# PACKER BACKER

**MARCH 2022**

## PRINCIPAL'S MESSAGE

**Principal**  
Bradley Finkbiner

### THE VISION

of Largo High School is to effectively prepare students for post-secondary endeavors by providing a quality education through diverse student activities, varied class offerings and meaningful experiences.

### OUR MISSION

Largo High School aims to deliver positive, rigorous instruction designed to empower students' lifelong learning, successful academic and civic engagement, global understanding, and a respect for individuals and societies.

Hello Packer Families

We are now in the middle of our third quarter of the year. As we move to our assessment time frame, I want to reflect on first semester with an eye on what is in front of us.

Largo High had the largest increase in the graduation rate of any traditional high school in the district with a 2.3% increase. This gave us an overall graduation rate of 96.5%. This is a terrific improvement from 2013 when our graduation rate was 75.9%. Congratulations to all our staff and scholars who worked tremendously hard during the year and over the summer to make this happen. The district had an overall graduation rate of 92% which was the highest of the 10 largest districts in the State of Florida.

I also want to congratulate our National Merit Scholars who have received recognition for their accomplishments.

#### Three semi-finalists

- Nathan Bailey
- Evelyn Colon
- William Zhu

#### National Hispanic Scholar Award

- Lukas Olsen

#### African American Scholar Award

- Alyssa Duarte

Congratulations to our winter athletic teams as they have finished their season. Our girls' basketball team finished district runner-up and boys' soccer made the state series playoffs. Our boys' basketball team are in the district finals and wrestling have their district competitions starting as I am writing this note.

Upcoming in our school year are multiple opportunities to receive the graduation requirement scores for English/Reading and Algebra 1. Our scholars are aware of these dates and they are posted on the website as well. Please make sure to support them within your home as there are resources, they can use to enhance their chances on receiving the score needed for graduation. Graduation for the class of 2022 will be May 20th at Tropicana Field. Information on graduation is on our website.

For our 9th -11th grade scholars, the FSA and EOC assessments will be coming quickly. The month of May is our testing window and it is vitally important for our scholars to have outstanding attendance in their classes leading up to the assessments, as well as, attendance for the tests. The cutoff for attendance is 95% of overall scholars to take the assessments. Please support us as we do our very best to prepare your scholars to be successful.

We will be hosting Summer Bridge during the months of June and July. If your child needs to make up a course or receive grade forgiveness, this is a perfect time to ensure they are on track to graduate as we begin the 2022-2023 school year.

Thank you for being a part of PackerNation  
Bradley Finkbiner, Principal

## DO YOU KNOW THE DRESS CODE?

### In General

The dress and grooming of District students shall be neat and clean, promoting a positive educational environment. Apparel that disrupts educational activities and processes of the school will result in the removal of the student from the regular school environment until acceptable apparel can be secured for the student. The administration will be the final judge about whether a student's clothing is appropriate for school or whether it will create a climate that is distracting to learning. Principals, faculty, and staff members will enforce the dress code. Failure to comply with the dress code will be handled similarly to other disciplinary infractions. Non-compliance may result in consequences including but not limited to detention, in-school suspension and loss of eligibility to participate in extracurricular activities.

Pursuant to F.S. 1006.07, wearing clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the learning environment will have the following specific consequences. In addition to these consequences, the violation shall be corrected before the student is allowed back in the regular school environment:

### Requirements for student dress in all schools are listed below:

- All shirts and blouses must cover midriff, back, sides, and all undergarments including bra straps at all times. All shirts, tops, and dresses shall have sleeves and cover the shoulders.
- Shorts, skirts, divided skirts, dresses and culottes are allowed. They must be mid-thigh length or longer.
- All trousers, pants, or shorts must totally cover undergarments, including boxer shorts.
- All clothing, jewelry, or tattoos shall be free of the following: profanity; violent images, wording or suggestion; sexually suggestive phrases or images; gang related symbols; alcohol, tobacco, drugs or advertisements for such products.
- Safe and appropriate footwear must be worn. Inappropriate footwear includes, but is not limited to, roller skates, skate shoes, and bedroom slippers.

### Further Clarification/Other Requirements:

- Form fitting leotard/spandex type clothing is not allowed unless proper outer garments cover to mid-thigh length or longer.
- See through or mesh fabric clothing may only be worn over clothing meeting requirements.
- Clothing must be appropriate size, with the waist of the garment worn at the student's waist.
- Clothing not properly buttoned, zipped, fastened, or with inappropriate holes or tears shall not be worn.
- Clothing and footwear traditionally designed as undergarments or sleepwear shall not be worn as outer garments.
- Sunglasses may not be worn inside unless a parent provides a doctor's note to the school.
- Bandanas or sweatbands are not allowed to be visible on school grounds during the regular school hours.
- Hats or other head coverings may be worn during outside P.E. activities and may not be worn during any portion of the regular school day without the expressed permission of the principal.
- If the school has a mandatory school uniform policy, the student must adhere to those requirements.

In AVID, students are challenged to take upper level courses (honors or AP) while being supported in the elective class. We hold study groups on Tuesdays and Thursdays run by senior tutors and college tutors. On Monday, Wednesday, and Fridays we follow the AVID curriculum that teaches resume writing, interview skills, reading and writing skills, and SAT and ACT test prep. Each year has a different focus -- all helping student make the college application process an easy process. For example: freshman and sophomore year focus on maintaining GPA's and academics; in junior year we focus on test prep, volunteer opportunities, and building your resume; senior year is all about college essays, applications, and scholarships. If your scholar is interested in learning more about AVID for the 2022-2023 school year, please have them stop by Mrs. Fitzgerald's room 1-213 or email fitzgerald@pcsb.org

## DOES THE SCHOOL DISTRICT HAVE YOUR UP-TO-DATE CONTACT INFORMATION?

As the new school year approaches, make sure Pinellas County Schools has your current phone number and email address.

The district needs accurate contact information to call and email parents about:

- Emergencies or severe weather.
- School or district events.
- Special application opportunities.

To update your phone and email address:

1. Visit <https://reservation.pcsb.org> and log in with your parent username and password. If you do not have a parent ID or forgot yours, you can get help at any public school. Make sure to present a valid photo ID.
2. Select the option: "Change Phone and Email Address Only"
3. Enter your child's name and date of birth or student ID number, and update your phone number and email address.

**Remember:** Updating the emergency contact card or clinic card at your child's school does not update your contact information in the system used for automated phone calls and emails.

## SENIORS-IN-NEED

We are requesting donations for the Seniors-In-Need account to help seniors who may need assistance with graduation fees. Please make checks payable to Largo High School and write Seniors-In-Need account on the memo line.

## SCHOOL PROPERTY

School facilities and equipment belong to our community and we must demonstrate pride and care in their use. Students who damage school property can expect that their parent/guardian will be notified of their actions and that they will be responsible for cleaning, repairing or replacing the damaged item(s).

## CLINIC CARD UPDATE

Assist us with updating our records. Take a few minutes to complete the clinic card your student brought home in the first few days of school. The time you take now may save us valuable time in contacting you in case of an emergency. We are asking that all students complete the clinic card. Learning happens best when parents and school communicate together. Thank you for helping Largo High communicate with you!!!
