonville around recycling efforts and Fletcher was Awarded Top High Schools by US News!

And as Always....Go Senators!!!

GUIDANCE

COLLEGE APPLICATIONS

Hopefully, by now (after several reminders) Seniors have applied to the university or community college they hope to attend next year. Most colleges and universities expect students to apply on the specific school's website, during their senior year.

BRIGHT FUTURES APPLICATIONS

All seniors received step-by-step instructions on how to apply for Bright Futures. Students who currently qualify for the scholarship have applied online. Qualified Seniors **MUST APPLY** online at www.FloridaStudentFinancialAid.org. The website also outlines the requirements for Bright Futures.

Please remember that Bright Futures requires community service hours be documented on their official form and turned in to the student's counselor PRIOR to graduation. We ask that students turn their community service hour forms in by May 1, 2022.

ONLINE COURSE REQUIREMENT

All students must complete a full course online for graduation. Please take a look at the courses offered on flvs.net and have your student select the course he/she would like to complete. These courses are absolutely free and once your student completes the course, his/her counselor will receive the grade and have it placed on your student's transcript. For this graduation class, successfully completing standard or honors government at Fletcher High School will satisfy the online graduation requirement.

SCHOLARSHIPS & COLLEGE ACCEPTANCES

Any Senior who has received a college acceptance and/or any type of monetary award or grant should report them to their school counselor so that we can record them. The grand total of college acceptances & scholarship monies won by our senior class will be revealed during the graduation ceremony!

Seniors

Any senior who has deficiencies that may prevent them from graduating (course requirements, 2.0 GPA, FSA Reading and Algebra 1 EOC requirements) was mailed a letter outlining these problems at the end of the first semester (2nd nine weeks). Don't wait until your Senior year to complete community service hours. Get started now! Community service hours are not required for graduation, but they are required for Bright Futures. Students can pick up community service logs in the Guidance office. There is a list of potential places students can volunteer located on the back of the community service log (e.g., Jacksonville Humane Society, Hubbard House, and BEAM).

SCHOLARSHIPS

This year the scholarship newsletter will be available online and will be updated frequently. If a paper version of the scholarship application is available, it will be indicated on the newsletter and students/parents will be able to pick it up in the Guidance Office.

2021-2022 District Calendar

*If the district must close schools for a day or more due to hazardous weather, the school district will utilize weather day/s to provide for any lost instructional days. Given the placement of weather days on May 31 and June 1, there is a possibility that the school year could extend past May 27th. Should there be no need to use the Weather Days on May 31 and June 1, teacher post-planning days would be moved up to begin on the first available non-instructional day during that week.
