PATRIOT Parade

Dear Patriot family,

Welcome back for the 2021-22 school year! We here at Lake Brantley are so excited to see what this year has in store for us, and we cannot wait to “Meet the Challenge” with you! We have faced many challenges over the last 18 months as a faculty, staff, student body and community. From managing COVID-19 and all of the aftermath from the pandemic, to trying to maintain a sense of normalcy on campus, it has been difficult to find balance in our lives. But, our teachers, staff and students all persevered and are ready to take on anything and everything this school year brings to us.

With the new school year comes many changes to the campus. Seminole Connect is no longer a learning option for our students, so many have chosen to return back to campus for face-to-face learning. We have also updated our bell schedule and returned to our more traditional “Straight 7” schedule at Lake Brantley as opposed to the Block Schedule with alternating Wednesdays that we had in 2020-21. This allows our students to see all of their teachers every day, and provides them the flexibility in their schedules to broaden their horizons and maybe try something new. One major area of focus is that our Attendance Policy will be back and fully enforced for the 2021-22 school year. A copy of this policy can be found on our school website, and if you have any questions or concerns please let us know.

At Lake Brantley High School, we are committed to excellence in all areas, especially academics, and will continue to march towards our goal of increasing our school grade in all subcategories across the board. This commitment to excellence is a tradition that we hold dear at Lake Brantley, and it is one that we will proudly continue in the years to come. Let’s work together to make this the best school year this prestigious school has ever seen. I encourage you all to introduce yourselves to me and my entire Leadership Team on August 24th when we host you and your families for Open House. Thank you so much for all that you do, and Go Patriots!

SGA

What's New with SGA?

The 2020-2021 school year was certainly unprecedented, but our leadership team made the best of it with many Student Government Association (SGA) sponsored events. We look forward to resuming normal activities as permitted by state and local guidelines. We are looking forward to planning many more incredible events and activities, like Homecoming week, pep rallies, lunch jams, spirit weeks, and much more in the new school year!

We are excited to work with our new leadership class. Please congratulate the following student leaders who were elected as officers or accepted as members for the 2021-2022 school year:
