FROM THE PRINCIPAL

Dear Parents/Guardians,

Our Lincoln students have been active this semester as they are exceling in their classes, our sports programs are competing at a high level, and our performing arts have been outstanding. The spring musical was a huge success and our performing arts students measured at the top in all assessments. In addition, our students have been involved in the local community through fundraising efforts. Contributions were made to TMH Heart and Vascular from the battle of the bands fundraiser and students are now engaged in the annual PB & J drive to benefit Second Harvest. In addition to the extracurricular success, our academic excellence continues to show as several seniors have been named as National Merit Finalists.

We completed course registration for the 2023-24 school year in March. During that time, students met with counselors and selected their courses. To ensure students and parents have input in this process, we will have another opportunity for schedule adjustment in the summer.

We are looking forward to the many celebrations and activities to be held this April. We are hosting our ice cream social for more than 1000 honor roll recipients, more than 300 students will be acknowledged in our undergraduate awards ceremony, and we will finish this month with Prom and Grad Bash. Our students continue to impress and we are honored to be able to celebrate with them.

Currently, are finalizing preparations for the end of year testing. Because of hard work and the capabilities of our students, I know our results will be among the very best. Although these assessments are but a snapshot of student knowledge, I anticipate that our students will once again lead the district and state in their performance. Thank you all for your continued support of Lincoln High School. Together, we will continue to strive for excellence.

Go Trojans!

Allen Burch
Principal

Have you wanted to learn an instrument, make friends, and be part of a family at school? Have you wanted to play like Itzhak Perlman, YoYo Ma, Lindsey Sterling, Two Cellos, or Mark Wood? Then this is YOUR time to join ORCHESTRA!

Orchestra is open to all students 9-12th grade and no experience is necessary! MODERN ROCK ENSEMBLE!!!

Do you play (or want to play) in a Rock Band? Do you have experience playing one of these instruments: electric or acoustic guitar/bass, drum set, keyboard/synthesizer/keytar, bowed string instrument (violin, viola, cello, bass), sing, Drum Pad machine, or play any instrument??? Have you ever wanted to play one of these instruments or a Drum Pad Machine??? Are you a techy that is interested in Digital Audio Workstations (DAW)??? Then you need to register for the “**Modern Rock Ensemble.**” Do not let the name confuse you....This is NOT your traditional music class!

Since the inception of our program here at Lincoln, every year the Rock Ensemble and Orchestra musicians have had the opportunity to learn from and perform LIVE with many famous musicians such as Mark Wood (founding violinist of the Trans-Siberian Orchestra), Haydn Vitera (Grammy-winning rock & country violinist) and others like the drummer from the Queen Celebration Tour. In our Rock Ensemble class, you will have the opportunity to learn from and work with world-famous rock/pop musicians...what are you waiting for!?!

This student-centered class will incorporate music of all styles: Rock, Pop, R&B, Jazz, and original compositions/arrangements. You **do not** need to read music because we will learn to read lead sheets and play by ear – just like the groups you listen to on the radio.

If you are interested in participating in the “**Modern Rock Ensemble**” class, but have questions or would like more information, you may contact Dr. Knotts at knottsc@leonschools.net. Students, you may also speak with Dr. Knotts before school in the Rock Ensemble/Orchestra Room (Rm. 325). **DO NOT** delay – and REGISTER to participate for the 2023-2024 academic year!!!

Oh no...did you choose a different elective and want to be in our Rock Ensemble? It is not too late, you can still change your elective choice and be enrolled in our Modern Rock Ensemble class!

This is **YOUR** opportunity to be a member of the 1st **Rock Music Class** in Leon County Schools!!!!

AFRICAN AMERICAN HISTORY TIMELINE

Students in Ms. Bayouth's Spanish I classes researched an important event in African American History and created flyers in which they used the 5 W's: who, what, where, when and why.

Beyond learning the question words in Spanish, using the 5 W's helped them organize their ideas as they completed their research. The project also helped them develop their historical analysis skills, by identifying the "before" and "after" for each event. Doing so helped them understand why these events are considered pivotal moments in African American History.

Shawnyai Mitchell and Isaiah Butler worked on the final layout of the timeline, organizing events in chronological order and designing the timeline itself. All groups were happy to see the final product of their collaborative effort!
