Principal Message

Greetings Greenies, I hope this letter finds you healthy and happy and enjoying the New Year. Thank you to all who played a part in making the first semester of the 2020-2021 school year a great success. Our holiday drive and Angel Tree were both huge successes, thanks to the contribution of our fellow Greenies and their families. During first semester, we worked to redo our entire HVAC system as well as rekey our entire campus for more ensured safety and security of our staff and students.

As strange as it may sound, we are already thinking about next school year. Over the next couple months, we will be looking to start design and work on our new auto academy. Also, sometime during the course of the next few months, students will meet with their school counselor to begin the process of selecting classes for next school year. For our seniors, they will begin to finalize their plans for life after high school. All seniors are encouraged to stay current with graduation dates and deadlines and to look for the next edition of the senior letter. All students in grades 9 and 10 will take the Florida Standards Assessment (FSA) exam during the second semester. The FSA Writing will be administered in April followed by the FSA English Language Arts (ELA) test in May. Those students currently enrolled in Algebra 1, Geometry, Biology and U.S. History will take their required End of Course (EOC) tests in May. More information regarding these FSA assessments and sample questions can be found at www.FSAssessments.org. AP and IB exams will be administered during the month of May. Once the final schedule of advanced placement exams is out, you can access it via our school website. I look forward to working with you and your student(s) to finish another great year at Fort Myers High School. In an effort to stay informed with events on campus, please visit our school's website at www.fmh.leeschools.net or follow us on Twitter @FortMyersHS.

Sincerely, Dr. Robert Butz

Hall of Fame Award

On January 9th, 2021 Coach Sammy Sirianni was inducted into the 45th Annual Florida Athletic Coaches Association Hall of Fame in Daytona Beach, Florida. This particular Hall of Fame Award is the highest honor presented by the F.A.C.A. It is designed to recognize F.A.C.A. members for years of coaching tenure in Florida High Schools, for dedicated service to the F.A.C.A., and for outstanding coaching accomplishments. Coach Sammy began his coaching career in 1986 as an assistant under, his father, a F.A.C.A. Hall of Famer, Sam Sirianni, Sr. for 16 years through 2001 and taking over in 2002. His football teams have compiled 146 wins, 15 District Titles, 9 Conference Titles, 9 Conference Coach of the Year awards, 16 Regional Quarter Final Appearances, 8 Regional Quarter Final wins, 3 Regional Semi-Final wins and 3 Regional Final Appearances. In 1982, Coach Sammy also served as the Golf Coach that led to a state team championship and Individual championship. Sammy's Hall of Fame induction makes the 3rd Hall of Fame induction, including, L.A.C.A Hall of Fame and Fort Myers High School Hall of Fame. One of the greatest highlights of any coaches' career is to be selected to coach in the F.A.C.A. All-Star game. Coach Sammy held this honor as Head Coach in 2013. What makes this induction so unique is how F.A.C.A. and the Sirianni name are forever linked. As a father/son duo they hold the following historic distinctions: only father/son head coaching duo at one school for 52 consecutive years... only father/son to have won 100+ games at the same school... 1 of 3 father/son members of the F.A.C.A. Hall of Fame....and 1 of 2 father/son that have been Head Coach of the F.A.C.A. All-Star game. These distinctions illustrate why The Sirianni legacy will live on forever within Fort Myers High School.

RHO KAPPA News

The Interact Club teamed up with Rho Kappa and National Art Honor Society for the 2020 holiday season in a fundraiser to spread holiday cheer to the homeless around Fort Myers. Bags of toiletries, canned goods, and items for the colder weather were collected and put together between the clubs. The National Art Honor Society provided handwritten cards for each of the bags to further spread the holiday spirit. The fundraiser was a huge success and the clubs hope to work together again!

Academy of Finance

Personal Finance: Prepares Students for Post-High School Finances

Academy of Finance Personal Financial Planning students have covered invaluable personal finance topics first semester! Students spent time researching college costs for in-state and out-of-state schools. They covered career planning from a finance perspective, money management strategies and competed in our annual Stock Market game! We will be researching car purchases next, and will move on to home purchases soon after. These Seniors are building a great foundation for facing life's financial challenges and for college business classes!

Hand Sanitizer Fundraiser

Please remember that Academy of Finance students are selling hand sanitizers as a fundraiser! These have a clip to attach them to a backpack or purse, and have the FMHS logo! Funds from this will go towards their work-based learning activities and scholarships!

These are great for students, families, friends and employees! They are a great value at \$3.00 each, and the proceeds are for a great cause!

Contact Mrs. Muller in room C125 or at LouettaHM@leeschools.net for more information.

Healthy Body, Mind and Emotions

It's important to have a healthy body. Having a healthy body helps our mind and emotions to be healthy too. This is what we're learning through our Unique Curriculum in the month of January.

We can take good care of our bodies by eating healthy foods from all the food groups, drinking plenty of water, and getting plenty of exercise including aerobic exercise. We can also take care of our bodies by getting plenty of rest.

Our minds and emotions are connected to our body through our brains. When we take care of our body, this will help us to have healthy minds and emotions.

We can do some things to help our minds and emotions. We can make sure to spend time with people who encourage us and we can encourage others too. This is part of having good relationships. We can also take time to enjoy our hobbies, relax, and meditate. Finding purpose through meaningful work is also a great way to have healthier minds and emotions.

We enjoyed talking about how we can be healthier. We also talked about what we're doing now to stay healthy. We are happy to have this knowledge so we can apply it to our lives!

IB Update

It is a very busy time of the year for our IB students at FMHS. Our IB seniors are finishing up their IAs and preparing for their Spanish Orals. May Testing will be here before we know it. Please encourage your student to finish strong! Our IB juniors are beginning their Extended Essays! Each student has received an adviser and should be working on their first 1,000 words. Please help keep your student on track by reviewing the EE timeline distributed to students last November. If you are the parent of a Pre-IB Sophomore, please review the informational video posted by Mrs. Postma on your student's Class of 2023 google classroom. It contains important information regarding Dual Enrollment, AP, and IB. If you have any questions regarding the many benefits of the IB Program, please email Mrs. Postma to set up a time to speak via email or zoom.

Out of Field Teachers

Florida State Statute 1012.42 recognizes that teachers at times must be assigned duties in a class outside the field in which the teacher is certified. The following teachers at Fort Myers High School are certified, but may be assigned one or more classes outside their areas of certification and are required to take appropriate steps to comply with the statutory regulation.

- Anthony Bombassaro – Biology
- Kenuel Dominguez-Caceres - Spanish
- Amy Furrer – Spanish
- Patricia Gedra – Biology
- Anthony Sangermano - Biology

In addition, the following teachers are engaged in training to add English for Speakers of Other Languages (ESOL) to their certificates.

- Dominik Basil
- Michael Durgin
- Angela Goodman
- Jordan St Clair
- Sharon Trosiek

Early Sign out Policy

Our school policy regarding early sign outs is as follows:

- Per the School District of Lee County policy 4.16 students may not be signed-out after 1:05 PM. Guardians who are not listed on the student's school records as an authorized contact will not be permitted to sign the student out of school.
- Students signing out prior to 1:05 PM must be verified by FMHS Attendance Office.
- Students who drive to school - Email requests for early sign-out must be submitted no later than 8:00 AM on the day of sign-out request. The email must include a legible copy of the guardian's identification along with contact information for verification.
- Students who do not drive to school must have a parent sign them out for early release.

Food Deliveries

For the safety and security of our stakeholders, students are NOT permitted to order food deliveries to be dropped off at school. Parents needing to drop lunch to their student should come to the front office at the student's designated lunch time to drop off lunch. Any food drop before lunch will be held in the office until lunch. Any food dropped after lunch is over will be held until the end of the day and disposed of at dismissal.

Academic Booster Club

Please consider joining the Academic Booster Club. The funds we raise are used to provide additional resources for our students and teachers. This year, we have been able to provide 10 Fujitsu ScanSnap Color Document Scanners and 5 Lg DVD Rewriter External Drives. We look forward to contributing even more items our teachers might need and special funding some of the students might need for testing

Thank you for those who donated to the special appeal for the Staff Appreciation Luncheon on January 29th. These monies and services were used to offset the cost of the day and provide extra acknowledgement for the unique challenges we are facing this academic year.

GO GREENWAVE!

We are also looking for volunteers to assist with the Academic Booster Club next year. We are happy to include you in the plans for the rest of the year.

Thank you,

Interact Club News

The Interact Club banded together to spread a little holiday cheer in these unprecedented times. We recently put together care bags to pass out to the homeless; containing toiletries, food, and other necessities. We went to Lion's Park on Saturday, December 19th, and passed out a total of about 30 of them to people in need. Later that day, we rang the bell for the Salvation Army.

Our students are currently preparing for Music Performance Assessments, along with Solo and Ensemble. We are confident they will represent the FMHS music program with outstanding performances!!

Our program can use your help. We have a "Wish List" you can access on our webpage at www.fmhsmusic.com. The highest priority item is a Drum Major Command Podium. The drum major podiums are utilized during marching season to give the student conductors a "bird's eye" view of the marching band as they are leading the band. It is important that all students can see the drum majors and this podium allows them to be seen.
