For the Parents, Students and Community of Lehigh Senior High School

Principal's Message

As my first year at Lehigh Senior High ends, I have to say again that there is no other school where I would rather be. By the time families receive this newsletter, we will have graduated close to 540 Seniors and are currently gearing up to welcome approximately 700 Freshmen for the 24-25 school year. Our academia shined this year with having a Merit Scholar finalist, four Take Stock in Children Scholarships and two Golden Apple Recipients. Our athletics program has achieved state bids in cross country, track and unified sports along with seven athletic scholarship signings this school year. In Center of the Arts news, our Theatre department earned male actor of the year runner up at our High School Musical awards, a state contender in Choir, and a handful of superiors in Band, Dance and other assessments. During our Senior Academic Signing Day, we hosted over 50 Seniors who signed certificates of intent along with welcoming over 250 Seniors and their families to our Senior Awards Night.

Our school participated in several district programs such as Sandy Hook, Lee Listens, Peer to Peer mentoring, AVID revalidation and High Reliability Schools Level One certification. This upcoming year our school will continue to ensure a safe, supportive and collaborative environment while working towards level 2 certification of demonstrating effective teaching in every classroom.

With some new in school safety initiatives, we have minimized our tardies and provided an Alternative to Success program. We have addressed dress code and electronic device issues. Lehigh Senior is working towards putting a cell phone hotel policy in place and prohibiting attire with hoodies attached for the 2024-2025 school year. These initiatives, along with ongoing Open Gate, security cameras, alarms, and security staff help aide in the continuation of our mission to increase achievement and improve teaching.

We have some exciting opportunities coming up for our teachers this summer as they participate in Professional Learning to hone their crafts as we enter the new school year. We also have an opportunity for incoming Freshmen to participate in our Lightning Launch to onboard 9th graders and allow them a sneak peek at the life of a Lehigh student. This event will include games, team building, a pep rally, and a cookout. Be sure to use the QR code that can be found on the next pages regarding Lightning Launch registration. I look forward to seeing what the future holds for all our Lehigh Scholars, former, current and new. We'll see you out there.

Sincerely,

Darya Grote, Principal

AVID NEWS

The LSHS AVID family welcomes the incoming freshmen students, and we look forward to a fabulous year with all of you. AVID stands for Advancement Via Individual Determination. AVID is a system that supports students in their rigorous classes and encourages them to advocate for themselves by setting goals and becoming more organized. AVID helps students develop the skills necessary after high school whether it be college, a career, or the military. Students who are interested in AVID can submit an application by scanning the QR code at the bottom.

AVID is looking for those students who have so much potential but may need that extra support. AVID is for motivated, independent students who show they have individual determination. Students are expected to come prepared to all classes to ensure their success. Students are expected to maintain a C or better in all classes, submit their work for all classes on time, and demonstrate the qualities of a Lehigh Scholar. Once a month there is a professional dress day, and all students will complete community service hours to meet the requirements of potential scholarships. Parents play an important role in their child's academic life and are encouraged to be part of our AVID family. We ask that parents check their child's grades weekly, reach out to the staff with any concerns, and participate in your child's learning. We are all in this together. The great work that our

We also offer our Beta Chi Lambda class or BETA. This is an all-male class, where our co-instructor, Anthony Dixon helps to prepare our young men for success in life by teaching and mentoring them about the importance of having a strong character and the value of maintaining integrity, honor, respect, and honesty in addition to learning all the other components of the AVID elective class. If that isn't enough to spark your interest, there's more!! C3R Cyndi Chiorello 5K Color Run

On May 11, 2024, Lehigh Senior hosted the inaugural *C3R Cyndi Chiorello 5K Color Run*. Earlier this year in January 2024, a longtime leader for The School District of Lee County and a legacy at Lehigh Senior High School, Assistant Principal Cyndi Chiorello, was diagnosed with breast cancer. "Chiorello" has been in education and working for Lee County Schools since 1997 when she became a PE teacher. During that time, she was also the Varsity Girls Softball Coach where she worked closely with Lehigh's student athletes both on the field and in the classroom. With her desire to lead and make an impact with young athletes, she transitioned into the role of Athletic Director in 2004. She remained in that role until her heart pulled her to Administration. Cyndi became Lehigh Senior's Assistant Principal in 2014. Cyndi is *foundational* to the "family" that has been created at Lehigh Senior High School. This special event allowed us as a community to shower Cyndi, and her wife and children, with the financial support that will be needed over the next several months of chemotherapy, radiation treatment, and ultimately, surgery. This year, the Lehigh community raised over \$9,000! This will be an annual event and we hope you will join us in the fight against breast cancer in the Spring of 2025!

THEATER NEWS

ANNOUNCING THE LIGHTNING THEATRE COMPANY'S 2024-2025 SEASON

Lehigh Senior's Lightning Theatre company is proud to announce our upcoming season of shows! This season is full of exciting, hilarious, heartfelt, & serious stories. Starting off our season will be Jerome McDonough's *Requiem*, a serious look at how War affects a family and its surrounding community. *Requiem* will be competing in our Fall SWFTS One Act Competition, it will also have a public performance this October!

Following *Requiem* will be the American classic, *Our Town*. *Our Town* is a metatheatrical slice of life, detailing and evaluating what it means to live and to die. *Our Town* will open in November in the Lehigh Senior Auditorium.

Closing out 2024 will be the hilarious and wildly fun musical *The 25th Annual Putnam County Spelling Bee*. Opening in the Blackbox in December *Spelling Bee* looks and pokes fun at students as they compete in a high stakes regional spelling bee competition.

To start off 2025 in January will be our Children's theatre production of *The Little Mermaid Jr.* This show will be geared towards the younger ones! So, if you have a little brother or sister bring them out "Under the Sea"!

Lastly, we are excited to announce we will be **the First!** SWFL High school production of *Hadestown* Teen Edition this April! Tony award winner for Best Musical, *Hadestown* tells the tragic love story of Orpheus and Eurydice as it follows their journey through life and love, to tragedy and loss. This amazing premiere production is one you will not want to miss.

National Unified Banner School 2022-2026

With the hard work of both our Best Buddies/Aktion BOLTS club and Unified Sports we have obtained National Unified Banner School status.
