www.pcsb.org/gibbs-hs**ABOUT**

Jonathan C. Gibbs High School has 1140 students in grades 9-12, five administrators, 80 teachers, and 48 staff members. The mission of Jonathan C. Gibbs High School is to create a collaborative environment where our scholars will display Respect, Excellence, and Pride. Jonathan C. Gibbs High School is named after Jonathan Clarkson Gibbs; he was the first African American Secretary of State and Superintendent of Public Instruction in Florida during reconstruction. Gibbs High School is one of the oldest schools in Pinellas County; it has over nine decades of dedicated service to the St. Petersburg Community and Pinellas County Schools.

POINTS OF PRIDE

The Pinellas County Center for the Arts at Gibbs is a nationally recognized magnet program for the performing and visual arts. PCCA trains students interested in pursuing an arts profession and instills an appreciation for the arts in those who choose other careers. Designed as a four-year course of study, each arts area has its own course offerings designed to hone their skills and train them for their careers. As a college preparatory program, a plan is implemented to secure scholarships and is an integral part of the experience. Colleges, universities, and conservatories visit to audition and recruit students. The PCCA Class of 2022 earned over 3.3 million dollars in scholarships.

Gibbs High School's Business Entrepreneurial Technology Academy (BETA) is a magnet program specializing in the areas of Business and Technology. Our scholars graduate with one or more Industry Certifications in their respective pathways. BETA scholars participate in FBLA competitions and always place in district, state, and national rallies. Many BETA scholars graduate as members of the National Technical Honor Society, among other accomplishments in academics, business, and technology.

Parents requesting early check out of their student should call the school at 727-893-5452 ext. 2000 for the student to get a permit to leave slip. If you come in, please understand that we do need time to get your student for you. It is important that we check driver's license of anyone picking up your student early from school. ACADEMIC TEAM NEWS

Congrats to the Gibbs Academic Team (Emani Baines, Anna Kirkland, Leah Kirkland) with a solid 2nd place finish last night in our 1st match of the season! Tarpon overtook us in the end by 1 question, but we maintained our lead over Seminole and Clearwater.

If you have any students who might be good candidates for the Academic Team, we are still recruiting! Tell them to visit me in 5-101.

We are hosting 2 meets here on November 2nd and December 7th. We are required to have judges for each subject area: science, literature, languages (French/Spanish), fine arts, history, math. The time commitment is 1.5-2 hours for the meet itself, and about 15 minutes to read over your subject area questions before the meet in case there are issues with any of them.

It's a really great opportunity to see our students flexing their intellects! Witness the fruits of your labor in live competition! Spectators are welcome!
