## JUNE 2019

## Issue 4

### From the Principal's Desk

Dear Parents and Students:

We hope this newsletter finds you enjoying your summer. We are busy at Lake Howell High School completing adjustments to the master schedule and planning for a successful 2019-2020 school year. I want to first thank our **staff** and **parents** for the great support they have given our students this past school year. Our students have maintained a high level of academic focus where once again **Lake Howell High School** has so much to be proud of academically, athletically, and within the arts as well. Clearly, there is a strong focus on academic excellence, and this shows in many ways beyond last year's letter grade. The support of **PTSA, SAC, and with our booster organizations**, as well as many other **parent clubs** has made a tremendous difference and has helped our students and staff achieve at a high level. The Lake Howell High School community continues to set the standard for which others aspire, and we are so proud to continue to work hand in hand with you as we jointly serve your students!

We offer our final congratulations to our graduating class, the **Class of 2019**. We are so proud of all they have done to help continue the outstanding traditions of **academic, athletic, and arts excellence** here at Lake Howell High School. This class truly lived up to our school's motto: "*Lake Howell High School...Soaring to New Heights!*" This senior class earned more than **\$2.45 million dollars in scholarship money**, and we know this money will continue to flow in throughout the summer as well, as this is money before we calculate Bright Futures. I'm proud to say that this class had **83 Honor Grads** or students with a **4.0 GPA or higher** and **131 Silver Scholars**, or **students with a GPA of a 3.75 or higher!** Finally, **81** of our students were active members of **The National Honor Society**. We will miss this class, and we wish them all the very best in their future endeavors. Their departure opens the door for another great group of SILVERHAWKS to step up and take on the challenge of extending that tradition of academic, athletic, and arts excellence! We know the Class of 2020 will meet that challenge head on!

We also say "good-bye" to six of our **faculty members** who depart Lake Howell High School and retired at the end of the 2018-2019 school year. Please join me as we congratulate our retirees: **Media Specialist – Belinda Elmer**, **Head Custodian – Joe Fields**, **Dean of Students – Cindy Frank**, **PLATO Teacher – Rick Keith**, **Spanish Teacher – Elba Velazquez**, and **ESE Teacher – Leah Weisman**, who are retiring after more than 146 years of combined service to young people in Seminole County. Lake Howell High School will certainly miss all of them, and we wish them nothing but the very best in their new endeavors. Thank you, and good luck to each and every one of you.

Congratulations to our students and staff for their outstanding work this year in preparation for the FSA 9th and 10th grade assessments in writing and in reading. Other assessments that our students and teachers worked hard to prepare for included End-of-Course exams in Algebra I, Geometry, Biology, US History, and Advanced Placement Exams. This year brought about some incredible achievements, and we are proud of the hard work and dedication to excellence displayed by your students and our teachers.

I do wish to extend my sincere appreciation for the commitment and support that has been demonstrated by our parents and community. I especially wish to thank our **PTSA Board** and **PTSA President, Ms. Kelly Mawhinney**, **School Advisory Council (SAC)** and **SAC President, Ms. Laura Joralemon**, our **Band Booster Club**, and **Band Booster President, Ms. Karen Castielo**, our **Chorus Booster Club**, and **Chorus Booster President, Ms. Lynette Soyer**, and finally our **NJROTC Booster Club**, and **NJROTC Booster President, Ms. Lissette Smith** for their dedication to the students, faculty and staff of Lake Howell High School. We could never achieve the results we do without their hard work and effort.

We urge you to make sure you and your student are aware of all of the pre-school information and deadlines as well as orientation dates/times contained in this newsletter. You should note that we will once again have a separate **student orientation** starting first on **Thursday, August 1st**, for our **freshmen** and **sophomores** and then a separate date of **Friday, August 2nd** for our incoming **juniors** and **seniors** to continue to make their transition easier and less stressful. Also, to our freshmen parents, please anticipate your child attending the **Freshmen Kickoff Pool Party** happening on **Thursday, August 1st at 5:30pm** here at the **LHHS Aquatics Center**. Finally, mark down **Tuesday, August 27th, at 6:00pm**, for **Open House**. There are several other important dates and details in this newsletter. Please read it carefully and make sure your student meets all appropriate deadlines. Also, please keep checking our school website <http://www.lakehowell.scps.k12.fl.us/> for more information as we will periodically update the site throughout the summer.

As we prepare to celebrate our **45th Year of Lake Howell High School**, we recognize that the educational landscape continues to change, often times quicker than we can keep up with it. We continue to face a changing environment in public education and at times challenges to our budget; and our staff is working as hard as possible to insure that quality instruction and world-class academics, athletics, and arts excellence remain our priority.

Personally, it is a privilege and honor to serve each and every one of you as **Principal of the greatest high school in Seminole County**, and I strive

to do everything possible to continue our growth as a leading school in this district. I also wish to thank you for another great year here as principal of my alma mater! It is amazing to me that I have returned home to the place that I proudly graduated from 29 years ago, and now I have returned to the "nest" and the place where for me personally it all began. It certainly is full-circle and I could not be more proud, both personally and professionally, to call myself a Lake Howell Silverhawk! I am grateful and honored to lead our great school, and I cannot wait for next year to officially begin as we take on the challenges that lie out there before us. Lake Howell High School is an amazing school because of the great teachers, supportive parents, and the best students anywhere.

*GO SILVERHAWKS!*

Sincerely,  
 Michael C. Kotkin  
 Principal

## Student Services News – Summer 2019

Attention rising seniors! If you have less than 19 credits by the start of the 2019-2020 school year, you will be classified a junior. This means you will not be able to participate in senior activities or receive senior privileges, including parking. Students who have 22.5 credits at the end of 1st semester will be bumped to senior status at the close of the semester.

**Parents:** It is extremely important that we have the most up-to-date contact information for you in Skyward. Please check to make sure we have working telephones numbers and addresses for you and your student. Much of our communication is done via U.S. mail and phone calls. Current information is especially important for families of seniors so we can keep you abreast of your child's graduation status!

A counselor will be available Monday-Thursday throughout the summer. If you need to contact a counselor, please call the front desk at 407-746-9050 and they can direct you to the counselor on duty.

## 2nd Semester Report Cards & 2019-2020 Schedule Changes

Second semester report cards will be printed upon request. Parents and students can check Skyward for their final semester grades. Summer Office hours are Monday - Thursday from 8 a.m. to 3 p.m. Students were given a print-out of their 2019-2020 course requests and given the opportunity to request changes through a google document. Any student who wishes to change their schedule at this point will need to do so during schedule pick-up August 1st or 2nd or during walk-in hours the week before school starts.

## Virtual School

Virtual school requests will be periodically approved by counselors throughout the summer. Parents and students may submit course requests at [www.flvs.net](http://www.flvs.net) in order for the course to be approved by a counselor. Students are required to complete one online course to meet the graduation requirement. If you are a student planning to take a virtual class in the 2019-2020 school year as part of your school day, you'll need to fill out a virtual course add/drop form and it must include a parent signature. Forms can be found on the Lake Howell Student Services website under "Student Schedules."

## Community Service

**Bright Futures requires community service for all levels of the scholarship awards.** (Florida Academic Scholars = 100, Florida Medallion = 75, Gold Seal = 30). Students now have until May 1st of their senior year to complete all community service for Bright Futures. Parents, if your student is interested in receiving a  $\frac{1}{2}$  credit for completing community service, please make sure he/she has submitted the proper form to his/her school counselor for approval **PRIOR** to beginning to volunteer. All information on this is available on the school's website under the "Student Services" link. Once hours have been completed, students are required to write a reflective essay about their experience, and all documentation must be turned in to student services.

## Conferences Count

Parent/teacher conferences are a time for parents and teachers to share information, and are just as important in high school as in earlier years. To make the most of the time available, be prepared to ask questions like the following:

- Which subjects appear to be my students weakest and strongest?
- What can I do at home to help?
- What kind of tutoring is available - where and when?
- What standardized tests will my student be taking this year? When? How can he/she best prepare for them?

Be sure to tell the school about:

- Problems or changes in the student's life (such as a divorce or death) that may affect him/her at school
- Any special interests or talents the student possesses
- Any significant changes in the student's attitude about school or his/her peers

## LHHS has a Brand New School Store "The Hawk Shop"

Back to school shopping just got easy! Our store is stocked with back-to-school supplies, and we know exactly what your student needs for each subject.

Avoid long lines and support our entrepreneurship department. With your help, we can continue to provide students with easy access to school supplies, snacks, and drinks for a price they can afford throughout the school year. All profits will go to the DECA club to support funding for competitions and building leaders.

Step 1: Follow the link or QR Code below so we can anticipate your arrival:

## Test Dates

Lake Howell is an SAT/ACT test site! Please keep the following test dates in mind as an SAT or ACT score is required for Bright Futures and University admission. The SAT and PSAT have been redesigned by College Board. Students can visit Khanacademy.org to practice the new SAT. Visit <https://collegereadiness.collegeboard.org> to view how the SAT is changing. Practice booklets are available in the student services lobby or online at the College Board and ACT ([www.actstudent.org](http://www.actstudent.org)) websites. Please note that registration deadlines are usually one month before each test date.

The PSAT will be given during school hours this year on **October 16, 2019**. The *Preliminary Scholastic Aptitude Test* is an excellent practice tool for the SAT. All freshmen, sophomores, and juniors will be taking this test for free at school. Juniors must take this exam to qualify for the **National Merit Scholars Program**. Online review opportunities for these tests are available to students through [www.flvs.net](http://www.flvs.net), [www.princetonreview.com](http://www.princetonreview.com), and [www.KhanAcademy.org](http://www.KhanAcademy.org).

SAT	ACT
Aug. 24	Sept. 14
Oct. 5	Oct. 26
Nov. 2	Dec. 14
Dec. 7	Feb. 8
March 14	April 4
May 2	June 13
June 6	July 18

Seminole County is paying for all seniors and juniors to take the SAT in the 2019-2020 school year. The scheduled SAT School Day for seniors is **October 16, 2019**. The date for juniors is TBA but will take place in March. The county will handle all registrations for these dates.

### Advanced Placement Exams

AP exams will be given in early May 2020. These are national exam dates and will not be changed. Please check [www.collegeboard.org](http://www.collegeboard.org) for more detailed information on test dates and plan accordingly. **No make-up days are available for missed AP exams.**

### Florida Shines ([www.floridashines.org](http://www.floridashines.org))

Floridashines.org offers great opportunities for high school and college planning and is Florida's official statewide advising system. Students and their parents can review their progress toward meeting Bright Futures Scholarship Program eligibility requirements and the State University System course requirements for admission. Career testing, college searches, and resume writing help are available, free of charge, to Florida middle, high and college students.

## Lake Howell High School ASL Club

The purpose of the ASL club at Lake Howell High School is to serve as a place where people of all skill levels can learn and practice sign language while learning about Deaf culture. We also do promote unity, diversity, and cultural awareness of deaf and hard of hearing individuals. The ASL club functions as a unique class setting where people who want to learn ASL at Lake Howell High School can do so while joining a larger community of learners. They do a variety of fun activities such as ASL Idol, Deaf Day, ASL Holiday Expo, Relay for Life, etc. The ASL Club meets twice a month after school, usually on Tuesdays and Wednesdays. Come and join our AMAZING ASL Club and learn all about our beautiful language!
