7878 Shark Way | Naples, FL 34119 | PH (239) 377-1400 | FX (239) 377-1401  
FOR THE PARENTS, STAFF, STUDENTS AND COMMUNITY OF GULF COAST HIGH SCHOOL

## Mission Statement

The Mission of Gulf Coast High School is to provide a safe learning environment in which students have the opportunity to receive the highest quality education to facilitate future academic and career success

## From The Principal's Desk

Dear Shark Family,

Greetings and Happy New Year Shark Families! Semester 2 is upon us along with the most exciting time of the school year, decision time. Both underclassmen and seniors are making great progress academically while also making critical decisions about their futures whether it be after graduation or on campus. Please know our guidance staff is here to help both parents and students navigate through these exciting processes.

Before we look to the future, we must remember how important it is to work hard every day. As your Principal, I am very proud of all of the great things that have happened here at GCHS during semester 1 and I look forward to even greater accomplishments in semester 2. Students must continue to strive for excellence and ask for assistance when needed. Remember: Wake up every day and work hard! Never give up, make things happen, expect much from yourself, and create your future. Do it for your family, do it for yourself, JUST DO IT!

Go Sharks!

## Ceramics

Animal sculpting is what's happening in Mrs. Blair's Ceramic 1 classes! They then drew designs, built an armature mold, and transformed their plans into a 3D replica from clay. There are so many different ideas and interpretations that are created in the Ceramic studio!

Additionally, GOOD LUCK to all our student musicians and their directors, Mr. Goff, Mr. McGuire, and Mrs. Pardee, at their upcoming Music Performance Assessments this quarter!

## Engineering Design Display

The library is proud to display the work of Mr. Stanford's engineering students. Projects featured in the front lobby of the library are the work of his Introduction to Engineering Design students. They were assigned an "Imagineering in a Box" project where students learn the engineering behind amusement park design and then build a scale model of a ride that they design themselves. The creativity and inventiveness of these students are amazing. Students are encouraged to come to the media center and take a look at these truly awesome designs!

## Attendance And Discipline Second Semester

January marks the beginning of our second semester. Each year during the second semester, all schools experience an increase in absences and late arrivals and a gradual decline in academic performance. So prevalent is this trend, it has been referred to as the "Second Semester Slide". We are determined to improve this trend and **you the parents** can play a major role. Absences and tardiness are two of the reasons that grades decline.

EVERY DAY. ALL DAY. ALL THE WAY!

ATTENDANCE COUNTS

**Please be vigilant in making sure your student attends school every day and arrives on time.** Your attention to this issue will have a positive effect on your student, reinforcing the importance you place on attendance.

To assure continued academic success, **re-establish your student's homework and study routine. Help him/her to reclaim the space and time meant for this important purpose.** Determine if any supplies or devices are needed. Also, **monitor your student's grades, attendance, and classwork by accessing Parent Portal.** <https://portal.collierschools.com/live/>

Learn what tutoring and support opportunities are available here at school to improve results. Again, your attention to your student's schoolwork will have a tremendous positive effect. When students are prepared for class each day, they will attend each day, arrive on time, and perform with confidence.

Please be sure to call your child in when they are absent from school. We have a 24-hr **message only** absence line (239) 377-1500 where you can leave a detailed message as to why they are out. Students should bring doctor/dentist notes to the attendance office upon their return from an appointment. Students are responsible for making up missed assignments and should check Canvas.

## Course Registration for the 2022-23 School Year

Students will begin registering for next year's courses during February and March. Course selection sheets will be given to students in February. Please ensure that your students select courses very carefully as changes cannot always be honored due to the class size restrictions.

### Dual Enrollment for 2022-23 School Year

- Sophomores and Juniors who are interested in dual enrollment for the next school year need to meet with their counselor for specific details and requirements. Information regarding dual enrollment is posted on the Canvas Counseling Corner.
- Students who meet all the requirements for FGCU's program (GPA and SAT/ACT scores) please email your counselors. The deadline for FGCU dual enrollment is March 10, 2022 Students should email their counselor to discuss FSW dual enrollment before March 10th, 2022.

### SAT and ACT Testing

- All juniors who are college-bound or who hope to qualify for Bright Futures should take an ACT or SAT or both during the second semester.
- All juniors who have not yet passed FSA ELA should take either the ACT or SAT during the second semester. Students who achieve the designated concordant score can use it to satisfy their FSA graduation requirement.
- For testing information and registration please go to the following sites:  
SAT – [www.collegeboard.com](http://www.collegeboard.com)  
ACT – [www.ACTstudent.org](http://www.ACTstudent.org)
- Students with diagnosed learning disabilities (currently have an IEP or a 504 Plan) could be eligible for extra time on SAT or ACT. Parents should contact Mr. Maniscalco ([maniscgr@collierschools.com](mailto:maniscgr@collierschools.com)) if they would like to start the application process with College Board and/or ACT.
- Fee waivers are available for SAT and/or ACT for students who are approved for free or reduced lunch. Students can obtain a waiver from Ms. Lopez ([lopezan@collierschools.com](mailto:lopezan@collierschools.com)) or in the guidance office.

### Seniors

\$\$\$\$ It is scholarship season! All seniors have access to the Counselor's Corner course in Canvas which has a module devoted to scholarships and financial aid. Students should pay particular attention to the Scholarship Connector, Community Foundation of Collier County, and the Southwest Florida Community Foundation lists of scholarships offered by local organizations. Deadlines are approaching soon so please encourage your child to check it out!

- Bright Futures Applications** – Counselors visited all Government and Economics classes to assist students in completing the Bright Futures application (FFAA). If your son/daughter was absent they can still complete the application by going to [www.floridastudentfinancialaid.org](http://www.floridastudentfinancialaid.org). Students must complete this application to be considered for this scholarship so this is important! If you need more information, please contact your child's school counselor.

### Model United Nations Team's triumphant, online visit to Virginia

Over the weekend of November 5th, members of the Gulf Coast's United Nations team had an amazing time competing in William & Mary's Premier High School Model United Nations Conference hosted online. While this was the team's third time attending the annual conference, this was Gulf Coast's first time earning a delegation award from William & Mary. Through the team's hard work and preparation, Gulf Coast won the best delegation award along with 12 individual awards. As a result, Gulf Coast's Model United Nations team is flourishing, earning two best delegation awards within the season!

### Model United Nations team takeover Atlanta with their enormous victory

On October 11th and 12th, the Gulf Coast Model United Nations team had the opportunity to travel to Atlanta to compete at Georgia Tech's Model United Nations 2021 High School Conference. Although this was the team's first in-person competition since the start of the pandemic, they were able to rise to the occasion to put on a spectacular performance during the 2-day conference. Thus, Gulf Coast was able to (yet again) win the best delegation award with the addition of nineteen individual awards earned by members of the team. What a fantastic way for Gulf Coast's Model United Nations team to start the season

## GSA Recognizes No Name-Calling Week

During the week of January 17-21, our GSA club celebrated GLSEN's National No Name-Calling Week. This is a student-led effort to encourage students to be kind and actively uplift one another. To bring attention to a group of students often harassed and marginalized, GSA hosted a "pronoun campaign." According to recent data, as much as 3-5% of our youth in Florida identify as transgender, gender nonbinary, or gender fluid. This group of students is also the ones that often face the greatest amount of harassment and bullying in our schools. Throughout the week, members of GSA were able to distribute pronoun pins during lunch and were able to engage many students and staff members about the importance of one's affirmed name and preferred pronouns. It is always exciting to be a part of Gulf Coast High School where there is such a supportive administration team that allows students to create a more welcoming and inclusive campus for all students to feel safe.
