# L PATRIOT Parade

Dear Patriot family,

Welcome back for the 2022-23 school year! We here at Lake Brantley are so excited to see what this year has in store for us, and we cannot wait to “Meet the Challenge” with you! We have faced many challenges over the last two years as a faculty, staff, student body, and community. From managing COVID-19 and all of the aftermath from the pandemic, to trying to maintain a sense of normalcy on campus, it has been difficult to find balance in our lives. But, our teachers, staff, and students all persevered and are ready to take on anything and everything this upcoming school year brings to us.

This school year will be our 50th anniversary, and we have so many cool opportunities planned for our students and their families. Each home football game will be a “Homecoming” of sorts for alumni from different decades, and we will make it known how truly special it is to be a Lake Brantley Patriot! Student Orientations are scheduled for August 1st and August 2nd, with our incoming ninth graders coming in on August 2nd throughout the day.

At Lake Brantley High School, we are committed to excellence in all areas, especially academics, and will continue to march toward our goal of increasing our school grade in all subcategories across the board. This commitment to excellence is a tradition that we hold dear at Lake Brantley, and it is one that we will proudly continue in the years to come. Let’s work together to make this the best school year this prestigious school has ever seen.

See you all in August, and go Patriots!

# COUNSELOR'S CORNER

During the summer break, there will be limited times when a school counselor will be on duty. Please note that not all counselors will be working this summer, so your emails and voicemails may not be answered.

If you need to speak with a counselor, please call the main office at (407) 746-3450. If you need to speak with a crisis counselor, please call 211 to be connected to a crisis counselor 24 hours 7 days a week.

All counselors will return to work August 4th. At that time, we will be working hard to ensure schedules are set for the start of the school year.

We wish all our students and their families a restful summer break and are looking forward to seeing everyone when we return!

# LAKE BRANTLEY PTSA

Congratulations to all recipients of the PTSA Proud Patriot scholarship. Incoming seniors, be sure to pay your PTSA membership dues in August so you may qualify for next year's scholarship!

PTSA hosted a successful faculty luncheon during the last week of school. We want to thank all who donated food and gift items for our amazing staff and faculty. Special thanks go out to the Golden family, who donated plants to all the teachers, and to Rawle Orthodontics for the beautiful gift basket.

Congratulations to all teachers who retired this year: Felix Albuquerque, Roberto Iglesia, Jerri Kelly, Brian Keyes, and Rollie Nelson. Thank you for many years serving the Lake Brantley community. We wish you all the best in your retirement!

Thank you to our senior PTSA parents: Cari Klinger, Stacy Mason, Carol Platt, Jenn Stoker, and our student ambassador, Kendyl Vigie. We will miss you and your dedication to PTSA! Congratulations to Monica Sporleder, who received the Dividend of the Year award from SCPS.

# ATHLETIC BOOSTERS

Dear Fellow Patriots,

The Lake Brantley High School Athletic Boosters membership drive for 2022-2023 will begin this month. We are so excited about celebrating the LBHS 50th anniversary and hope everyone will come out and support all our athletes throughout the year! We offer various packages for every budget. Many of the packages include reserved seating for the varsity home football games, but we also encourage families to take advantage of the All Sports Pass so that you can come out and support all sports throughout the year! If you can't come out to the games, we invite you to purchase the basic membership and support your athlete and our mission of continuing to provide outstanding facilities here at LBHS.

**We are challenging every family with an athlete to support our Athletic Boosters by becoming a member at any level of membership.** With every family participating, we will be able to support our athletic facilities and promote school spirit through sports. We strive to enhance athletic and academic excellence as well as maintain the history and tradition of excellence for all student athletes at LBHS.

## Important Dates

- **July 1, 2022 - July 14, 2022** - Current athletic boosters will be offered the chance to renew their membership and select their varsity home football seat(s) if applicable.
- **July 15, 2022** - New athletic boosters may purchase their membership package and begin to select their varsity home football seat(s) if applicable.

Please go to [www.LBHSBoosters.com](http://www.LBHSBoosters.com) to purchase your tickets after July 14, 2022. If you are an existing member, you will receive an email on July 1, 2022, with instructions on how to renew! **Athletic Boosters will have a table set up at orientation** if you still need to purchase your package and select your seat(s).

Any questions can be directed to our membership vice president, Meredith Aultman, at 407-227-8371 or [meredithaultman@gmail.com](mailto:meredithaultman@gmail.com).

## LATIN

*Salvete, omnes!* Magister Payne is happy to say that our Latin program here at LBHS is full, vibrant and ready for what will be a grand 2022-2023 school year. Additionally, our Latin Club, *Sodalitas Latina*, will hold its first meeting in August. Join us for snacks, criteria for membership, and a discussion of upcoming projects.

**PS. Still need a FUN, easygoing elective?** We are happy to offer a new course: **Classical Humanities**. Students will gain an appreciation of ancient cultures by learning their writing systems and completing projects in which they create art and artifacts of the civilizations studied. Finally, with demonstrations, experiments and other activities, students will gain a basic knowledge and appreciation of ancient science, technology, engineering and mathematics (STEM).
