

LARGO HIGH SCHOOL

PACKER BACKER

NOVEMBER 2021

PRINCIPAL'S MESSAGE

Principal
Bradley Finkbiner

THE VISION

of Largo High School is to effectively prepare students for post-secondary endeavors by providing a quality education through diverse student activities, varied class offerings and meaningful experiences.

OUR MISSION

Largo High School aims to deliver positive, rigorous instruction designed to empower students' lifelong learning, successful academic and civic engagement, global understanding, and a respect for individuals and societies.

I wanted to take the opportunity to welcome and congratulate you for being a part of 2021-2022 Largo High and for having a successful first quarter!! Largo High has over 2100 scholars which makes us the third largest high school within the district. Thank you for being a part of our Packer Family

We have already had major successes and awards this year. Please help me congratulate our Heisler Johnson American Legion Post 119 participants in the Boys and Girls State session conducted at Florida State University over the summer – Annaliese Rexroad, Arni Kumar, Richard Menke, and Tristan Orquia.

We have three finalists for Merit Scholars - Nathan Bailey, Evelyn Colon, and William Zhu. These three scholars rated in the top percentile on the PSAT and SAT around the United States. Congratulations to our three and we wish them the very best in becoming National Merit Scholars!!

I encourage you to use FOCUS to monitor your scholar's progress and you may also communicate quickly with your scholar's teachers. Each day – our mission is to ensure our scholars are on track to graduate. This is best done by being here each day, by being to class on time, by doing the necessary work in class for grades and earning credits by the end of each quarter; this will ensure scholar's to be on track to graduate.

I encourage you to continue to be an active participant in your scholar's education but also be a part of the Largo High community. Please help by volunteering for committees or being a part of celebrations as we begin to add to our calendar. Come out to our athletic and fine arts events. Dates will be posted on our website calendar.

Thank you for being an integral part of PackerNation!!

Bradley Finkbiner,
Principal

BELIEFS

In order to accomplish our mission, Largo High School believes:

Learning is a shared responsibility among students, teachers, administrators and the community. With strong parental support, LHS will provide the best possible experiences for ALL students.

Curriculum and instructional practices incorporate a variety of activities to accommodate different learning styles and allow students to apply their knowledge in meaningful contexts.

Challenging expectations and encouraging creativity, along with a safe and supportive environment, increase individual student performance and self-esteem.

Graduates will be prepared to positively impact their community and successfully meet the demands of our rapidly changing society.

Teachers will support students in developing character traits that include honesty, respect, responsibility and self-motivation.

DO YOU KNOW THE DRESS CODE?

In General

The dress and grooming of District students shall be neat and clean, promoting a positive educational environment. Apparel that disrupts educational activities and processes of the school will result in the removal of the student from the regular school environment until acceptable apparel can be secured for the student. The administration will be the final judge about whether a student's clothing is appropriate for school or whether it will create an environmental climate that is distracting to learning. Principals, faculty, and staff members will enforce the dress code. Failure to comply with the dress code will be handled similarly to other disciplinary infractions. Non-compliance may result in consequences including but not limited to detention, in-school suspension and loss of eligibility to participate in extracurricular activities.

Pursuant to F.S. 1006.07, wearing clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the learning environment will have the following specific consequences. In addition to these consequences, the violation shall be corrected before the student is allowed back in the regular school environment:

Requirements for student dress in all schools are listed below:

- All shirts and blouses must cover midriff, back, sides, and all undergarments including bra straps at all times. All shirts, tops, and dresses shall have sleeves and cover the shoulders.
- Shorts, skirts, divided skirts, dresses and culottes are allowed. They must be mid-thigh length or longer.
- All trousers, pants, or shorts must totally cover undergarments, including boxer shorts.
- All clothing, jewelry, or tattoos shall be free of the following: profanity; violent images, wording or suggestion; sexually suggestive phrases or images; gang related symbols; alcohol, tobacco, drugs or advertisements for such products.
- Safe and appropriate footwear must be worn. Inappropriate footwear includes, but is not limited to, roller skates, skate shoes, and bedroom slippers.

Further Clarification/Other Requirements:

- Form fitting leotard/spandex type clothing is not allowed unless proper outer garments cover to mid-thigh length or longer.
- See through or mesh fabric clothing may only be worn over clothing meeting requirements.
- Clothing must be appropriate size, with the waist of the garment worn at the student's waist.
- Clothing not properly buttoned, zipped, fastened, or with inappropriate holes or tears shall not be worn.
- Clothing and footwear traditionally designed as undergarments or sleepwear shall not be worn as outer garments.
- Sunglasses may not be worn inside unless a parent provides a doctor's note to the school.
- Bandanas or sweatbands are not allowed to be visible on school grounds during the regular school hours.
- Hats or other head coverings may be worn during outside P.E. activities and may not be worn during any portion of the regular school day without the expressed permission of the principal.
- If the school has a mandatory school uniform policy, the student must adhere to those requirements.

Reminders

DOES THE SCHOOL DISTRICT HAVE YOUR UP-TO-DATE CONTACT INFORMATION?

As the new school year approaches, make sure Pinellas County Schools has your current phone number and email address.

The district needs accurate contact information to call and email parents about:

- Emergencies or severe weather.
- School or district events.
- Special application opportunities.

To update your phone and email address:

1. Visit <https://reservation.pcsb.org> and log in with your parent username and password. If you do not have a parent ID or forgot yours, you can get help at any public school. Make sure to present a valid photo ID.
2. Select the option: "Change Phone and Email Address Only"
3. Enter your child's name and date of birth or student ID number, and update your phone number and email address.

Remember: Updating the emergency contact card or clinic card at your child's school does not update your contact information in the system used for automated phone calls and emails.

SENIORS-IN-NEED

We are requesting donations for the Seniors-In-Need account to help seniors who may need assistance with graduation fees. Please make checks payable to Largo High School and write Seniors-In-Need account on the memo line.

SCHOOL PROPERTY

School facilities and equipment belong to our community and we must demonstrate pride and care in their use. Students who damage school property can expect that their parent/guardian will be notified of their actions and that they will be responsible for cleaning, repairing or replacing the damaged item(s).

CLINIC CARD UPDATE

Assist us with updating our records. Take a few minutes to complete the clinic card your student brought home in the first few days of school. The time you take now may save us valuable time in contacting you in case of an emergency. We are asking that all students complete the clinic card. Learning happens best when parents and school communicate together. Thank you for helping Largo High communicate with you!!!
