Principal's Message

Welcome back students and parents. The Lemon Bay staff is excited that the 2022-2023 school year is off to a great start.

The staff had a great five days of preparation for the school year and once again our focus this year is based on a question we pose to all our students.

“Are you working toward graduating on time, career ready?”

It is our goal that students come to school each day with this question in mind and it is my expectation that our Lemon Bay staff prepares each day to help students achieve this goal. To help students achieve this goal,

we are providing each student with a planner. We hope that students will bring the planner with them each day to record their daily assignments and homework.

- Student safety is our number one concern and I know it is yours as well. As a reminder:
- Students are required to wear ID badges every day to school. We ask for your help in reminding them to wear them to school every day.
- General student access to campus starts at 6:40am. Students arriving before 6:40am should wait in the front of the school until security personnel open the doors.

Principal's Message

continued from front page...

- Student drop-off for all students should only take place in front of the school.

Here are some helpful suggestions for a successful year.

- ATTENDANCE, ATTENDANCE ATTENDANCE.... Studies have found that students attending school daily have greater success in school and are more likely to graduate. Teachers prepare lessons for each school day and students attending school regularly will be able to keep up with the progression of learning in the classroom.
- Access FOCUS weekly to monitor your child's current grades and attendance. Students will have classwork and homework that will help them prepare for the tests they will take in each of their classes to show learning is occurring. If students start to fall behind, it can be very difficult to catch up. Lemon Bay is currently offering tutoring for one-hour (2:15 – 3:15) Monday through Thursday.
- Access FOCUS to learn the results of the accountability tests your child may be taking throughout the year. On all exams, level 3 and above represent proficiency, while levels 1 and 2 indicate your child did not earn a proficient score. Remember that the 10th grade FSA and the Algebra I EOC are the only two tests students are required to pass in order to earn a high school diploma. If your child did not earn a proficient score on either of those tests, know that they will have multiple opportunities to

be re-tested. However, you should discuss with your child a plan for improving their test score.

If you need assistance with this task, please make an appointment with your child's guidance counselor.

- Encourage your child to get involved in extra-curricular activities. He or she could join a club, try out for a sport, or participate in band, chorus, theater, or NJROTC. Involvement in sports, activities, and clubs will help students feel more a part of the high school and data has shown that students who are involved in high school have better attendance and grades.
- Finally, speak with your children about actively engaging in their education. If they have questions about what's being taught in class, they should speak up and ask for help. If your children have questions about graduation requirements, they should schedule an appointment to talk with a counselor. If your child has concerns about safety issues, they need to approach an administrator. My door is always open to students, and so are the doors of all members of our administrative team. We want to know if our students, or parents, have concerns, so that we can work together to resolve those concerns.

The entire staff is looking forward to a great school year.

Welcome back Lemon Bay!

NHS is proud to announce this year's new officers: Blake Ahlers (President), Logan Ho (Vice President), Gray Lowder (Secretary), and Matthew Hidalgo (Treasurer). Applications for the fall selection of new inductees will be handed out in September. Current members have been working hard tutoring their peers after school in the media center. Also, we are looking to continue our community service project in November by donating our time at a local Memorial Park polishing the headstones of Veterans. Information regarding the NHS Bylaws and membership can be found on the Lemon Bay High School website.

2023 Yearbook Ads

Attention Seniors and Businesses, Clubs and Teams!

Do you want a page devoted to either your senior, business, club, or team in the yearbook that will still be seen 20 years from now?

***Your choice.** With a variety of sizes from which to choose, it's impossible to go wrong.

***Be creative...or not.** If you would like to create the layout, that's great! If you would like to simply supply the yearbook staff with photos and your special message, we can be creative for you. Yearbook ads can be purchased online at Yearbookforever.com and pictures and writing can be saved there for us to design your ad or you can make the ad yourself and save it there for us to use. Yearbook ads can also be purchased by turning in money and ad pictures/writing to Debbie Huber in Room 02-104.

Important Deadline Date: Friday, December 9, 2022

***This is the deadline for you to purchase your ad and turn in any pictures and/or writing you would like in the ad.** (Please give us scanned copies of your photographs instead of originals if they are not digital images)

***If not paid by Friday, December 9, we may not be able to include your ad in the yearbook.**

Price Chart:

Manta Rays “RIP” into Bullying

Student conflicts occur on any high school campus. Those conflicts typically result in a difference of opinions. Overcoming differences and embracing diversity is what we believe makes Lemon Bay High School a great school for our students. Our students strive

to support each other and demonstrate kindness and compassion. Our school district and school take a strong stand to ensure bullying behaviors do not occur. Keep in the mind, the following “RIP” acronym if you are unsure if bullying is occurring and should be reported:

- R** = Repeated (occurs more than once)
- I** = Imbalance of Power (is the victim perceived as younger, weaker, less smart, or less socially accepted)
- P** = Purposeful (it was deliberate or intended, not accidental)

another person. Cyberbullying means bullying through the use of technology or any electronic communication regardless of whether the bullying occurs on or off school grounds. Examples of cyberbullying include but are not limited to: text/instant messaging, e-mails, creation of a webpage impersonating another person and/or other electronic means through the internet.

Bullying is not:

- An altercation between equals
- Good natured playful teasing among equals or peers
- An isolated incident

You can report a bully situation on our school’s website using the “Report Bullying” button. You can also talk to an Assistant Principal about a situation you feel needs reported. Remember, we are here to help!

FORTIFYFL
SUSPICIOUS ACTIVITY REPORTING APP

QUICKLY AND EASILY SUBMIT A TIP
By accessing FortifyFL, students can provide a description of the threat, share pics and videos and optionally submit their contact information.

- Anonymous or Non-Anonymous**
You decide whether you want to include your name and contact information.
- Convenient**
Submitting a tip is quick and easy using our mobile app or website.
- Include Photos and Video**
You can also include photos or video with your tip report.

QUICKLY SEND TO AUTHORITIES
FortifyFL automatically routes your tip report to the appropriate law enforcement agencies and school officials.

- Your School Officials**
The tip report goes to your local school officials when submitted.
- Local Law Enforcement**
Your local police department or sheriff office receive copies of your tips automatically.
- State Level Officials**
State level officials also have access to your tips to make sure proper steps are taken.

FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials. FortifyFL was created and funded by the 2018 Florida Legislature as part of the Major Stoneman Douglas High School Public Safety Act.

“Cops with Donuts”

Hello Manta Ray Families! This school year we will be addressing school attendance with the belief that attendance is based on students feeling connected and cared for by their teachers. We, at LBHS, want to reward good school attendance. The School Social Workers, along with the help of our awesome School Resources Officers, will be delivering donuts to the 1st hour class with the best attendance each quarter. DONUT miss out on the fun! And we hope to see you in school every day.

Ms. Reid's Biology Class

Ms. Reid's Biology class completed a lab to learn about the properties of the water. They learned about surface tension by trying to get a paper clip to float on the water. They learned the difference between cohesion and adhesion by counting how many drops of water can fit on a penny without breaking the dome shape and compared it to a glass slide and watched how the water molecules stuck to the glass slide.

(Pictured above) Kyra Sorenson and Addalyn Hurt are trying to get their paper clip to float on the top of the water.

(Pictured left) Kole Bennett and Casey Comito are counting how many drops it take for the dome shape of the water to break.

Faith Hunter and Willow Halle are observing the surface tension of the water.
