FROM THE PRINCIPAL

Dear Parents/Guardians,

The second semester is moving quickly, yet there is still much to do this year! Students are in stride with their coursework, our spring sports programs are under way, and performing art programs are ready to excite us with the school musical, battle of the bands, and more. Having our students excel in a variety of activities makes me proud to be the principal at Lincoln High School!

We know many are looking forward to Spring Break, but this time is also the opening for the registration process for the 2023-24 school year. Course request sheets will be distributed to students in early March. This is a student's opportunity to select their preferences for their schedule. We encourage both you and your child to review these descriptions to choose an academic path that is both challenging and enjoyable. Students will be able to access course descriptions for all courses online after course registration forms are distributed and will enter their course requests directly in Focus. Additionally, opportunities to speak with a guidance counselor regarding courses and course selection will be provided.

As we enter the last few months of this school year, I remain excited to see our students perform both on the fields and in the classroom. We have worked as a team to prepare for all competition and the testing season, which is now condensed to days in May. Although the assessments are but a snapshot of student knowledge, I anticipate that our students will once again will score among the very best.

In the classroom and out; through standardized testing and everyday actions, I know we will be the model for Leon County and beyond. I love our students, parents, teachers, and staff and am amazed by their ability to work together to prepare students for life after Lincoln. Thank you for your efforts and I look forward to seeing the results of our hard work!

*Go Trojans!*

**NJROTC**

Lincoln NJROTC had the honor of meeting John Sabados, the oldest veteran in Tallahassee, at his 100th surprise birthday celebration hosted by the Southwood Veterans Association. Upon his entry to the event, six Lincoln NJROTC cadets served as his honor guard, giving him a military welcome fitting for one of our last surviving World War Two veterans. Mr. Sabados served in the U.S. Navy during WW2 in the Pacific Theatre fighting the Japanese. He served as a dispatcher with Air-Sea Rescue divisions; they flew helicopters rescuing Sailors and Airmen and returning them safely to shore.

Mr. Sabados was only on one ship in his entire career in the Navy, that ship was known as the U.S.S Missouri (BB63). His single cruise, however, proved to be quite momentous. John was on the “Big Mo” when it sailed into Okinawa Japan for the signing of the Instrument of Surrender by the Japanese forces, - officially ended the war in the Pacific. The experience was extremely exciting for our cadets, and they all thoroughly enjoyed themselves. A special thanks to our Superintendent Rocky Hannah for inviting us to be a part of this event.

### MODEL UN

Twelve members of the Model UN team represented Lincoln from January 20-22 at the 20th Annual Gator MUN conference in Gainesville, Florida. Model UN provides the opportunity for students to debate contemporary issues of concern on the United Nation's agenda. Students must become state ambassadors for a given country and represent that country's view on crucial areas of world-wide concern.

Common topics of discussion vary from climate change, renewable energy, recent armed conflicts and humanitarian aid to nations in need. Students write speeches and collaborate with colleagues to resolve these conflicts within the contemporary world system. Students develop critical thinking, public speaking, parliamentary procedure and negotiation skills while modeling a real-world setting.

As the world we live in changes, Model UN conferences work to provide students with a world perspective in the effort to enhance their knowledge of our world and their place in it.

**LINCOLN HS ORCHESTRA AND ROCK ENSEMBLE**

Four students from Lincoln’s Rock Ensemble and Orchestra program recently participated in the All-State for Florida. Bryce Codrick and Sean Gonzalez were two of twelve students from the state to participate in the All-State Rock Ensemble. Gabby Hudlow and Bryce Looney were both chosen from an extensive list of highly skilled high school orchestra musicians to take part in the All-State High School Honors Orchestra. Congratulations to those who were selected and thank you for representing Lincoln.

If you have any interest or questions regarding our program, see Dr. Knotts in room 325 for more information.

Sincerely, Giuliana Freeman (Junior & Social Committee Member)

### EXTERNSHIP CLASS

On December 6, 2022, the Externship class put on a banquet to honor their sponsors. Each student made a short speech thanking their sponsor and telling about their experience in the program. The Externship Program offers the unique opportunity for the true blending of education and community. Select twelfth grade Leon County students elect to take a portion of their educational program outside the classroom with an approved community sponsor for the purpose of exploring a career, pursuing an academic study and/or working with an outstanding leader. Any area of placement based upon the student's interests, talents, and/or ability may be considered. This year, we have students placed at Tallahassee Memorial Hospital, Envision Credit Union, Pumphrey Law, Tall Timbers Research Station, North Florida Wildlife Center, Tallahassee Orthopedic Sports Physical Therapy, the FAMU/FSU College of Engineering Stride Lab, Red Hills Dental Associates, and Manocha, McSoley, and Balan Family Dentistry. Thank you again to all of these wonderful sponsors!

### HOLOR ROLL PICNIC

Lincoln High School is thankful to Refreshment Services Pepsi for not only their generous donations of drinks for the bi-annual Honor Roll Picnic, but for providing volunteers to help serve more than 1000 students who were eligible to attend this event. Students meeting the qualification of having an unweighted GPA of 3.0 or higher were invited for a pizza lunch. Our mission at Lincoln High School is to provide students with an educational setting that fosters flexible, comprehensive, and challenging academic and extra-curricular programs which maximizes each student's potential. To that end, we are grateful to Refreshment Services for their time and donations as one of our top contributors in our Community and Business Partner's Program.
