

# The Pride of the Beaches

## From Your Principal, Dean Ledford

Hello Senators!

With the 23/24 school year up and running, we have made great strides in academics, performing arts and athletics. We are approaching the end of the first semester and we encourage you to come out and enjoy an athletic event or extra-curricular performance during the next few months. You can check out our school website [www.duvalschools.org](http://www.duvalschools.org).

[www.duvalschools.org/fhs](http://www.duvalschools.org/fhs) for announcements about upcoming events and performances.

The continuous improvement in overall academics was evident in our first round of progress monitoring assessments. Fletcher students outscored our previous year's performance in 9th and 10th grade Language Arts, Biology and US History. We will continue to challenge our students to show improvement during their second round of progress monitoring assessments, which will begin December 4. The PMAs provide a snapshot of students' progress at this point in time. Teachers will review this data, meet with each student, and plan a path to success for the remainder of the school year. This strategy will help ensure students demonstrate mastery in their classes and on state assessments. After the assessment, students should be able to articulate to you how they are doing now, and what they need to do to show improvement.

A huge congratulations goes out to Emily Machinski and Isaac George for receiving Letters of commendation for the National Merit Scholarship Program.

Not only have we reached outstanding marks in academics, but we have also accomplished great things in athletics. Both Girls and Boys Swimming and Diving won the Gateway Championship. Boy's Golf won the Gateway Conference Championship and our Volleyball Team competed in the Gateway Championship Game. Our Winter Sports have begun, and we have attached their schedules in this newsletter.

The FHS faculty and administration strongly encourages all of our parents to monitor your child's grades and attendance through FOCUS. We recommend checking this information at least once a week. Frequent progress monitoring and communication with your child's teachers is highly correlated with student success in high school. If you are still in need of a parent log-in, please visit the Duval County Website and follow the link for Parent Portal information.

Again, thank you for your continued support and we look forward to seeing you at our various fall and winter events. Feel free to contact your students' teachers for available times to meet with you to discuss students' progress. We will continue to raise the standard of excellence at Fletcher High School in order to maintain our goal of being recognized as one of the premier high schools in the county. The after-school tutoring schedule is attached in the newsletter. Thank you for all that you do, and as always Go Senators!!

**SENIOR MEETINGS**

Counselors met with students, planning to graduate in the Spring of 2024, during the last week of September. Topics discussed during the meeting included the following: graduation requirements, SAT, CLT, and ACT testing dates and scores, Bright Futures Scholarship requirements, ASVAB testing, financial aid information, community service, National Collegiate Athletic Association (NCAA), college selection tips and postsecondary readiness scores. The resources can be found at the following link:

<https://dcps.duvalschools.org/domain/7294>

**BRIGHT FUTURES**

- Applying – Seniors were emailed specific instructions on how to apply for Bright Futures. The application opened on October 1st. Make sure you put down our school code (100-800) when taking the SAT/ACT. If you have taken the SAT/ACT/CLT outside of Duval County, you need to contact the appropriate testing service and request that your scores are sent to Fletcher High School.
- Community Service/Work Hours – ALL Bright Futures scholarships require community service and/or work hours. Forms for documenting the hours are in the Guidance Office and on the school website (<https://dcps.duvalschools.org/domain/7294>). We will accept these until May.
