Dear Patriot Families,

I hope you have had time to enjoy your summer vacation and are ready to embark on the 2019-2020 school year. As we approach the new school year, our main goal is to have the teachers unpacked and ready to teach in their new classrooms.

- Building #1 will house JROTC and Mr. Holmes.
- Building #5 will house English, ESOL, ESE, and Algebra I.
- Building #6 will house World Languages.
- Building #7 will house Social Studies.
- Building #8 will house Math.

Science, the Arts Programs, and CTE are still spread throughout the school due to where the rooms are located. The cafeteria will also be finished and have inside and outside seating. The final phase which will include the tennis courts will not be done until the end of 1st semester. With the expansion of the campus, the bell schedule has changed to accommodate the students. There will be more time between classes to help them to arrive on time. Please check the website for the new bell schedule.

In May we had students check their current class selections on Skyward to verify the courses they selected. Any student requesting a schedule change, could do this remotely through a google doc that we have posted on our main website for easy access. We also provided summer time assistance by having a guidance counselor available every Monday from 8:00-12:00. During the summer, the offices of LBHS are closed on Fridays. On July 26th the counselors will be back early to resolve any schedule conflicts. When schedule pick up arrives the first week of August, our goal is to have short lines and few changes. We want you to come to LBHS with the security of having a schedule that you can start on day #1. This is especially important for our in-coming freshmen, so they can acclimate to LBHS quickly.

If you are interested in enrolling in full time public virtual school, you need to contact Seminole County Virtual School (SCVS). SCVS is only open for enrollment for two windows during the year. The window for the 2019-2020 Semester 1 is until Wednesday, August 7, 2019. SCVS is located at 450 Technology Park in Lake Mary and the number is 407-871-7287. The website is <http://virtualschool.scps.k12.fl.us/>. You must enroll in person.

For this year's senior class, the big change will be the ability to paint their parking spaces. Parking pass pick up will occur July 29 - July 31. All parking spots are now numbered and will be assigned to specific students. This will assist in making sure our seniors and juniors have the parking they need. I will send out more correspondence about this as it gets closer to the end of July.

I look forward to seeing you in August!

COUNSELOR CORNER

Senior Information

Senior Credit Checks will occur during the first month of the school year. All seniors must have a plan to complete the online requirement before graduation. Just a reminder: 2020 Graduates must have participated in the following EOCs before graduation: Algebra I, Geometry, Biology and US History. Further information will be discussed during your Senior Credit Check.

School Testing

There will be PSAT and SAT tests in October for all students. Stay tuned!

Virtual School

Please continue to encourage your student to work diligently on On-line courses. If there are questions or concerns, please contact your online teachers directly. Students who started a virtual course while attending Middle school will need to change the School of Record online to Lake Brantley.

Bright Futures

Please visit <https://www.floridashines.org/>. In addition to viewing pertinent information on the Bright Futures Scholarships, students will be able to review career assessments.

Dual Enrollment Information

Seminole State College Dual Enrollment applications are available in the Front office. We recommend picking up the **Steps to Enroll** guide printed by Seminole State College as well. It gives details about eligibility and walks students through the process.

2019 College & Career Expo (Tuesday, Sept. 17th, 5 – 8 pm)

Public and private colleges, universities and technical schools will be on the Lake Brantley campus to showcase their programs and answer admissions and financial aid questions. All students from all grade levels are encouraged to attend. There will be a college fair, special interest breakout sessions and more!

Throughout the school year, look for the Guidance link at www.lakebrantley.com for specific information and deadlines. Please continue to check Skyward and the LBHS website regularly. Additionally, all students are able to book appointments online with their counselors.

- Develop a list of schools that you will apply to:
 - Reach schools: those you dream of attending but don't think you'll get in or have the money
 - Match schools: those you dream of attending and have a good shot at attending and affording
 - Safety schools: those you are virtually guaranteed admission and will have no problem affording.

- Determine the application requirements for each of your colleges and put scholarship and application deadlines on your calendar. Plan to start college applications August 1st if not earlier.

- If you haven't taken the SAT or ACT with Writing, or if you're not pleased with previous scores, sign up immediately. Delaying this test can delay a college's decision about your admissibility.
