

THE FALCON POST

FOREST HILL COMMUNITY HIGH SCHOOL

PRINCIPAL'S MESSAGE

Greetings! I sincerely hope your summer has been enjoyable and restful. We are very excited for the upcoming school year and are eager to open our doors to our students in August! We have been working extremely hard this summer to be ready, and we are very proud to say that we improved our graduation rate for the 2022-2023 school year! The first day of school, August 10th, is quickly approaching. I look forward to it with great excitement and anticipation every year.

Student safety is always a major concern of mine. We will continue to put things in place this year to make this a safer and cleaner school. Please be aware, that for safety reasons, the dress code will be strictly enforced and school IDs must be worn around the neck at all times. We will continue to check all students in everyday by scanning their ID. The District has made more security upgrades to our campus and the new stairwells should be ready for the school year.

My first year as Principal of Forest Hill High School was amazing. I am so excited to grow the relationships that I have made with the students and staff. At Forest Hill High School, we strive to provide opportunities through our academic and choice programs that will help prepare our students to successfully think, act, and communicate in high school, college, career, and beyond. We are committed to preparing our students for a globally competitive world as we continue to increase access to accelerated classes and look forward to increasing the number of AICE and IB Diplomas. Together we can be "Simply the Best!"

We look forward to welcoming all of our incoming students, and Our Freshman Orientation will be on August 8, 2023, at 6:00 PM. I always encourage community involvement and input as we pursue the goals set before us. Be assured that your contributions and feedback are valued and will help provide us with much needed information to improve our educational programming.

Sincerely,

Michael Aronson

Parking

Special note with regards to PARKING at Forest Hill HS: If students wish to park on campus, they must fill out the proper paperwork and be licensed and insured to drive. Unfortunately, Forest Hill HS does not have enough parking spaces to honor the number of requests. Parking in the community's narrow roads prohibits fire trucks and ambulances from responding to emergencies. **Therefore, the city has informed us that unauthorized cars are subject to being ticketed or towed.** Engineers from the city and School District are working together to come up with a long-range solution. Thank you for your cooperation in this matter.

Student IDs

Students are required to wear their SY24 FHHS student ID badge around their neck on a lanyard. This is a District expectation. It is our goal to distribute student IDs to all students new to FHHS during the first week of school. Your child should wear the student ID from their previous school until they are issued their FHHS ID. SY24 replacement IDs will be located in the Media Center as needed.

2023 Capacity Watch List

School Board Policy 5.01, Student Assignment, calls for preparation of an annual "Capacity Watch List." The Capacity Watch List identifies schools where enrollment is projected to reach or exceed 100 percent of capacity in the next five (5) years. The Capacity Watch List is available on our school's website by clicking the "District" menu and then the "Reports & Publications" link, or via the Student Enrollment & Demographics website at: www.pbcschoolzones.info and then clicking "Enrollment Projections and Reports."

WHAT'S HAPPENING AT THE HILL?

We ARE AVID - Advancement Via Individual Determination

One major benefit of being part of AVID is its focus on college and career readiness through study skills, strategies for critical thinking, and a support system of educators, peers, and administrators. AVID students also receive the opportunity to visit colleges and universities, which gets them excited about educational opportunities after high school. Exposure to these higher educational institutions allows students to envision and dream more closely about post-secondary education. Last year the students in our AVID program had the pleasure of visiting Florida Atlantic University (FAU) and Lynn University in Boca Raton. The students all had a great time exploring the campus and interacting with faculty. If you have questions or would like more info about our AVID program, contact Mr. Emerson, our AVID Coordinator @Markus.I.Emerson@palmbeachschools.org.

Great Futures: A College & Career Readiness Division of Boys & Girls Clubs of Palm Beach County: Great Futures had a wonderful and successful summer with the students who have been participating in the program. They had the opportunity to go on weekly fun and educational field trips where they have been exposed to different career paths with Career Readiness being the overarching theme of our summer program. Nine of our students also had the opportunity to attend a 3-day college tour as part of the Boys & Girls Clubs of Palm Beach County Career Bound Program. They got to visit 6 universities in Florida in an all-expense paid trip.

program assists students of all grade levels in SAT & ACT preparations, provides extra academic support, offers engaging service learning opportunities, and more. Kaitlyn Fitzpatrick - New Head Cheerleading Coach

Hi everyone! I'm so excited to be joining this team as your new cheerleading coach! I fell in love with this sport 20 years ago & I'm finally stepping into a coaching role. Throughout those 20 years, I have immersed myself in the world of cheerleading.

I graduated from Park Vista High School and I'm very proud of how far their program has come since I cheered there 10+ years ago. On that note, I hope to build a successful program here at Forest Hill that leaves a lasting legacy for future generations to come.

When I'm not being a homebody, I enjoy being outdoors, and spending time with friends & family. I'm a new mom cherishing the joys and challenges of parenthood. My daughter brings so much love & inspiration into my life. She is my constant motivation to be the best role model & coach I can be.

I am committed to fostering an environment where each of you can thrive and reach your full potential on and off the mat. Although it is my first year coaching, I understand the hard work and dedication that goes into cheerleading.

Let's make this season unforgettable as we strive for excellence and make lifelong memories. I can't wait to embark on this journey and witness the amazing things we will achieve together. Go Falcons!
