BUSINESS PARTNERSHIPS

Thank you to all business partners for your support. If you like to become a business partner with Gibbs HS, please contact Romeka Oglesby, School Coordinator – College and Career Readiness at 727-893-5452 ext. 2313 or oglesbyr@pcsb.org

Partnerships can include businesses or community members such as retirees, college students, service organizations donating time, talent or financial resources to our school.

CHECK OUT PROCEDURES FOR STUDENTS

Parents requesting early check out of their student should call the school at 727-893-5452 ext. 2000 for the student to get a permit to leave slip. If you come in, please understand that we do need time to get your student for you. It is important that we check driver's license of anyone picking up your student early from school. Anyone picking up a student should be on the students Focus record. This is done to ensure the safety of the student. After 1:25 pm there will be no student dismissals from school.

STUDENT PARKING

Students must complete this form and pay the \$10 fee prior to parking on campus.

All students who drive on campus must have a hanging parking permit in their vehicle. Student parking permits can be purchased for \$10 from Ms. Gilbert in the magnet office.

All students are required to park in the 31st Street lot. Students who are enrolled in a dual enrollment classes at St. Petersburg College or Pinellas Technical College are permitted to park in the 34th Street lot in the spaces closest to the football field with a special permit. Parking in the 31st Street is on a first come first serve basis.

RETIREMENT ANNOUNCEMENT

After 42½ years teaching in the Pinellas County School District (of which 36½ years have been here at Gibbs High School), on December 29th I will be calling it a career and retiring. I have loved teaching the thousands of students that have passed through my door. Nothing pleases me more than to run into my former students when I am out and about and having them tell me how much they enjoyed my classes. I am looking forward to my retirement (in particular learning to sleep later than 4:30 am!) and have several things planned to fill my time, including some travel to see my family in Tennessee, Pennsylvania, and Colorado. I look forward to driving on the infamous Route 66 and seeing some of the magnificent national parks out west. I also will be catching up with old friends and getting back to some of my favorite hobbies that have fallen by the side as I endeavored to stay up with all the latest, greatest trends in education in order to be as good a teacher as I possibly could be. Most of all, though, I plan to just rest! Rest my body and rest my mind. As the Beatles said it's been a long and winding road to reach this point in my life, but I have enjoyed every minute of my career. Here's to the future!
