

*The Pride
of the
Beaches*

From Your Principal, Dean Ledford

Hello Senators!!!

Welcome back to the 2020-2021 school year. Due to the pandemic, school grades were suspended for the 2019-2020 school year, however here are some of the highlights from the 2018-2019 school year. Fletcher High School gained 63 points and moved to an "A" School. We showed increases in all 10 categories including maintaining our 97% graduation rate. Some of the highlights included double digit gains in Overall and Bottom Quartile Learning Gains in Reading. We contribute this success to the collaboration among our faculty, parents, and community members. Continuing this trend can make the 2020/2021 school year Fletcher's greatest year ever.

Our Senators have already begun accomplishing great things this school year. The Fletcher Girls and Boys Swim/Dive Teams both won 1st place at the Gateway Conference Championship Meet. Also, our Volleyball Team was the Gateway Conference Champions for the 6th year in a row. And finally our Girls Golf Team finished 1st in the Gateway Conference Tournament.

We are determined to improve student performance by providing educational excellence in every classroom, for every student, every day. This goal cannot happen without your help. Our communication this year will be through parent emails, parent phone links, and through our school's website. Please go online and register for our parent portal. You can find registration information on the Duval County Website. You are our frontline in your student's education.

Our Fletcher High School PTSA, who earned Best PTSA among High Schools in Duval County, is doing a terrific job of providing volunteers for the school when we need them. They assisted with our student orientation, preplanning and opening of school this past month. These volunteers are wonderful assets for our school. If you are interested in joining our PTSA, please contact Ms. Jody Pallen at extension 999930.

As we move towards the end of our 1st semester, we will be starting our after school tutoring program. Please be on the lookout for subjects, dates and times. We will be giving progress monitoring assessments throughout the year. These assessments will be used by teachers to assess student progress and drive their lessons for the 2nd Semester.

Again we want to thank each of you for your support, and we look forward to making the 2020- 2021 school year our best yet. Please feel free to contact the school at any time. You can reach me at ledfordj@duvalschools.org. Thanks for all that you do...and as always.... Go Senators!

GUIDANCE

Seniors

Planning on college? This is what you should be doing NOW!

- Taking/retaking the SAT (www.collegeboard.org) and/or ACT (www.actstudent.org)
- Making final decisions on the colleges to which you want to apply. If you know where you are going to apply, you should go ahead and apply this semester.
- Applying to college
 - ◊ Apply online at the college's website (www.flvc.org has all of the state schools' website addresses).
 - ◊ Pay the application fee.
 - ◊ Come to the registrar in Guidance and sign-up to have your transcript sent.
- Visiting college websites. We also have reference books with addresses and phone numbers for all of the college and university admissions offices. Don't forget to use www.google.com to do a quick search as well!
- Signing up for college seminars in Guidance with Ms. Gonzalez.
- Making sure your schedule contains all of the classes needed for graduation.

Transcripts

Students MUST send a transcript to every college to which they apply. This does not happen automatically. Students will need to see the Registrar in the Guidance Office to sign the log requesting that transcripts be sent.

Senior Meetings

Counselors have been meeting with students, planning to graduate in the Spring of 2020, during the first two weeks in October. Topics that will be discussed during the meeting include the following: graduation requirements, SAT and ACT testing dates and scores, Bright Futures Scholarship requirements, ASVAB testing, financial aid information, community service, National Collegiate Athletic Association (NCAA), college selection tips and postsecondary readiness scores.

Bright Futures

- **Applying** – Seniors will be given specific instructions on how to apply for Bright Futures. The application opens on October 1st. Make sure you put down our school code (100-800) when taking the SAT/ACT. If you have taken the SAT/ACT outside of Duval County, you need to contact the appropriate testing service and request that your scores are sent to Fletcher High School.
- **Community Service** – **ALL** Bright Futures scholarships require community service hours. Forms for documenting the hours are located in the Guidance Office and on the school website (<https://dcps.duvalschools.org/domain/7294>). We will accept these until May. See chart below for specific hours.

*FAS = Florida Academic Scholarship;
FMS = Florida Medallion Scholarship

- Complete scholarship details are located on <http://www.floridastudentfinancialaid.org/SSFAD/bf/>

AICE Curriculum and Bright Futures

Students who have demonstrated academic merit through a recognition program may be eligible for Bright Futures without having to meet one or more of the requirements. Please refer to the table below for how to qualify based on one of the merit recognition programs.

Scholarships

Many scholarships are offered directly from the colleges to which you are applying. The FAFSA (opened October 1st, 2020) should be filled out by ALL seniors. Beware of scholarship scams! You should NEVER have to pay for scholarship information.

AICE Curriculum

- Complete a minimum of 14 AICE credits* identified by the Cambridge Assessment International Education (Cambridge International) in the Diploma Core and three academic areas as follows:
 - AICE Diploma Core – AICE Global Perspectives & Research AS level (Two Credits required)
 - Group 1 – Mathematics and Sciences (Two Credits required)
 - Group 2 – Languages (Two Credits required)
 - Group 3 – Arts and Humanities (Two Credits required)
 - Group 4 – Interdisciplinary Skills (Optional – Four Credits maximum)
 - Six additional credits required in any combination from the above four groups.

*Students earn one credit by completing and passing one AICE full credit course and another credit for taking the corresponding AICE examination.

Underclassmen (9th – 11th)

REMEMBER

- Schedule changes have been completed for the first semester. You should not be in any classes you have already passed and received credit for in high school.
- Every grade you make in grades 9-11 will be what appears on your initial transcript that colleges see when you are applying for college your senior year! So, keep in mind that EVERY GRADE MATTERS!
- Bright Futures – Your academic classes, including world language, grades 9-12, are what will determine your GPA for Bright Futures Scholarship eligibility. This is one of the scholarships for which you don't have to compete against other students – you earn it – you get it!
- Juniors can sign up for college seminars in Guidance when they are announced.

College Admissions Testing

Fletcher recommends that students take the SAT and/or the ACT by the spring of their Junior year. Seniors who are seeking to improve their scores for college entry, or Bright Futures qualifications, should register for one of the fall administrations of the SAT and/or the ACT. Students may take these tests as many times as they deem necessary. Students should register via the internet. See the Testing Schedules →

Free/Reduced Lunch

Students that are eligible for free or reduced lunch can pick up fee waivers for the SAT and ACT in the Guidance office. You don't know if you are eligible unless you fill out the form which can be done via paper form (available in Guidance) or online at <https://free-reduced-lunch.duvalschools.org/lfsrver/eform>.
