It's hard to believe, but the time has come for the 4th nine weeks of the 2020-2021 school year! In most of our academic classes, the final preparations for end of course exams, AP exams, and the FSA are in full force. In our Career and Technical education classes, we are working towards our students earning industry certifications that they can take with them post-graduation to apply towards the career field of their choice. Our fine and performing arts classes are gearing themselves up for their Spring performances as well, so make sure you check out our activities calendar to continue to support all of the programs that Lake Brantley has to offer!

The final nine weeks are such an exciting time for high school students, but especially for our seniors. We have an incredible amount of senior events planned for the Class of 2021, from the Senior Breakfast put on by our amazing PTSA, to Powder Puff, Senior Soiree and culminating in our graduation ceremony at UCF's Bounce House Stadium on May 24th at 9:00 am. We are getting down to crunch time, so help us help your students by encouraging them to sprint through the finish line and into summer break!

I am so proud to be a part of such a great school and supportive community. As always, we are here to help you and your students with anything that they may need for the rest of the school year and beyond. If you have any questions or concerns, please don't hesitate to reach out. Thank you and Go Patriots!

COUNSELOR CORNER

Course selection for the 2021-2022 school year has been completed. Core classes were selected based on Course Progression Guides created by teachers and administrators. Student performance in current classes, and when appropriate state testing, are the basis for course placements. Parents can authorize changes to core classes through submission of the Course Override form. Students were given the opportunity to enter their elective course requests.

Students will have another opportunity in May to review and, with parent permission, adjust their course requests before scheduling occurs. Students that are interested in applying for Dual Enrollment need to check the Dual Enrollment webpage with Seminole State College, the LBHS Virtual Counseling Office in e-Campus, and the Lake Brantley's Student Services Dual Enrollment page. Please reach out to your School Counselor if you have questions.

AP Testing will begin May 4th. Students taking morning exams are expected to arrive by 7:15am and for afternoon exams, students are expected to arrive by 11:15 am. Testing locations will be sent out directly to the teachers and shared with students as well as posted online under Students Services/Advanced Placement/ AP Testing. For questions regarding AP testing, please see either Mrs. Laura Baker or Mrs. Pamela Boodram in the building 5 Counseling suite.

FSA Writing for our 9th and 10th grade students starts on April 5th. Student specific dates, times, and locations will be communicated through the student's English teacher and sent to students' SCPS email accounts.

Spring Assessments/End Of Course Exams start on May 3rd.

This includes the following:

- Algebra EOC
- Biology EOC
- Geometry EOC
- US History EOC

Student specific dates, times, and locations will be communicated through the student's course area teacher and sent to students' SCPS email accounts. All face to face, Seminole Connect, SCVS Save My Seat!, and full time SCVS students are required to participate in their courses' FSA/EOC. These assessments are only administered on campus; there is no virtual option.

SGA

What's New with SGA?

The 2020-2021 school year was certainly unprecedented, but our leadership team made the best of it with many Student Government Association (SGA) sponsored events. We look forward to resuming normal activities as permitted by state and local guidelines.

Finally, we are looking for incredible NEW student leaders to join the Student Government Association for the next school year! All face-to-face, SC, and SCVS students are eligible to join. Please see the following information for elections and applications and check out the "All Lake Brantley High School" e-Campus page for more announcements:

- Student Body Officer & Class Council Officer Elections: Online election applications are available and voting will occur via e-Campus in March.
- Leadership Applications: Online leadership applications are available, and acceptances will occur in April.

We are looking forward to planning many more incredible events and activities in the new school year!

Follow us on Instagram @LBHS_SGA for more updates!

With questions or concerns, contact Audra Greuel at greuelaz@scps.k12.fl.us or Lynn Moran-Peebles at moranld@scps.k12.fl.us.

CHORUS

Lake Brantley's Chorus department has been busy producing their spring concert which will be available to watch virtually. ForteFy, Lake Brantley's a cappella group has been busy creating a Competition Music Video which was just released on March 13. Mr. Powers, the Chorus Director and his students hope you enjoy these performances. Be on the lookout in May for "Brantley on Broadway" performance and streaming information!

SCIENCE

Our science teacher, Ms. Lauren D'Ambrosio, has been selected for the 2021 Grosvenor Teacher Fellowship with Lindblad Expeditions and the National Geographic Society! As one of only 50 educators selected from across the U.S. and Canada, she is honored to be chosen for this professional development opportunity that will allow her to bring geographic awareness back to her students at Lake Brantley High School.

The Grosvenor Teacher Fellowship selects exemplary educators to embark on a life-changing voyage to one of the many remote and extraordinary environments the Lindblad fleet explores around the world. Given the ongoing pandemic and travel restrictions, her field-based experience is currently on hold. However, once conditions allow, she will embark on a Lindblad Expeditions' voyage for 1-3 weeks to experience natural wonders alongside an outstanding expedition team including marine biologists, geologists, historians, scientists, undersea specialists, and National Geographic photographers. Ms. D'Ambrosio will return home with compelling ideas to enhance curriculum and is excited to translate her experience into local citizen scientists' projects and instill an explorer's mindset for her students, colleagues, and community.

PTSA NEWS

Dear Lake Brantley Families,

Thank you for your continued support! We are in the middle of our spring semester and we have many special events coming up in April and May – Class of 2021 Senior Breakfast, Proud Patriot Awards, Honor Grad Night, Ice Cream Social and the end of the year Faculty & Teacher Luncheon. We have several committees working very hard on these celebrations for our parents, teachers and students! We look forward to an exciting last quarter of the school year!

Annual Membership

We accept memberships throughout the year. Please go online: **Brantley.New.Memberhub.Store**. Memberships are \$5 for students/teachers and \$10 for parents. Please know that by making this annual tax deductible contribution, the funds go to support so many of our programs! Please donate to Lake Brantley PTSA today!

Board Members

We have several board members graduating this year, along with our senior class of 2021. We are looking to fill open positions for the next school year and would love to discuss our volunteer opportunities with you! Please contact Elizabeth at: ptsa.lbhs@gmail if you are interested in being on our board for 2021-2022.

"Volunteers do not necessarily have the time; they just have the heart."

DRAMA

Lake Brantley's Drama department has been very busy this year with several productions including the One Act plays *Proof and Emotional Baggage*, *Night of Scenes*, a February play directed by junior Delaney Rosenblatt, solos, duets, small groups and a large group musical number. They also had an outing to support the girls soccer team and have had two very successful silly string contests which raised funds for the department.

At the end of April, drama students will be participating and performing in events at the Central Florida Theatre Festival in Oviedo. The events include the One Act *Doubt*, solos, duet cold reads, monologues, improv, Troupe 2888 display, one act review team, flash mob, makeup design challenge, Broadway character costume showcase, technical theatre showcase, arts and advocacy, one act playwriting, and staged readings! This event will run April 22-24.
