# Patriot Parade

Dear Patriot Family,

It's hard to believe, but the time has come for the fourth nine weeks of the 2021-2022 school year! In most of our academic classes, the final preparations for end-of-course exams, AP exams, and the FSA are in full force. In our Career and Technical education classes, we are working toward our students earning industry certifications that they can take with them post-graduation to apply toward the career field of their choice. Our fine and performing arts classes are gearing themselves up for their spring performances as well, so make sure you check out our activity calendar to continue to support all of the programs that Lake Brantley has to offer!

The final nine weeks are such an exciting time for high school students, but especially for our seniors. We have an incredible number of senior events planned for the class of 2022, from the Senior Breakfast put on by our amazing PTSA, to prom at the gorgeous Sapphire Falls hotel, and culminating in our graduation ceremony at UCF's Addition Financial Arena on May 26th at 9:00 a.m.! We are getting down to crunch time, so help us help your students by encouraging them to sprint through the finish line and into a much-needed summer break!

I am so proud to be a part of such a great school and supportive community. As always, we are here to help you and your students with anything that they may need for the rest of the school year and beyond. If you have any questions or concerns, please don't hesitate to reach out.

Thank you, and Go Patriots!

**COUNSELOR'S CORNER**

Course selection for the 2022-2023 school year has been completed. Core classes were selected based on course progression guides created by teachers and administrators. Student performance in current classes, and, when appropriate, state testing, are the basis for course placements. Parents can authorize changes to core classes through submission of the course override form.

Students were given the opportunity to tell their counselor what elective courses they wanted for next year. Students will have another opportunity in May to review and, with parent permission, adjust their course requests before scheduling occurs.

Students who are interested in applying for dual enrollment need to check the dual enrollment webpage with Seminole State College, the LBHS virtual counseling office in e-Campus, and the Lake Brantley's student services dual enrollment page. Please reach out to your school counselor if you have questions.
