

HAWK TALK

SEPTEMBER 2020

Issue 1

From the Principal's Desk

Dear Parents and Students:

It is truly my honor and pleasure to welcome all of you to this most unique start of a school year at Lake Howell High School! 2020-2021 promises to be filled with numerous challenges and opportunities for growth. We are all united in our efforts to make this a most successful school year for our students, and we truly appreciate the patience and understanding of our parents, students, faculty and staff as we continue to navigate these unprecedented times together. Our theme for this year, ***"Together We Rise"***, is most certainly an appropriate one, and together we will accomplish great things!

One of our goals this year is to once again be an "A" rated school. We can do this through a combined effort from all stakeholders. The Lake Howell High School community has established a tradition of academic, athletic, and arts excellence. This is the result of an outstanding faculty and staff, combined with the dedication of our students, parents and guardians, and our supportive business partners. Your continued support is very much needed and most appreciated!

Many thanks to our administrative team, school counselors, our faculty and non-instructional staff for their tireless efforts over the summer and as we prepared to start the school year – making the distribution of laptops, changes in class selection, and transition to the various methods of instruction as smooth as possible. We also want to thank our PTSA for their continued support of our students, faculty, and staff. They help our school in so many ways! This year they brought individual goody bags with fruit, water, granola and a nice motivational note to welcome back our faculty and staff since we weren't able to do our traditional donated "welcome back breakfast" together due to social distancing requirements. Thank you as well to our School Advisory Council for their continued support. Parents interested in getting involved with our PTSA should email mia_keyser@scps.k12.fl.us, and parents interested in helping with our SAC should email matthew_ackley@scps.k12.fl.us.

Please extend a warm Silverhawk welcome to the two newest members of our administrative team: new Assistant Principal **Vicky Lampe** (formerly our SAM), and new School Administration Manager **Arika Sutton**. We are also honored to have **21 new teachers and 7 new non-instructional staff** joining our Silverhawk family for the 2020-2021 school year!

As we start our new school year together, the year itself will present many challenges and opportunities for all of us. We welcome you and invite your active involvement in helping us become the best that we can be – with your involvement and support, we can look forward to continuing our rich tradition of excellence!

Go Silverhawks and stay HawkStrong!

Sincerely,
Michael D. Howard, *Principal*

Student Services News

October / November / December

News

Counselors have been very busy this first nine weeks getting to know their students, as well as continuing to enroll new ones almost daily. Senior credit checks were conducted the first week in September to discuss graduation requirements and post high school plans. Many college fairs will be virtual this year and students can find out more about their options by visiting the websites of prospective schools or visiting <https://www.nacacfairs.org/>.

Student Services will be utilizing Skyward, eCampus, and Instagram to send out notifications and information. Follow us on Instagram: LHHS_StudentServices. All students are enrolled in the Student Services eCampus course. Visit the course for valuable information from community service documents to virtual college visits.

The PSAT will be given on October 14th. The PSAT is given once a year and is good practice for the SAT. All 9th, 10th, and 11th graders will test. This is the only chance for juniors to compete in the National Merit Scholarship Competition.

Seniors

Seniors should be completing college applications and sending transcripts if they have not already done so. To send a transcript, complete a request here <https://tinyurl.com/LHHSTranscriptRequest>. Please keep in mind that though you may request an electronic copy to be sent that day, the county only sends these records Tuesdays & Thursdays. Hard-copies of transcripts will be sealed in an envelope for the student to pick-up and mail themselves. Be sure to apply early (at least one school by Thanksgiving!). Florida colleges fill up quickly as supply is less than the demand. Pay attention to each college's application deadline as they don't all have the same one.

Tips for Seniors & Parents from College Financial Services

- Find out about grants & scholarships that are available in your state; make sure you understand the requirements (floridastudentfinancialaid.org)
- Find out if the schools of your choice have their own financial aid applications that need to be completed. Be sure to request one now if you have not done so.
- Don't assume you won't qualify for need-based financial assistance. Apply even if you think you won't qualify. Students who receive financial assistance come from a wide variety of family income levels since many factors affect eligibility.
- Make sure you know about all the deadlines. Deadlines vary from school to school and program to program, and are very rarely extended!
- Make copies or notes about all documents you send; record when and to whom you sent them.
- The FAFSA for 2020-2021 can be submitted any time after October 1, 2020. Go to www.fafsa.ed.gov, the official website for the free financial aid form. Student Services will offer a **FAFSA virtual meeting** the evening of **October 14th, 2020 at 6:00 p.m. via Webex. Meeting information will be dispersed via Skyward.** This is a must for all families who would like help in understanding how to complete the FAFSA. College Financial Aid representatives will be available to answer questions.

Scholarship Information

Scholarship information is beginning to arrive. As this is received, the information is placed on the announcements, as well as being posted in classrooms, and listed on the website (www.lakehowell.scps.k12.fl.us/Student-Services). Seniors should be checking weekly for this information. Computers with internet access are available for students to use in the Media Center and in the Student Services area for scholarship searches.

Florida State Grants & Scholarships Application

(*this includes Bright Futures)

Any student who applies for the Bright Futures Scholarship **MUST complete an online application** at <http://www.floridastudentfinancialaid.org/SSFAD/bf/>. Once the application is completed, each student will receive a PIN number for future access. It is important that you don't lose this information as you will need to access your scholarship for the next four years with this login and pin. Senior parents, please make sure your student completes the online application. We encourage all seniors to apply once the application opens as it also evaluates them for other state grants and scholarships for which they may be eligible. **This application process should open for this year's seniors October 1, 2020.**

Test Dates

Registration information and practice booklets are available in the guidance lobby. You can also register and access practice materials online at: www.collegeboard.org and <https://www.khanacademy.org/test-prep/sat> for the SAT and at www.actstudent.org for the ACT. Please note the registration deadlines are usually one month before each test date.
