## SAC INFORMATION

The School Advisory Council (SAC) is a school-based group intended to represent the school, the community, and those persons closest to the students that shares responsibility for supporting the school's continuous improvement. The SAC is responsible for final decision-making at the school relating to the annual implementation of a school improvement plan (SIP). The SAC assists in the annual preparation of both the SIP and the school's annual budget, as well as the evaluation of the SIP. Please join us at one of our upcoming SAC meetings, located in the 1-131 B.

## CAMPUS SAFETY

### **Student ID Badges**

ID Badges Students have had their badges for over a month now and are doing a great job wearing them. We just wanted to share a little bit about the process for students and ID badges. Students are not allowed to enter the classroom without a badge or sticker. When a student doesn't have their ID badge they will be able to purchase a new one for the replacement cost of \$3.00 and will need a lanyard as well which we sell for \$2.00 or they may use their own lanyard. Students who are not able to purchase a badge/lanyard at that time will be given a sticker for the day. The student will have to pay .50 for the sticker.

### **Bag Policy for Events**

Collier County has now moved to a more stringent policy which prohibits anything larger than a clutch bag. Larger necessary bags such as diaper bags may be permitted but only after being searched at the entrance. This is for any event on campus at the stadium, gym or auditorium. We thank you in advance for assisting us in meeting this requirement so that we can quickly and easily get you through the gates and to your event.

### **Social Media Announcements**

We encourage you and your students to follow us on Twitter (@GGHS\_Titans) or on Facebook so that you can stay up-to-date with the announcements and events happening on campus. We will continue to emphasize the all that our students are doing and share those successes on Twitter, Facebook and our website.
