PTSA CONTACTS

 Laura Breen Galante, *Newsletter Editor*

Patriots,

What an incredible first few weeks of school it has been! Now that we are finally done with schedule changes and class leveling, our students and teachers are hitting the ground running with rigorous instruction in all of our classes. It is so nice to see so many students back and learning with us in the face-to-face setting, but with that comes increased safety and security measures on campus. Just like with anything, the students and staff are settling in to their new routines, and things are becoming smoother and smoother each and every day!

The fall athletic and performing arts seasons are well underway. We are excited to see our students competing and performing at the highest level, continuing our tradition of excellence at Lake Brantley. It is so great to see our incredible band marching, our dance team dancing and our chorus performing again. Our drama department is also gearing up for their competitive seasons and have some really exciting shows in store for us this year! All in all, we are really excited to see where this year takes us as a school, both athletically and artistically.

As we near the end of the first quarter, many students are eligible to take their retakes of FSA and EOC exams. Our new testing coordinator, Mrs. Moore, will be reaching out to you if your student is eligible. These assessments are vital to making sure that you stay on track to graduate, so be on the lookout for more information if you are eligible!

Thank you all so much for the collective effort to get this school year up and running—we truly Met the Challenge and will continue to do so all year long! Thank you again, and Go Patriots!

Brian Blasewitz

Principal

COUNSELORS' CORNER

The LBHS School Counselors would like to welcome our Patriots back to campus! We would also like to introduce Mrs. Michele Binkowsky-Hayden as our newest team member. She has taken over the caseload from Mrs. Craft. Please see our chart below to identify your assigned school counselor. Students are assigned by last name unless they have an IEP.

The School Counselors have been busy at work adjusting schedules and making sure all our students are enrolled in the proper classes. We are looking forward to getting back into the classrooms this year to speak with our students about important topics. If you have any questions, please feel free to call or email the School Counselor for your student. Be sure to check out our student services webpage throughout the school year for updates and information: <http://www.lakebrantley.com/student-services/>.

SPEECH & DEBATE

LBHS' Speech & Debate Team (The Debatriots) is welcoming new members for our 2021-2022 competition season. If you enjoy acting, speaking your mind, or the art of arguing, you may be right for our team. We compete against other high schools both online and in-person. Speech and Debate is a stellar activity to include on your college applications, and it's a great way to be involved on campus and make friends. Find your voice and express yourself on the LBHS Speech & Debate Team. See Ms. Burg in 05-230 for more information.

ROWING

Lake Brantley Rowing Association (LBRA) welcomed back more than 45 rowers to its program this fall. This is only the beginning. New rowers are always welcome! Not sure if you are made for rowing? LBRA offers a free week trial for all interested rowers. We hope to see you next Monday! Not only do we have a program just for Lake Brantley High School students, but we also have programs for any of your brothers and sisters, 4th through 8th grade, regardless of the school they attended.

We are excited for our fall season, which includes local regattas and a special race trip to Head of the Hooch in Chattanooga Tennessee. Check out the website: www.headofthehooch.org.

Our high school girl captains this year are Natalie Ells, Meghan Krumm and Lily McLain. The boy captains are Nico Villanueva and Taso Papadatos. Ask them about crew. We are also pleased to welcome our new school representative Michelle Bettger, a former Lake Brantley High School rowing coach.

For more information go to www.LakeBrantleyRowing.org or contact Tara McLain at 407-748-8838.
